IF GERMANS REFUSE TO SIGN

Immediate measures tending to the further subjugation of Germany if its delegates refuse to sign the peace treaty were indicated yesterday by the announcement that Marshal Foch had been sent to the Rhine by the council of four to take such action as may become necessary in the event that the treaty is not signed, states a Paris dispatch.

The council of four, composed of President Wilson, David Lloyd George, M. Clemenceau and Signor Orlando, yesterday considered the immediate reimposing of the blockade against Germany in case that country declines to sign the peace treaty. The subject was under discussion at two separate meetings of the council.

On the other hand, it is anticipated that the blockade will be entirely lifted immediately if the German delegates affix their signatures to the treaty.

HOME FUND DRIVE OF SALVATION ARMY

Robeson is Asked to Contribute \$3,000 To Home Service Fund—Chairman Of County Committees.

Correspondence of The Robesonian.

Next week will launch the great National drive of the Salvation Army. Responses to the army's appeal are pouring into National headquarters in an astonishing manner.

People of every class are volunteering by the thousands to become active campaign workers. In fact, regional campaign managers assert that no other campaign held in this country was ever given such amazing endorsement.

This unlooked for and encouraging response is due to the tremendous popularity of the Salvation Army has won in its war work and the public has at last learned that the work at home for the past 35 years among our unfortunate classes and masses, stands as an open book of reformation and charity.

Measured by years, the Salvation Army has traveled but a short span in history, but measured by hours which have been filled with toil, deferred hope, and frequent glorious triumphs, the army has gone a long distance, and has become a venerated institution.

The Salvation Army does not want money for money's sake, were it for the fact that as an accepted medium of exchange, money commands the things which provide needed relief and aid for the poor and lowly. They are not, and have never been, impoverished in that preparedness of soul and mind that shall ever enable them to minister to those about them in a spiritual sense.

The necessity for a campaign to raise adequate Home Service funds, comes almost in the nature of a penalty for success, and constitutes a solemn obligation and duty which they cannot avoid.

Wise men are saying today that the astonishing evolution of the Salvation Army from complete obscurity to an overwhelming popularity and prominence is but one more bit of testimony and evidence the truth, the simple truth, is irresistible. The army was conceived in truth, and fostered and developed in righteousness, and is dedicated to the alleviation of human woes. For that reason, their onward march has led to great heights and their new responsibilities are vast.

Robeson county is asked to contribute \$3,000 to this fund and each township is organized to carry on the work and obtain contributions, the following constituting the chairman of the several committees:

Alfordville township—Burns Ward, R. F. D. Rowland; Back Swamp—Mrs. J. G. Prevatt, R. 3, Lumberton; Britts—Forrest Stone—R. F. D. Lumberton; Burnt Swamp—L. P. Ray, Buies; Fairmont—Hal V. Brown; Gaddy's—J. O. McArthur, R. Rowland; Lumber Bridge—Dr. Thomas Stamps; Lumberton—C. B. Skipper, Jr.; Rowland—W. L. Buck; Maxton—J. P. Wiggins and Lucy Williams; Orrum—A. J. Surles; Proctorville; Parkton—Dr. D. S. Currie; Pembroke—R. H. Livermore; Raft Swamp—J. M. Powell, R. F. D. Buies; Red Springs—J. N. Bue; Rennett—Rev. A. H. Porter; Saddle Creek—Rev. J. L. Humphrey, R. F. D. Lumberton; St. Pauls—L. A. McGeachy; Shannon—Geo. I. Klarp; Smith—E. J. Walters, Wakulla; Sterling—Boyd V. Williams, Barnesville; Thompsons—Mrs. Wheeler Stone, McDonalds; White House—W. M. Oliver, Marietta; Wisharts—J. C. Stansel, Allenton.

The slogan of the Salvation Army—"A man may be down, but he's never out"—should ring in everybody's ears next week, and the relatively small amount asked of the people of Robeson county could be had and obtained within two days from the time the campaign begins.

JUNIOUS J. GOODWIN,
Chairman Robeson County.

K. M. Barnes, county treasurer; J. A. Sharpe, chairman publicity committee; H. E. Stacy, chairman speakers committee; Stephen McIntyre, chairman prospects committee.
