RED SPRINGS NEWS

Sgt. Duncan Davis' Quick Judgment and Action Saved 2 Divisions—A Big Improvement—U. D. C. Meeting—And Then He Treked—Personal Mention.

Correspondence of The Robesonian.

Red Springs, April 11.—Sgt. Duncan Davis arrived home Thursday afternoon and is being welcomed and congratulated on all sides. Red Springs is proud of the war record of all her boys and proud indeed of this gallant young man who modestly tells the tale of how he won his decoration—Distinguished Service Cross. It is a tale of quick judgment and quick action, the result of which saved his own and another division of almost certain destruction.

Mesdames George Hall, Tom Devane and H. M. Dixon spent Wednesday in Fayetteville.

Mrs. R. B. Lovin is visiting relatives in South Carolina.

Mr. N. A. Watson made a business trip to Fayetteville one day this week.

It always rains on circus day but the bad weather never affects the size of the spirits of the crowds. Spectators here braved the lowering clouds and took in the Sparks show in Lumberton, but as yet we haven't heard any news.

The removal from the nine grove of the old cotton warehouse is the biggest improvement for that part of town in five years. Folks down there say it's been an eye-sore to them ever since it was put up and hope all signs of it will soon be obliterated.

Mr. H. L. Stevens of Fairmont was shaking hands with Red Springs Wednesday. He was assistant cashier in the Carolina Bank before joining the army some two years ago. He says he finds many sad changes during his absence, both here and in his home section, influenza having claimed as its victims two brothers and several friends and other relatives.

The Daughters of the Confederacy held their monthly meeting with the president, Miss Conzelia McMillan. Delegates were appointed for the State convention in Wilson on the 30th. The secretary reported two large boxes of fruit and preserves collected and shipped to the Confederate homes in Raleigh and Fayetteville. After all other business was transacted, Miss McMillan served delicious sandwiches and tea.

An old gentleman claiming to be a Confederate veteran alighted from the train Wednesday morning. Our Chief of Police viewed with suspicion the two heavy suit-cases he carried and searched them for the "old familiar." None was found, however, and our veteran was allowed to go up town, where he lectured on the corner about wars past and present. He also had literature for sale, but failing to stir up any enthusiasm he soon departed for more fertile fields.

Ninety-two persons killed, approximately 300 more or less seriously injured and property damage estimated at nearly \$1,000,000 was the toll of last Tuesday night's storm that swept parts of Arkansas, Northern Texas and Southern Oklahoma, according to revised and virtually complete reports. Of the dead, 75 persons were killed in Texas, 14 in Oklahoma and three in Arkansas. Previous reports that eight lives were lost at Ravenna, Texas, proved unfounded. PARKTON ITEMS

Preparing to Honor Returned Heroes
—Fire Destroys Power House—
Fiddlers' Convention at Ray Grove
April 18th—Planting Cotton Seed
—Personal.

BY C. D. WILLIAMSON.

Parkton, April 10.—Sarah Cobb, about ten years old, only child of Mr. and Mrs. Collier Cobb, was taken to the Highsmith hospital Tuesday evening and within 30 minutes after they arrived was operated on for appendicitis. She stood the operation okey and while she is quite sick her condition seems favorable thus far. Her many friends are anxious for her and trust for a speedy recovery. She was accompanied to the hospital by her parents and Dr. D. S. Curtis.

Bethune, 3-years-old son of Mr. and Mrs. Murphy McMillan is quite sick but his condition today was somewhat better.

The union prayermeeting which was held at the M. E. church last night was one of the very best yet. Rev. J. L. Jenkins led and made a very helpful talk. Rev. J. K. Hall, pastor of the Presbyterian church, made the announcement that he thought it very appropriate that some entertainment should be given in honor of our boys that have recently returned from France and the different camps. A committee was appointed and met to select the entertainment. Suitable persons have been named on the committee and the date will be named later. Something worth while will be reported later.

We give the following soldier boys who have recently returned and that now have honorable discharges: Sgt. Gordon Beard, Sgt. B. A. McDonald, Privates Gilfer Hair, Robert Furdage, Hector Furdage, Perry Jordan, W. E. McMillan, Albert Parham the last named arriving today. All the above served their country in France. The boys all are hale and hearty and very happy. And their parents and sweethearts, how about them?

The boys are coming gradually and ere long, we trust that the last one will arrive.

This morning about 8:30 o'clock fire was discovered in the power house of Mr. J. B. McCormick. The building was soon beyond control, and only by the heroic work of neighbors and friends was the fire confined to the building. If the wind had blown any, much serious damage would probably have resulted. There was no insurance. The origin of the fire is unknown unless the engine, which was at work, caused a hot box.

Mr. E. B. Daniel and two children left Wednesday morning for an extended visit to relatives in Georgia. Her sister, Miss Loula Marsh accompanied her to Jacksonville. Miss Marsh is on her way to Cuba to render her mission work—the same kind of work she had before entering the Red Cross work in France.

Mrs. J. B. Regan and small son, of Howellsville, spent Tuesday night with her sister Mrs. A. B. Williamson, and Wednesday left on the early train for Jacksonville to visit her sister Mrs. J. H. Smith, who is quite sick. Mrs. Regan will probably be gone several weeks.

Mrs. Henry Howard of Greensboro is spending a few days with her sister Mrs. A. B. Williamson.

Mr. L. M. Powell, foreman on Mr. J. G. Hughes' farm, left this afternoon for Charlotte, where he expects to rush a new Ford on his return trip.

Something doing at Ray Grove school house, three miles north of Parkton, on Friday night, April 18th—ye old-time fiddlers' convention. Prizes will be given for the best banjo picking, fiddler, and dancer, also a prize for the musician that can play music on the largest number of different instruments. Mr. Frank Blount of Fayetteville will conduct the convention and a lively time is assured. Mrs. R. D. Everett is teacher at the school.

Cotton seed is being put in the soil in every direction.

Charlie Williamson, Jr., will spend Friday in Lumberton. Circus day, you bet.

—Sparks' circus gave a performance here Friday that was all to the good, clean and high-class. No street parade was given because the circus pitched its tents outside town and thereby came to grief for it came on to rain and wagons mired in the mud; and for the same reason no night performance was given. These two omissions disappointed a large number of people. The tent was filled for the afternoon performance, many people from nearby towns and the country gathering here in spite of the rain.

MUTINY AMONG AMERICAN TROOPS AT ARCHANGEL.

Open Threats of General Mutiny Unless a Definite Statement From Washington Insuring Early Withdrawal Was Forthcoming.

The War Department issued Thursday night an official statement confirming Associated Press advices from Archangel that what amounted to a mutiny occurred among the American troops there on March 30. A company of infantry, the message stated, refused to entrain for the front until personally urged to do so by Col. George E. Stewart, commanding the American contingent. Open threats were made of general mutiny unless a definite statement from Washington insuring early withdrawal was forthcoming.

Presumably, it was said, Col. Stewart already had been advised directly that it was the purpose of the supreme war council in charge of the policy governing the movement, to withdraw the entire force from northern Russia when the ice blockading the harbors goes out. The British relief expedition, originally scheduled to be 2,400 strong, has sailed, as have the two companies of American railway engineers sent at the request of the British authorities to keep open the railroad south of Murmansk.

Further Mutiny Not Expected.

Arrival of the American contingent at Murmansk, Chester at Murmansk, reported Friday in Associated Press dispatches, is expected by officers in Washington to relieve the situation among American troops in the Archangel region.
