CONVALESCENTS BUILD UP ON PEPTO-MANGAN

Increases the Supply of Rich Red Blood—Restores Strength and Vigor.

Physicians Recommend It.

Sold in Liquid and Tablet Form—The Name "Gude's" the Guide to Genuine Pepto-Mangan.

A serious illness such as influenza or other infectious disease always leaves the body with low vitality, lack of strength, and impoverished blood. Gude's Pepto-Mangan aids convalescents to a quick recovery, for it creates a generous supply of rich, red blood and restores the body to its normal, healthy condition.

That's why physicians recommend Pepto-Mangan, for they know that it imparts to the blood the material so sorely needed by weak, run-down systems.

Pale, sallow, thin, easily-exhausted men and women find that Pepto-Mangan builds them up wonderfully. A new supply of rich, red blood is created, which in turn imparts the glow of health to the cheeks, increases the appetite, the eyes sparkle, the entire system takes a new lease on life.

Pepto-Mangan is obtainable in liquid or tablet form, whichever proves most convenient. Both forms possess identical medicinal qualities.

There is but one genuine Pepto-Mangan and that is "Gude's." Ask your druggist for "Gude's" and look for the name "Gude's" on the package. If it is not there, it is not Pepto-Mangan.

T. B. Eldridge Named Mayor of Raleigh.

T. B. Eldridge, proof-reader for a local printing concern, Monday was named mayor of Raleigh to succeed the late James Iredell Johnson.

Mayor Eldridge was elected by the commissioners after several weeks of waiting and much discussion of the situation. The two commissioners have been at loggerheads over the new mayor and Mr. Eldridge was the compromise candidate.

He is a man of about 60 years of age and has been mayor of Lexington and Graham. He has been in Raleigh for a number of years and during that time he has been connected with different printing concerns as proof reader. He was at one time editor of the Lexington Dispatch.

A. W. McLean One of Speakers.

Raleigh News and Observer.

Four more days will find men and women from different sections of the State in Raleigh for the annual meetings of the State Literary and Historical association, the North Carolina Folk-Lore society and the North Carolina Library association. The first two organizations will be in session at the same time, November 20 and 21, while the Library association will meet November 19 and 20.

The features of the Literary and Historical association will be addresses by Hon. A. W. McLean, Hon. W. A. Dunning, of Columbia university, and Brig.-Gen. Lawrence D. Tyson. The annual address by President James Sprunt will be delivered at the first session, Thursday evening.

PET CORNS

Few Drops of "Freezone," Then Lift Corn Right Off

A tiny bottle of "Freezone" costs so little at any drug store; apply a few drops upon any corn or callus. Instantly it stops hurting, then shortly you life tha, bothersome corn or callus right off with your fingers. Truly. No humbug!

A Barrel of Potatoes; Value \$40.

Laurinburg Exchange.
A man delivered a barrel of sweet potatoes at the local express office Monday for shipment to a point in Missouri. The agent asked him the estimated value of his package and he placed it at \$40.00, which is some price for the tubers. The barrel was an ordinary 196-lb. flour affair, and counting the 'taters' as good-sized fellows they would average from 25 to 50 cents each. But the agent says since they are going to Missouri, he is right from the Middle of the state of mules and refuses to believe it. Do you?

Methodist Preacher Assists in Capture of Blockader.

Wilmington Star.
The death knell of blockading and blockaders in the depths of Green Swamp in the hinterland of Brunswick county has perhaps been sounded. The last of the Bozemans, the father and chief of them all, was arrested yesterday by Deputy Marshal A. B. West, with the assistance of Rev. Mr. Roof, pastor of the Methodist church at Little River, S. C., who, seeing the imminent defeat of the pursuing officials stepped into the breach and assisted them in the capture of J. P. Bozeman.

HAPPY CHILDHOOD

Childhood days are happy days to the robust child; they are intended to be days of growth.

SCOTT'S EMULSION

brings to a child that is not thriving, power that sustains strength—substance that determines growth. Scott's is concentrated tonic-nourishment which is readily assimilated and transmuted into strength.

Give Scott's Emulsion to growing children often.

The exclusive grade of cod-liver oil used in Scott's Emulsion is the famous "S. & B. Process," made in Norway and refined in our own American Laboratories. It is a guarantee of purity and palatability unsurpassed.
