

# "Know all Men By These Presents."

Mr. John D. Purvis, proprietor of the Norfolk Tailoring Co., has been appointed sole agent and representative for The Columbia Tailoring Co., wholesale tailors to the trade, with stores and agents everywhere, for the city of Fairmont and vicinity, and every transaction entered by Mr. Purvis relating to the sale of fine tailored garments made by the Columbia Tailoring Co., has the guarantee of the Columbia Tailoring Co., home office 416-18-20 W. Redwood St., Baltimore, Md., to the extent "We please you, and keep you pleased, no matter what the cost."

Furthermore, Mr. Purvis has been connected with The Columbia Tailoring Co. for a period of seven years and we know him to be as expert in the art of measuring and pleasing his customers, as it is possible for a man to be. We keep Mr. Purvis advised by means of fashions and descriptions of the latest styles and trimmings in men's garments, and we know by experience that Mr. Purvis is more capable of fitting and pleasing his customers 100 per cent. than any traveling salesman or expert measurer that we or any other wholesale custom tailoring concern could send to your locality for the purpose of securing orders.

Furthermore, our goods are sold to Mr. Purvis at the same price at which we sell them at our own stores, as we treat an agent of Mr. Purvis' calibre the same as if his retail business was our own.

It is absolutely necessary that we add traveling salesman's salary and traveling expenses to the cost of your order, when the traveling expert is sent to assist the local agent or merchant in developing his tailoring business. This cost is not paid upon your garment when you order of Mr. Purvis.

We again quote our slogan, "We please you and keep you pleased, no matter what the cost," which has been tested and has never been found wanting, and we again say that not only Mr. Purvis, but also The Columbia Tailoring Co. is in back of every guarantee made.

Our Mr. Purvis operates practically on a commission basis and you can place your order with him with the knowledge of securing the finest tailoring in the world, at prices not exceeding, and in most cases below that of any other concern whose make is on a par with ours.

WE EARNESTLY SOLICIT YOUR BUSINESS FOR MR. PURVIS.

### COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Phillips, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me. One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. E 78

### COTTON CROP MILLION BALES SMALLER

Prospective Production Estimated at 10,986,000 Bales.

A cotton crop about 1,000,000 bales smaller than last year's was forecast for this year by the Department of Agriculture Tuesday in estimating prospective production at 10,986,000 bales.

Acres this year shows a cut of 8.7 per cent from last year's, the decrease being 3,247,000 acres and the total 33,960,000. The agitation for a reduction in acreage which the Department of Agriculture says occurred in every cotton-growing State, the scarcity and high price of labor, and unfavorable planting weather caused the heavy decrease.

The acreage and condition on June 25 by States, follows:

- Virginia 38,000 acres and condition 82.
- North Carolina 1,454,000 and 83.
- South Carolina 2,706,000 and 78.
- Georgia 5,282,000 and 72.
- Florida 122,000 and 57.
- Alabama 2,900,000 and 67.
- Mississippi 2,939,000 and 63.
- Louisiana 1,445,000 and 61.
- Texas 10,755,000 and 69.
- Arkansas 2,701,000 and 64.
- Tennessee 755,000 and 64.
- Missouri 124,000 and 0.
- Oklahoma 2,456,000 and 69.
- California 169,000 and 99.
- Arizona 115,000 and 93.
- All other States 15,000 and 100.
