TIME TO FILE INCOME TAX RETURNS FOR 1919

State Has Been Divided Into 10 Divisions—Reports Should Be Filed Without Delay.

Raleigh, Jan. 23.—It is now time for the income tax returns for the year 1919 to be filed, and within a few days forms for this purpose will be in the hands of all corporations and individuals who have heretofore filed returns. Those who are liable to file returns and do not receive a form should make application at once for forms upon which to make their returns.

The State has recently been divided into ten divisions, with an office established in each division, in order to bring closer together the taxpayer and the collector's office. The divisions in North Carolina are as follows:

Asheville, H. A. Love, chief—counties of Buncombe, Madison, Henderson, Polk, Transylvania, Haywood, Jackson, Swain, Cherokee, Clay, Graham, Macon.

Charlotte, P. G. Kiser, chief—counties of Mecklenburg, Cabarrus, Anson, Richmond, Union, Gaston, Lincoln, Cleveland, Rutherford.

Greensboro, W. R. Platt, chief—counties of Guilford, Caswell, Rockingham, Alamance, Orange, Davidson, Montgomery, Randolph.

New Bern, W. T. Woodley, chief—counties of Carteret, Craven, Jones, Onslow, Pamlico, Greene, Lenoir, Wayne.

Raleigh, A. E. Beddingfield, chief—counties of Franklin, Wake, Granville, Vance, Warren, Durham, Person, Johnston, Chatham, Lee, Moore, Cumberland, Hoke, Harnett.

Rocky Mount, W. S. Moye, chief—counties of Edgecombe, Nash, Wilson, Halifax, Northampton, Bertie, Gates, Hertford.

Statesville, C. H. Haynes, chief—counties of Alexander, Iredell, Rowan, Stanley, Burke, Caldwell, Catawba, Avery, McDowell, Watauga, Yancey, Mitchell.

Washington, W. C. Rodman, chief—counties of Beaufort, Hyde, Martin, Pitt, Chowan, Perquimans, Tyrrell, Washington, Camden, Currituck, Dare, Pasquotank.

Wilmington, W. A. McGowan, acting chief—counties of Brunswick, New Hanover, Pender, Robeson, Scotland, Bladen, Columbus, Duplin, Sampson, Winston-Salem, N. L. Cranford, chief—counties of Davie, Forsyth, Yadkin, Stokes, Surry, Alleghany, Ash, Wilkes.

It is desired by the Collector of Internal Revenue that every person wishing information concerning the making of reports and the payment of tax should first communicate with the division office in the division in which he lives.

If the results obtained from the division office are not satisfactory, the taxpayer may then deal directly with the Collector's office at Raleigh.

The response to inquiries, however, and such information as can be furnished by the division offices will be more quickly received than from the collector's office, owing to the rush and confusion during the report-filing period.

All reports for the calendar year ending December 31st, 1919, are required, by law, to be filed on or before

'SYRUP OF FIGS' IS LAXATIVE FOR CHILD

Look at Tongue! Remove Poisons From Stomach, Liver and Bowels.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear. Mother! You must say "California."

before March 15th. It is suggested, however, that the taxpayers do not wait until the last days to file their reports, as immediate attention will insure them more satisfactory results, because of the confusion that is bound to exist during the last few days of the filing period.

There must be paid, when the return is filed, at least one-fourth of the amount of tax shown to be due thereon. Full payment, however, will be appreciated, as it eliminates that much of detail work in the collector's office, possible errors and much annoyance to the taxpayer.

All payments of taxes should be made by check, post office or express money order, and payable to J. W. Bailey, Collector. Any one giving a check made payable otherwise does so at his own risk, as the collector has stated he will not be responsible for checks or other remittances not made payable to him, as collector.

During the filing period there will be a deputy collector in practically every vicinity in North Carolina, certainly within reach of all persons having to make a return.

GOVERNOR APPEALS FOR ARMY ENLISTMENT

Recommends Service To Youth of State in Need of Common School Education.

Cooperating with Lieutenant Colonel C. S. Floyd, in charge of army recruiting forces in North Carolina, Governor Bickett has issued an appeal "recommending a period of service in the United States army to the youth of North Carolina."

"Whereas: We should consider our army as a part of us, and not as a thing apart; and

"Whereas: Our army is our safeguard against domestic and external violence; and

"Whereas: The Congress of the United States has wisely appropriated funds for the vocational training of our soldiers; and

"Whereas: There have been established schools in 117 camps, post and stations of our army; and

"Whereas: The physical development, the education and the vocational training afforded by our army will promote good citizenship;

"Therefore: I heartily recommend a period of service in the United States Army to the youth of North Carolina, and especially to young men in need of a common school education or of training in some vocation that will enable them to make a better living than they are now making. I hereunto affix my hand and seal. (Signed) "T. W. BICKETT, Governor of North Carolina."

The Best Cough Medicine.

When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Coburn, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever known."

The Fullness of Our ...Day...

"When every farmer in the South shall eat bread from his own fields and meat from his own pastures and disturbed by no creditor, and enslaved by no debt, shall sit amid his teeming gardens, and orchards, and vineyards, and dairies, and barnyards, pitching his crops in his own wisdom and growing them in independence, making cotton his clean surplus, and selling it in his own time, and in his chosen market, and not at master's bidding—getting his pay in cash and not in a receipted mortgage that discharges his debt, but does not restore his freedom—then shall be breaking the fullness of our day."
—HENRY W. GRADY, 1888

We know of no better ideal for our friends to strive for than to attain the position expressed in this great hope of Henry W. Grady. To our friends we offer help to aid them to establish their business on a cash basis. We have a new plan for our Farmers for 1920 and ask that they call in and talk over this plan with us.
