You Are Good as You Want to Be. Most of us are as good as we want, to be. We say that we want to be better men and women and lead good Christian lives but we do not really want to unless we have that desire that prompts us to do so. The preacher termed only a wish and a desire as two different things. We may wish to sing well but unless we have that and county off cials: desire that causes us to work till we can sing well, we really do not wish to sing. Maxton Claims Mistake in Population Figures.

A mistake of 200 was made in Maxton's population figures as announced by the census bureau, according to Mr. Carpenter, who was Thursday night to hear Mr. Morrison. It is thought that a "3" was mistaken for a "5" in the report, and it is claimed that the figures should be 1,597 instead of 1,397, a gain of 276, or about 20 per cent., instead of only
