

**ROWLAND SCHOOL FINALS.**

"Cam" Morrison Will Deliver Address Friday—Other Exercises. Correspondence of The Robesonian. Rowland, May 15.—On Friday at 11 a. m. the address before graduates will be delivered by the able lawyer eloquent speaker and candidate for Governor, Hon. Cameron Morrison. At 3 p. m. he will deliver a political address before the people in behalf of his campaign. Rowland feels very fortunate in securing the services of this eloquent orator at this time of his campaign. All are invited to hear him at the morning and afternoon hours. Friday at 8:15 p. m. the annual re-

citation and declamation contest takes place. The sermon will be preached Sunday at 11 a. m. by Dr. Oscar Haywood of Mt. Gilead, a gifted speaker. For several years he was pastor of a large church in New York city, and is remembered by many people here since he conducted a revival in our midst. Class day exercises will be held Monday at 8:15 p. m. Perhaps Rowland sends out a larger class of graduates this time than in many years—1 boys and 11 girls. Mr. H. E. Stacy and Supt. J. R. Poole of Lumberton have consented to be present, the former to deliver diplomas and the latter the

medals. All are invited to be present at each exercises of commencement, which ends a very prosperous school year. **666 cures Malaria, Chills and Fever, Bilious Fever, Colds and LaGrippe. It kills the parasite that causes the fever. It is a splendid laxative and general Tonic.—Adv.**

**VALUES IT MORE THAN A FORTUNE**

**Power Gains Eighteen Pounds—Rheumatism Disappears After Taking Tanlac.**

"What Tanlac has done for me is worth more than a fortune," said George Power, of 20 1-2 Rottenberg St., a life-long resident of Halifax, Nova Scotia, and well-known employe of the Nova Scotia Tram and Power Co. "I have gained eighteen pounds and feel better than for twenty-eight long years," he continued. "I don't believe anybody in the world suffered from rheumatism as bad as I did. It was a sharp, shooting pain that would go through my knees, down my legs and into my ankles just like somebody was sticking a knife through me. I couldn't work at all in damp weather and suffered so intensely I would turn white as a sheet. When the attacks came on I wouldn't be able to sleep a wink, my joints would swell and my knees would get stiff as boards and I wouldn't be able to walk for two or three days at a time—just lay up in bed flat on my back."

that I tried it and now I wouldn't take anything in the world for the good it has done me. My rheumatism is entirely gone, my appetite has picked up, too, and I sleep fine every night, and feel like a different man altogether. Tanlac is the greatest thing I have ever seen and I want to let everybody know what this wonderful medicine will do."

Tanlac is sold in Lumberton by J. D. McMillan & Son, Pope Drug Co.; in Barnesville by W. C. Walters; in Elrod by J. E. Bridges; in Lowe by L. E. Tyner & Son. **St. Pauls Beats Parkton.** St. Pauls, May 13.—St. Pauls defeated Parkton today in the second game of the series by the score of 10 to 1. Features of the game were the pitching of Cole, who struck out nineteen men, and the catching of Lyon. The entire St. Pauls team played a strong game and hit hard when hits were needed. Canady of Parkton pitched a better game than the score indicates. Census statistics made public since the last issue of The Robesonian include: Mount Airy, N. C., 4,752; increase 908, or 23.6 per cent. Mr. Elias Collins of R. 1, Orrum, was among the visitors in town Saturday.

Lafayette Mutual Life Insurance Company, Lumberton, North Carolina.

Gentlemen:

Accept my many thanks for your check for \$5,000.00 in settlement of the Death Claim under policies numbers 5879 and 5906 issued on the life of my father, JOHN P. FLOYD, deceased.

The promptness that you have displayed in making settlement of this claim is appreciated, and I shall cheerfully recommend the LAFAYETTE MUTUAL POLICIES to anyone desiring Life Insurance protection.

With best wishes for the success of your good Company, I remain,

Very sincerely,

J. STRONG FLOYD, Beneficiary.

**CITIZENS OF ROBESON COUNTY**

**Are you Interested in Taxation?**

**Read Cameron Morrison's Position About Taxes**

Knowing that the people of Robeson County are deeply interested in taxes and as I have asked you to support me in my campaign for the nomination for Governor of North Carolina, I believe you are entitled to know my position on the taxation question. My views now and the position I shall take if nominated, are, briefly as follows:

1. The Revaluation Act is a temporary relief measure and should not be made permanent in this State.
2. The State should levy no tax on property, real or personal for State purposes, but should raise its revenue from income taxes, inheritance taxes, privilege taxes, licenses, etc. Taxes on property, real and personal, should only be levied by the counties and towns in which the property is situated. Each county should place the value on its own land as it has done in the past, and make only a sufficient levy to raise enough taxes on the property situated in the county to pay the necessary local expenses, such as schools, administration of county affairs, etc. In this way each county would do its own taxing, and valuing property and fix the rate of taxation on land and personal property.

In other words, Robeson county would attend to taxing its own property and the tax commission at Raleigh would have nothing to do with the fixing of the value of Robeson County lands. As I stated in my recent speech, "I do not believe the Democrats of North Carolina favor giving all rights of taxation into the hands of the few men in Raleigh, for the people do not want the bridle of taxation put on them by a high-riding set in the capitol, who will drive them at their own pace." "Local taxation is a local matter and should be handled locally."

I am in favor of the Democratic party demanding that the unpaid part of the war debt be spread over the life of at least one generation, and thus lessen the burden of taxation to pay the enormous cost of the war. I do not believe that those who have borne the suffering and burden of the war should pay all the cost of it, but that it should be spread over a period of thirty or forty years, and this plan would relieve the high cost of living more than anything that could be fairly and safely done.

I know the people of Robeson County, having been born and raised in an adjoining county and having often visited among you, I therefore feel that I am well prepared to understand your needs. It shall be my pleasure to help you, if I am elected Governor.

Yours very truly,

**CAMERON MORRISON**
