

**The Best Town of 6,000 Population.**  
To the Editor of The Robesonian.  
Having visited a large proportion of the towns of the State, I have for the past two years been conscientiously referring to Lumberton as "the best town of 6,000 population" I have seen. Now I'm informed that Lumberton has much less than the number of people I've named. However, I can ease my conscience of any pang of regret by realizing that the average Robesonian is equal to at least three of the denizens of some places I've been.

**J. T. NORSWORTHY.**  
Gastonia, N. C., May 14, 1920.  
(Brother Norsworthy, who is pleasantly remembered here, need not change his estimate nor hunt for my balm for his conscience. Taking in the suburbs which properly form a part of Lumberton, the population is easily 6,000.—Editor.)

Levi P. Morton, former Vice President of the United States and former Governor of New York State, died at his home, Ellerslie, Rhinebeck-on-the-Hudson, N. Y., Sunday night on the ninety-sixth anniversary of his birth.

The word has been passed that women's skirts will be longer next fall and that prices will be higher.

**GREAT MASS OF PROOF.**

**Reports of 50,000 Cases of Kidney Trouble, Some of Them Lumberton Cases.**  
Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 50,000 recommendations. Lumberton is no exception. Here is one of the Lumberton cases. Ask your neighbor!

**J. T. Bullard**, retired farmer, 512 Second St., Lumberton, says: "I was down with my back a few years ago and suffered a good deal. My back seemed to ache all the time and bothered me when I bent over. I don't know what brought on this trouble, but I felt all run down, and so tired I could hardly move. I got dizzy and often could hardly stand. Black specks floated before my eyes, blurring my sight. Mornings I felt tired and lame, and my kidneys were in pretty bad shape. Finally I got a supply of Doan's Kidney Pills at the Pope Drug Co., and after I had taken about three boxes my trouble was entirely gone. I haven't had a return of this trouble since Doan's cured me."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bullard had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**Fires of Sectionalism Break Out in Congress.**

The fires of sectionalism flared up in the House of Congress Tuesday when Representative M. B. Madden of Illinois rejected a charge he made last Saturday that Lee, Jackson and other Confederates were "traitors." He first made the statement when Representative Upshaw of Georgia protested because the names of Lee and other Confederate leaders had been left off the amphitheatre just completed at Washington in honor of heroes of all wars of the United States. Major Stedman of North Carolina pointed out that the courage and sincerity of the Confederate soldier was never questioned by his brave opponents, that Lee, Jackson and other great leaders of the South have been honored in every land where patriotism heroism has a home, and that Madden "stands isolated and alone in a wilderness of his own creation where he will find neither renown nor happiness." Madden reiterated his charge and some Southern Representatives shouted "You're a liar."

**Regular Habits Produce a Beautiful Complexion**

Daily elimination rids the system of poisons. Women should realize that!

**M**ANY women complain daily of their complexion, of their headaches and general ill health, little realizing that the trouble is constipation. Women, too, are much more subject to such congestion than men, and much more careless of it. The result is seen in lusterless, weary eyes, in sallow, pimply complexion, in lassitude, bad breath, and in that word so often used, "indisposed."

At the first sign of these symptoms the wise woman will take a laxative, and will see that the young girl and others in her care do likewise. Dr. Caldwell's Syrup Pepsin is the favorite with thousands of women because it is mild and gentle in its action and in the end trains the stomach and bowel muscles to do their work naturally without the aid of medicine.

that make it advisable to always have a bottle in the home. It is free from narcotics and safe for the tiniest baby.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

This combination of simple laxative herbs with pepsin, which can be bought at any drug store, is also a very sterling first-aid in colds, fevers and other sudden ills
