THE PASSING SHOW

BY M. MONTE. Diogenes with his lantern was peering around the corners. "Hey! old scout", yelled the inquisitive one, "still searching for an honest man?" Diogenes shook his head in a disconsolate way. "Nay, son, I've a harder job. I am looking for a man who did not break the Hindenburg line." Once again a new political party is enjoying birth pangs. We have had them before, and their bones are strewn along the byways of the years. Camels, bull moose, and a variety of animals have been discredited thereby, only the elephant and donkey have survived under the loads placed upon them. But after all is said, nothing political has happened quite so hopeless as the new promulgation in the windy city. If I were asked, I should suggest the Hyena as a most fitting figure head. In the words of the Honorable Mr. Titmouse, this new aggregation is in favor of everything, for everybody, except the man who has as much as a quarter in his pocket. Toward a gentleman of such wealth, the new party will look askance. They will outbolshevik the vikiest of albolshheviks, and as to mere soviets, why they are just not in it.

SCOTLAND COUNTY HIGHWAY ASSOCIATION WANTS RESULTS.

The Scotland County Highway Association, at a meeting in Laurinburg on Nov. 21, passed resolutions in which the "present deplorable condition" of the roads of the county was mentioned, the road commissioners of the several townships were requested to take some definite action immediately, and the county was requested to employ an experienced road man for the county to co-operate with the road superintendents and supervise the work in the townships.

and "employ the necessary labor to construct and maintain roads in good condition, even if this requires an additional tax levy."

WHAT ARE YOU DOING WITH YOUR MONEY? SAVING OR SPENDING?

Now is the time to save, now in this time of plenty, when the South is now getting a fair price for its products. Are you going to lay aside out of your earnings a reserve fund for hard times? Or are you going to throw your money, buy high priced autos etc, and next spring go and make your annual crop-lien for your fertilizers and supplies? Answer these questions fairly and honestly in your mind, and be you ashamed if you find yourself compelled to admit that you are among the spendthrifts and not among those that are making and saving. We cordially invite all our friends and neighbors to use this Bank to lay aside their "Rainy Day" money in, and we offer to you every inducement offered by the best of Banks.
