THE UNIVERSAL CAR REDUCTION IN PRICES OF FORD PRODUCTS

THE WAR IS OVER AND THE WAR PRICES MUST GO.

Effective at once Ford Cars, Trucks and Tractors will be sold F. O. B. Detroit at the following prices.

Runabout without Starter	\$395.00	Coupe with Starter and Demountable Rims	\$745.00
Runabout with Starter	\$465.00	Sedan with Starter and Demountable Rims	\$795.00
Touring without Starter	\$440.00	Trucks with Pneumatic Tires	\$545.00
Touring with Starter	\$510.00		
Chassis	\$360.00		
Fordson Tractor \$790.00			

The Ford Motor Company makes this reduction in the face of the fact that they have on hand immediate orders for 146,065 Cars and Tractors. The Company will suffer a temporary loss while using up material bought at higher prices, but they are willing to make a sacrifice in order to bring business back to a going down as quickly as possible and maintain the momentum of the buying power of the country.

Henry Ford says: "The war is over and it is time war prices were over. There is no sense or wisdom in trying to maintain an artificial standard of values. For the best interest of all it is time a real particular effort was made to bring the business of the country down to regular pre-war standards. We are at your command with regular FORD EFFICIENCY in service and eagerness to fill your orders."
