

"I FEEL that I must write and tell you the great benefit I have experienced from using Dr. Caldwell's Syrup Pepsin. I had always suffered from indigestion but since taking Syrup Pepsin I am no longer troubled in that way, and I cannot praise it too highly as a laxative."

WITH ROBESON SOLDIERS.

Chiming of Church Bells Followed Roar of Battle.
Mrs. A. B. Baker of Fairmont sends The Robesonian the following letter from her son:

A. P. O. 791,
Nov. 11, 1918.

My Dear Mother:

Today I would like to be in the States to join in the celebration of the Allied victory, and the downfall of the most wicked government man has ever known. But what could be more emotional than to be on the scene of action, and to hear the last gun sound, then instead of the roar that has brought peril to every home in the world be startled by the chiming of church bells, and the shrill of whistles. On the exact minute of eleven a. m. as specified by Foch, every gun ceased to fire, but two minutes before the boys were advancing before a solid curtain of machine-gun bullets. At no time during the war has men shown more bravery, endurance, and determination than did our boys in their last effort to get rid of the Hun. Without an exception every man in our organization is as well as could be desired.

Nothing could be more taxing on one's patience than the wait which we will have before embarking for the only land an American can wholeheartedly love.

Will write again soon, love to all. Your loving son,
Sgt. B. C. BAKER,
Ambulance Co. 324,

Boys Hope to Be Home By Spring.
Mrs. J. D. Taylor of R. 5, Lumber-

ton, received the other day the following letter from her son in France: Somewhere in France, Nov. 17, 1917.

Dear Mother:

I will drop you a few lines in answer to your letter I received yesterday. I was glad to hear from you all. I am well and getting on fine.

Well, I guess the war is about to a finish, they have signed the armistice and have quit shooting and I don't think they will start any more.

I don't know just how long we will be in this country. I guess we will be over here for a while at the best. I think that we will be back in the U. S. A. by next spring. Anyway, I hope so.

I got a letter from Mr. Dailey last week but I haven't had time to answer it yet. Tell him I will write as soon as we get settled in some place. I don't know just where we are going. I will write you all as soon as we get settled, so don't worry about me, I am well and in good health.

GILBERT P. TAYLOR,
Co. I. 47 Inf.
