

THE MOST IMPORTANT WORD IN THE ENGLISH LANGUAGE TODAY IS SERVICE

Exploiting one's patriotism or loyalty to country for the purpose of advancing one's interests commercially, is to our mind the poorest kind of taste and the cheapest kind of publicity.

We are, of course, very proud of our record in doing our part in the Liberty Loan campaigns, but we do not advance this as a logical reason why we should be given preferment for your banking business.

REV. H. J. MILLS.

His Death a Great Loss to the Rowland Community.

Correspondence of The Robesonian.

Rowland, Nov. 1.—No greater loss could have been sustained by our community than has befallen us in the death of Rev. H. J. Mills, of influenza with complications, on October 24th. Born at Mayesville, S. C., in 1876, Mr. Mills graduated at Davidson college, took a theological course in a seminary, and entered upon the work of the Presbyterian ministry. He married Miss Hannah McCutchen of South Carolina, who, with three small daughters, survives. For the past five years Mr. Mills had been pastor of the Rowland and Ashpole churches. He was a man of intense energy, large sympathy, passionately devoted to his Master's work, and was greatly beloved by all who knew him. At the time of his death he was serving as chairman of the Liberty Loan committee. He easily stood first in the affections of the people of the community, without regard to race or creed and no man will be missed so much as he.

800 WOMEN NEEDED BY SALVATION ARMY

Commander Evangeline Booth Says War Relief Work Must Be Extended.

Commander Evangeline Booth, leader of the Salvation Army in the United States, has been suddenly called upon to furnish 800 additional war work women for France. The request is contained in a report just received by her from Col. William A. Barker of the Salvationist forces, whom she sent to France over a year ago to establish hutment and general war relief work with the American troops.

"We will do all we can to fill this demand," said Commander Booth when discussing the approaching United War Work Campaign, "and the need itself should impress the American public all the more with the absolute necessity for sustaining and enlarging the war relief work of the seven organizations, besides the noble Red Cross, now merged for a drive for funds. Each is a vital cog in a vast machine for human relief, and each is indispensable, serving its particular elements in its own way.

"The Salvation Army was born in hardship, reared in privation and trained to every phase of human misery and how to cope with it. Perhaps that accounts in some degree for the success our work has attained and for which we are thankful.

"We are of the common people, and we toil on a practical basis. We learned the lesson of how to do it in the Boer war, when we stood at the side of Britain's troops and weathered it out to the end. We have been tried by fire, and the mothers and fathers of America, as in other countries, trust the Salvation Army to do the thing they would like to do for their men if they had the chance.

"With 1,210 trained workers at the front, operating from 420 huts and dugouts, the Salvation Army is doing, has done and will continue to do its best for the cause of humanity and Liberty."

United War Work Campaign Program

The campaign begins on Monday morning, November 11, and ends at midnight on Monday, November 18.

As approved by representatives of the Government at Washington the \$170,500,000 will be divided as follows:

Y. M. C. A.	\$100,000,000
Y. W. C. A.	15,000,000
National Catholic War Council (including Knights of Columbus)	80,000,000
War Camp Community Service	15,000,000
Jewish Welfare Board	3,500,000
American Library Association	5,500,000
Salvation Army	3,500,000

Any surplus will be divided pro rata.

CATHOLIC BOYS JOIN WAR WORK CAMPAIGN

Girls, Too, Will Stand With Them Behind Every Fighter at the Front.

To put behind every Catholic fighter in France the support of one boy or girl in every parish throughout the United States is the plan of the National Catholic War Council for backing the Victory Boys' and Victory Girls' "Earn and Give" Division of the United War Work Campaign to raise \$170,500,000 "for the boys over there" during the week of November 11-18.

Through diocesan, county and parish organizations, the rallying of one youngster for every man who has gone to war in every community is already under way. By their own earnings, and not by contributions, it is expected that these sturdy little sponsors for the boys abroad will each raise at least five dollars for the joint welfare work of the Y. M. C. A., Y. W. C. A., National Catholic War Council, including the Knights of Columbus, War Camp Community Service, Jewish Welfare Board, American Library Association and Salvation Army.

Boys and girls in every Catholic parish throughout the United States are already being picked to represent each fighting man who has left their church for the front. In every home that flies a service flag little brothers and sisters, sons and daughters, are eagerly volunteering to look out for the share of their family fighter in the huge joint welfare campaign for all the boys abroad.

BOOKS FOR SOLDIERS SUPPLIED BY A. L. A.

English Camp Shows the Good Work of That Organization for Our Boys.

Something like 13,500 pieces of stationery are distributed daily among 4,000 enlisted men by Uriah B. Brubaker of Iola, Kas., as librarian at the Y. M. C. A. writing tent, Woodley Rest Camp of the American Expeditionary Forces in southern England. The number of troops at this camp varies from 3,000 to 9,000.

This single detail indicates why it is necessary for the Y. M. C. A., Y. W. C. A., National Catholic War Council and K. of C., War Camp Community Service, Jewish Welfare Board and Salvation Army have to furnish 125,000,000 sheets a month for soldiers' letters.

Hundreds of books are taken out in this small camp, books furnished by the American Library Association and handled by the Y. M. C. A. Most of the demands are for a good class of fiction. Thirty American newspapers are received there daily. One hundred and fifty magazines are in use daily and 400 pieces of athletic equipment furnished by the "Y" are put to good use.

Mask Against Influenza

As a means of preventing the spread of influenza the North Carolina State Board of Health strongly urges that doctors, nurses and others attending patients sick with this disease wear a mask over the mouth and nose. The manner of wearing is shown in the above picture. The mask should be made according to Red Cross directions, in size about eight by five inches, consisting of four layers of fine mesh gauze, or buttercloth. Do not use coarse mesh gauze, as experiments have shown that protection is not given even when as many as eight layers of the coarse mesh are used. The mask may be sterilized by placing in boiling water for a few minutes and used over and over again. The same side should always be worn next the face and for this purpose one side should be marked, say with a black thread. The precaution is simple, costs almost nothing, and is most effective. PLACE A MASK OVER YOUR MOUTH AND NOSE AND HELP THE SICK OF YOUR COMMUNITY, CAREFULLY WASHING YOUR HANDS AFTER ATTENDING EACH PERSON. IN DOING THIS THE CHANCES OF INFECTION ARE PRACTICALLY NONE.
