

LOCAL BILLS PASSED BY THE GENERAL ASSEMBLY

Resume of Acts Passed Applying to Robeson County.

Senator H. E. Stacy returned home from Raleigh Tuesday, having remained on the job until the 1919 session of the Legislature adjourned at 2 o'clock that morning. During the last day Senator Stacy was appointed on the Senate committee on reception of the 113th regiment of the 30th division, which will be entertained in Raleigh upon its arrival, and on behalf of the Senate he presented to Lieut. Gov. Gardner a handsome silver water pitcher.

A Robesonian reporter obtained from Senator Stacy the following resume of bills applying to Robeson county passed by the Legislature:

A bill introduced by Representative J. S. Oliver allowing the board of education of Robeson to fix the salary of the county superintendent of public instruction, also the salary of his assistant. Heretofore the salary of the superintendent has been fixed by the Legislature.

Another bill introduced by Mr. Oliver relative to salaries of county officials has been published in The Robesonian, with both the old salary of each official and the one fixed by the last Legislature.

The following bills introduced by Representative G. B. Sellers were passed:

For four rural policemen in Robeson instead of six, the salary of each to be \$125 each instead of \$75, as heretofore.

Authorizing the county commissioners to issue bonds in the sum of \$500,000 for the purpose of building permanent bridges. The bill provides that the commissioners may in their discretion call a election to determine the will of the people in regard to issuing said bonds.

To allow the town of Parkton to extend its limits 300 yards each way. The bill provides that the matter of extension shall be voted upon by citizens living in the town and also those living in the proposed territory to be added at the regular town election in May. If the majority of the votes cast are in favor of the extension, it will be made.

Authorizing the board of county commissioners and the county road board to hire out the county chain gang, if in their discretion this act would be wise.

Making the annual compensation of members of the county board of education \$100 each, except the chairman, whose compensation will be \$125. Under the old law members of this board were allowed \$4 a day and mileage for each day they met. It is figured that the new law will be a slight increase in the pay of members of the board of education.

Amending the charter of the town of Airmont, so as to provide for a primary to nominate candidates for the various offices of the town.

The following bills were introduced by Senator Stacy:

To provide a place in the State insane hospital at Raleigh for insane Indians of Robeson.

Providing that each township in the county may issue bonds for building roads. The bill provides that when one-fourth of the registered voters in any township apply to the board of county commissioners for an election to determine whether or not bonds shall be issued, the election shall be called by said board. The bill in full was published in a recent issue of The Robesonian.

Amending the county deposit law. The act passed by the Legislature two years ago provided that the bank named depository for the funds of the county should maintain an agent in Lumberton to cash county vouchers. The new bill abolishes this feature and provides that the bank named as depository for the county's funds shall not charge any exchange on drafts drawn on public funds by the proper authorities.

Conferring both civil and criminal jurisdiction upon the April 1919 term of court.

Providing for a special school tax election in the town of Lumberton. The provisions of this bill have been published in The Robesonian.

Senator Stacy and Representatives Sellers and Oliver introduced a number of State-wide bills which were passed.

WOMAN'S CLUB WILL MEET FRIDAY AFTERNOON.

Splendid Community Spirit, the Outgrowth of War Work Should Not Be Allowed to Die.

Correspondence of The Robesonian.

The Woman's club will meet in the municipal building on Friday afternoon at 4 o'clock.

The entire membership is earnestly urged to be present, as officers are to be elected for the ensuing year, and other matters of importance are to be attended to. The women of the town are invited to join the club.

Do not allow the splendid community spirit, the outgrowth of our war work, to be dissipated through inactivity. Engage your energies for the town—make Lumberton "the town beautiful."

Chaotic conditions in Russia, particularly in Petrograd and Moscow, were described in reports received Tuesday by the State Department at Washington. The depths to which the country has been plunged by Bolshevik rule was said by the advices to be indicated in a report from Moscow saying human flesh had been sold to the famine-stricken population by Chinese soldiers, who later were arrested.

MEMORIAL TABLET WITH NAMES OF ROBESON'S DEAD

Names of 61 Robeson Soldiers and Sailors Who Gave Their Lives in the World War Inscribed on Tablet at Court House.

A memorial tablet bearing the names of sixty-one Robeson soldiers and sailors who gave their lives for their country during the world war was placed on the wall in the court room in the county's temple of justice yesterday afternoon.

The tablet contains the names of 45 white men, 12 Indians and 4 colored. It was designed by Dr. James Sprunt of Wilmington, painted by Mr. H. Pier-Giavina, an artist of Wilmington, and was secured through the efforts of the Woman's Council of National Defense. The names of Robeson's heroes were gathered by Mrs. L. T. Townsend of Lumberton.

The names on the tablet are: White—George Galloway, Charles Hall, Carson Chason, Donnie Sutton, Edgar Lovett, Coy Britt, E. Lathrop Austin, Murdock McRae, Alva Ivey, Benjamin Carter, Marvin Odum, Ed. J. Pope, George Lawson, John H. Walker, Sam McLaughlin, Duncan G. Shaw, Jno. A. McLean, Alfred Oliver, Herbert Watson, James Collins, Daniel Marsh, Lennie Proctor, Casper Stone, Henry Barr, Edwin V. Johnson, O. D. O'Brien, D. B. Purcell, Edmund W. Britt, Walter L. Beasley, James McNeill, Martin L. Stuart, Lloyd Pittman, G. H. Marsh, Gus Norton, Atlas Johnson, James T. Smith, Wm. S. Hyatt, Archie Gillispie, Ellis Tyner, Raymond Evans, Willis Allen Lee, Archie McLaughlin, E. Dawson Bullock, Claud E. Phillips.

Indians—Ellis Hardin, Calvin B. Lowrey, Wm. R. Oxendine, Preston Locklear, Harvey Oxendine, Winslow Locklear, Addinell H. Lockey, Golden Oxendine, Lennie Hunt, Garfield Lowrey, Jake Edwards, W. R. Oxendine.

Colored—Arthur Rozier, Zeddie Robeson, Marshall Pittman, Lacy H. McCallum.

If any person knows of any Robeson soldier or sailor who has died while in the service since the United States declared war against Germany, besides those appearing on the tablet as given above, Mrs. Townsend will appreciate it very much if they will send the name to her at Lumberton. She will continue to seek such information until all the boys have been demobilized and the names of any whose death has not been reported or any who may yet die will be placed upon the tablet.

COTTON MEETING MARCH 15

Reports by Township Committeemen Will Be Made at Round-Up Meeting in Lumberton Saturday.

Correspondence of The Robesonian.

At the cotton meeting held in Lumberton February 26, it was decided to have a round-up meeting at a later date. The date decided on was Saturday, March 15th. The meeting will be held at the court house at 11 o'clock. At this meeting we want a report from the committeemen of the various townships. In this report the names of those who have signed pledge, the names of those who have failed to sign, and the amount of money given by each, should be given. We want each committeeman to be prepared to present bill for making canvass. This will be paid from the money collected during the canvass.

We trust that each man will be as reasonable as possible. One-half of the money collected will go to the State organization.

At an early date a statement of the funds will be published, and also a list of those who contributed.

This meeting is for the public, so come and see for yourself what is going on.

FRANK GOUGH, Chairman, O. O. DUKES, Sec-Treas., Robeson County Cotton Association.

TOWN'S NOTES RENEWED

Question of Purchase of Tractor For Street Work Referred to Committee—Young Men Want Club Room on Second Floor of Municipal Building.

At a meeting of the mayor and board of town commissioners Tuesday evening it was ordered that the town's notes in the sum of \$15,000 for indebtedness now existing be renewed for seven months.

Messrs. J. Robert Prevatt and V. B. McMillan appeared before the board and made application for renting the hall on the second floor of the municipal building for a club room for young people. This matter was deferred for further investigation.

The matter of purchasing a tractor for street work was referred to a committee composed of Messrs. W. P. McAllister and Jno. B. Meares, members of the board of commissioners, and Ira B. Townsend, town clerk and treasurer.

ROBESON SOLDIERS ON THE WAY HOME

A Washington dispatch of the 12th states that the 206th trench mortar battery, 81st div. sailed from France on the Rijndam, which is expected to arrive at Newport News March 21.

The 81st division is composed of troops from North Carolina, South Carolina and Florida. Many Robeson soldiers are attached to this division.

GENERAL ASSEMBLY ENDS. NEWS ITEMS AND COMMENT

Session Came to Close Monday Night—Ratified 1,131 Bills—House Killed Senator Brown's Bill for Constitutional Convention.

Bringing its labors to an end at 2 a. m. Tuesday morning, the 1919 session of the Legislature lasted 61 days, one day longer than the constitutional limit for which pay is provided. At this session 1,131 bills were ratified, as compared with 1,215 two years ago.

The bill to increase the salaries of the heads of the various State departments was killed by the House Monday night, following its adoption by the Senate. This provided for an increase of \$500 each. A bill was adopted, however, which will raise the salary of the State superintendent of schools to \$4,000 at the expiration of the present term of the incumbent, Dr. E. C. Brooks.

The Senate Monday adopted the bill to permit sick men to vote upon condition that they obtain doctor's certificates, sending their ballots from their homes to the polls.

The House killed Senator Joe Brown's bill for a constitutional convention next year. The bill had been passed by the Senate.

The action of the Senate in increasing the appropriation for enforcement of the compulsory school attendance and child labor regulations, contemplated in the Neal bill, from \$4,000 to \$6,000, was concurred in by the House. Victor Bryant's act, supplementary to Pharr-Matthews road bills, amending the law so as to give county authorities power to approve or reject road plans of the State highway commission, was adopted by the House, the Senate concurring subsequently.

As finally adopted by the Senate and House the resolution providing for entertainment of the 113th regiment in Raleigh some time next week, carries an appropriation of \$2,500 for entertainment instead of \$5,000, as at first proposed.

The so-called "equal pay for equal service" bill, relating to salaries of teachers of the State, which had been adopted by the Senate, was unfavorably reported by the House educational committee Monday. In accordance with the suggestion of Dr. E. C. Brooks, head of the State schools, this question will be investigated by the special State educational commission with a view to correction of discrimination against women pedagogues.

Death and Funeral of Mr. M. F. Hodges—Prayermeeting at Cedar Grove Will Begin Again—Comment On Various Matters.

BY J. M. FLEMING.

Lumberton, R. 5, March 12.—Although Saturday and Sunday were unfavorable to pedestrians who enjoy going to church, we had fairly representative congregations at Smyrna and real fine services. Two members were received by letter Sunday. Among the visitors from a distance Sunday were Mr. R. L. Rowan of Lumberton, Mrs. Joe B. Smith of route 5 from Lumberton, and Mr. Howard Church of Spencer, Mass.

The public school at Smyrna under the splendid guidance of those excellent ladies Misses Margaret Britt and Alice Sinclair, is moving on just nicely enough, and everybody speaks in the highest complimentary terms of both the school and its management. Another beautiful element in the notable progress of the school is its ever-alert board of committeemen.

We rejoice with Prof. J. R. Poole in the raising of his salary. That is worth while and altogether becoming, for there is no more important office in the county than his, and none better managed. We are certain that our faithful superintendent will allow us to thank the law-makers for their remembrance of him in this regard. He deserves every penny of it and no man is more worthy.

We have learned a long while ago that no man is infallible—that he belongs to the infinite One. Browning said: "Mankind is mortal, a man am I; call ignorance my sorrow and not my sin." But this is a strange world. E. A. Poe is said to have earned a total sum of only \$1,300, while he lived, and was not much appreciated. But he now is said to have been the greatest one of America's poets. A few days ago a man in New York paid the handsome price of \$11,600 for one copy of Poe's works—"Tamerlane and Other Poems." Wouldn't it have been fine if Mr. Poe could have been assured of his splendid worth, or even our own John Charles McNeill, ere they left us! But such is the way of mortals.

After being suspended for the winter months, the prayer meeting at Cedar Grove will begin at 4 p. m. next Sunday. We hope the attendance will be as good or even better than it was last year. There has been some talk of asking the pastor to conduct an extra service once a month, but no decision has been reached as yet.

Last Sunday about 1 p. m. the gentle spirit of Mr. Martin F. Hodges took its heavenward flight. He was in the 76th year of his age. He was one of the best of men and the Raft Swamp church and community will miss him greatly. He was a deacon in that church and commanded the respect and enjoyed the confidence of all, both in and out of the church. This was beautifully attested by the multitude that attended the funeral and interment Tuesday afternoon. Pastor L. E. Daily conducted the services and was assisted by the writer, who preached the sermon by special request, being a former pastor. The singing as led by Mr. W. F. Prevatt was appropriate and splendid. Mr. Hodges leaves a wife, several children and grand-children, besides a host of other relatives and friends to mourn his departure.

A paraphrase of Carlyle's "eulogy" is especially appropriate: "He died in beauty, like a rose blown from its parent stem; He died in beauty, like a pearl dropped from some diadem; He died in beauty, like a lay along a moon-lit lake; He died in beauty, like the song of birds amid the brake; He died in beauty, like the snow on flowers, melted away; He died in beauty, like a star lost on the brow of day—He lives in glory, like night's gems set round the silver moon; He lives in glory, like the sun amid the blue of June."

May the blessed spirit comfort every sorrowing heart.

Mr. John Blount McLeod Wins Freshman Medal in Debate.

Correspondence of The Robesonian.

Lumberton friends note with interest that Mr. John Blount McLeod, son of Mrs. A. H. McLeod, a student at the university of North Carolina, won the freshman medal in the inter-collegiate debate between the Dialectic and Philanthropic societies, the debate taking place Saturday, March 9th.

The query was whether or not the government should retain control of railroads. Mr. McLeod was on the negative.

Mr. McLeod is an unusually bright young man. Friends predict for him a successful career.

Rural Mail Carriers Got Stuck in the Mud.

It has been charged that county road funds are spent on roads near Lumberton. If you believe that, ask the mail carriers who go out from Lumberton. Three of the carriers got "stuck" 3 times each one day recently, and that was just a beginning. The carrier on R. 1 from Lumberton served notice yesterday that he could not make all his route another day until the road is improved. The roads in this section of the county do not show that all the county's funds are spent on them.

Adolph Einstein, member of the firm of Einstein Bros., one of the largest wholesale drygoods houses in the South, either committed suicide or accidentally shot himself at his home in Wilmington Tuesday. He had been in poor health for several months.

ALL ORDERS FOR NITRATE OF SODA WILL BE FILLED

Farmers Will Get All Nitrate They Applied For—Shipping Points and Quantities For Robeson—Shipments Will Be Made in About 2 Weeks.

Correspondence of The Robesonian.

For the benefit of the farmers who applied to the government for nitrate of soda, I'm giving here some information. I have sent to Washington shipping instructions for all nitrate applied for in the county. Shipping points and quantities are as follows: Lumberton 541.9; Fairmont 290.7; Red Springs 326.9; St. Pauls 184.1; Pembroke 163.6; Barnesville 60.5; Marietta 138.4; Maxton 412.5; Parkton 138.7; Rowland 338; Buie 32; Proctorville 61.8; Lowe 47.6; Allenton 23.5; Powers 104.2; Purvis 79.5; Renner 51.3; Wakulla 60.2; McDonald 169.9; Lumber Bridge 123.3; Red Banks 50. Total 3458.6.

As indicated above, the total amount of nitrate applied for and to be shipped to the county is 3,458.6 tons and the department at Washington informs me that it will be able to fill all orders complete. So farmers, this year, will get all the soda they applied for.

For immediate need I had hoped to deliver some of the soda at different points in the county next week, but after talking Tuesday with Mr. Walter Smallbones, government agent who has charge of shipping at Wilmington, I find this will be impossible. He says that his office is crowded with the orders and it will probably be about two weeks before he can make any shipments to Robeson; but says then he will ship it in such quantities as will enable me to fill orders complete at most points. In other words, at all the shipping points, where the total does not exceed 150 tons, the farmers will probably get their orders filled complete on first shipment. At such points as Red Springs, Maxton, Rowland and the like, where the total amounts to more than 150 tons, there will probably be two shipments.

The farmers will be notified immediately upon arrival of soda at the various shipping points throughout the county.

W. K. BETHUNE, Federal Nitrate Distributor.

THE RECORD OF DEATHS.

Funeral of Mr. M. F. Hodges. Reported for The Robesonian.

The funeral services of Mr. Martin F. Hodges of Lowe, who died Sunday about 1 o'clock after several months declining health, were conducted Tuesday afternoon from Raft Swamp Baptist church, of which deceased had been a loyal member and deacon for several years by Rev. J. M. Fleming and Rev. L. E. Dailey, pastor of deceased. The remains were laid to rest in the burying grounds of Raft Swamp church in the midst of a host of sorrowing relatives and friends, and the floral offerings were numerous and beautiful, which showed in part the high esteem in which deceased was held. While the grave was being filled several beautiful selections were rendered by a quartette composed of Messrs. W. F., J. L. and E. T. Prevatt and W. E. Baxley.

He is survived by his wife and six daughters. Miss Ida Hodges, Mesdames J. Odum, Ashley Powell, Stephen Smith of the Raft Swamp section, Mrs. Porter Bowen of Laurel Hill and J. R. Brigman of Kirkland, Ga., and one son, Rev. M. F. Hodges of Kenansville, one brother and five sisters.

Mr. Hodges was 75 years of age and was a native of Richmond county, though he had spent most of his life since early manhood in Robeson. He served as a soldier in the Confederate army through the Civil war and his reminiscences of that eventful period were very interesting. It may well be said that a good man has gone, whose influence will live for many years to come among all who knew him.

Mr. Charlie Bruce of Oak Grove Section.

Mr. Charlie Bruce, aged 23 years, of the Oak Grove section, near Buie, died at the Thompson hospital here Monday. Deceased suffered an attack of influenza several weeks ago and complications followed causing his death. The funeral was conducted from Oak Grove Baptist church Tuesday at 10 a. m. by Rev. R. A. Hedgcock of Lumberton, and interment was made in the church cemetery.

WITH ROBESON SOLDIERS.

Capt. David Fuller Home From France.

Capt. David H. Fuller arrived home this morning from France. He has not yet been discharged from military service, but expects to get his discharge in a few days. Capt. Fuller sailed from St. Nazaire, France, February 23 and landed in New York March 7. He went overseas with the 81st division and was at the front from September 15 to October 18. He suffered three attacks of "flu" and the third sent him to the hospital October 18, and he never returned to his division. However, his health is now good.

Messrs. Simeon Barnes, Larkin Walters and Will A. Floyd, all of the Orrum section, arrived home last night from Camp Jackson, each having been given honorable discharge from the army.
