## By Twelve Bottles of PERUNA

Greatest Human Vitalizer

"During the winters of 1897 and 1898, I was so badly afflicted with catarrh of the head and throat that I must surely die from it. After trying many doctors and all other recommended remedies made known to me, I was induced to use Peruna. I was cured entirely by using twelve bottles of Peruna and one bottle of Manalin."

Since that time, I have never been without Peruna. I use it for colds and as a general tonic during Spring and Fall months and find it the greatest human vitalizer."
