

Where Can I Find Relief From Itching, Terrifying Eczema?

Question on Lips Afflicted.
There is a harassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its

source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle today, and you will see results from the right treatment. Medical advice free. REMEMBER THE ANT

Save and have!
Remember the story of the ant and the grasshopper? The ant worked and saved. The end of each day found him with a little more added to what he had the day before. The grasshopper danced and sang andiddled his time away. Winter came; the ant had plenty. The grasshopper had nothing; he had not saved. He went to the ant and asked for help. Said the ant: "While I worked, you fooled your time away. You can dance now for all I care."

Are you an ant-person or a grasshopper - person? Some time are you going to have to ask for help and will someone tell you to dance; or will you be independent?

If you save now, you'll have later on. Let the end of every week find more Thrift Stamps on your card. At the end of every month be able to show more War Savings Stamps pasted on your certificate. Lend your money to the government at 4 per cent interest, compounded quarterly, and see it grow.

Take stock of yourself! What are you worth? Will next New Year's Day find you worth more or less? Which will you be; an ant or a grasshopper?

Pershing Wants Pledges Paid So Welfare Work Will Go On With Army "To the End."

Washington, D. C.—Raymond B. Foedick, chairman of the Commission on Training Camp Activities, has made public a letter which he has received from General John J. Pershing, showing the vital importance of continuing the welfare work with the army until the end. Those who have not paid their United War Work Campaign subscriptions will come in for much criticism if they do not do so during "Speed-Up" Week, July 28th to August 4th.

Cleveland H. Dodge, national treasurer of the United War Work agencies, stated on July 18th that he had only enough funds on hand to run the seven organizations until August 1st. Therefore, unless every outstanding subscription is paid during "Speed-Up" Week, it will be necessary doubtless to cut down the work of the agencies which now means so much to our soldiers still in uniform.

Gen. Pershing's letter in full reads:

AMERICAN EXPEDITIONARY FORCES
Office of the Commander-in-Chief

France, May 8, 1919.

Mr. Raymond B. Foedick, Chairman, Commission on Training Camp Activities, War Department, Washington, D. C.
My Dear Mr. Foedick:

On the welfare societies that joined in the united campaign for funds at home in the fall of 1918, all, with the exception of the War Camp Community Service, are continuing their helpful work with the American Expeditionary Forces.

This work is of the greatest value to the troops and is thoroughly appreciated by officers and men. It gives me a great deal of pleasure to testify at this time to the value of their services. I sincerely hope that the amounts so generously subscribed during the last campaign for funds will be paid in so that the work of these societies with the Army in France may be continued to the end.

Sincerely yours,
JOHN J. PERSHING.

NOTE—The War Camp Community Service has, from the outset, concentrated its efforts in encampment cities in this country.

OBITUARY.

MRS. GEO. E. THOMPSON.
The untimely death of Mrs. Geo. E. Thompson, which occurred on June 27th, 1919, not only brought sorrow to her relatives and friends, but cast a gloom over the entire community.

She loved to attend church, and was one of its best workers in every way possible. She was a faithful worker in Sunday school, a teacher of the primary class, and beloved by the children and church.

She had a kind, liberal heart and a missionary spirit, in sympathy with the entire work of the association.

Therefore, we, the members of the W. M. S. of Long Branch Baptist church, offer the following resolutions in her memory:

1. That the Sanbeams have suffered a very great loss in the "home going" of its consecrated leader.

2. That we are thankful for her example of Christian character, for her meek and gentle spirit, for her calm and beautiful life of faith and trust in her Master.

3. That we extend to her loved ones our deepest sympathy, and that the great loss may be overruled for good by Him who doeth all things well.

4. That a copy of these resolutions be sent to her husband, a copy to The Robesonian, and a copy be placed on the minutes of our society.

"Be ye also ready; for in such an hour as ye think not the Son of Man cometh."

MRS. W. J. BRITT,

Are You One of Them?
There are a great many people who would be very much benefited by taking Chamberlain's Tablets for

a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my

stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.

There are pleasanter things than carrying a basket

And more profitable things, too.

Carrying a basket uses up your energy, takes time and spoils your temper. And it's entirely unnecessary.

We do not ask you to carry home your groceries. We believe that we can perform this service for you cheaper and better than you can do it for yourself.

And our growing business is proof that hundreds of housewives in this community feel the same way about it.

Why not let us shoulder your marketing burdens?

We'll tell you what things are good and you can trust us too, because you can understand how dangerous it would be for us to advise you to buy something you wouldn't like.

When we recommend Ryzon Baking Powder therefore, you can rest assured we know it will please you.

It will do anything baking powder will do and it's fairly priced, 40 cents for a full pound tin.

We also recommend Teteleys Tea.
