# AWhaleofaSale 

On account of installing an up-to-date meat market we are going to reduce our stock of fresh, fancy and heavy Groceries from $\$ 6,000.00$ to $\$ 2,000.00$ in three days and we are positively going to sell "Good Eats" on Tuesday, Wednesday, Thursday and Friday August 26th, 27th, 28th, and 29th at astonishingly low prices, sacrificing this large and select stock of groceries in order to make room for our fresh meat department.

This is a rare opportunity to stock your pantry during this unusual sale at these extremely low prices.
Everything sold for spot cash, nothing charged to anyone and nothing delivered at these prices.
Don't overlook the dates as these low prices will only be in effect on the four days mentioned. We could dispose of this surplus stock to wholesalers at more money but we are going to give YOU the advantage of the only exclusive grocery sale ever pulled off in Lumberton.

To give you an idea of what we are going to do, we give you below a few of the sale prices:
