Parkton Letter

A Good Minstrel Show—Church Notes—Baseball—Personal Mention.

By C. D. Williamson.

Parkton, April 27.—The minstrel given on last Friday night was well attended and much enjoyed. Door receipts a little more than \$28, which goes to the athletics. The acting and singing were good; in fact, not a dull moment passed. Every act brought forth much applause. The professor was the real star. No school would be disappointed with this entertainment.

Last Sunday was a great day at the M. E. church. While the expected speakers did not come, the pastor Rev. W. L. Mance, preached an able sermon, holding his large congregation spellbound for 45 minutes. The singing by the choir was inspiring and at the conclusion of the services a splendid male quartette was enjoyed as follows: Hutson, 1st tenor; Jenerigan, 2nd tenor; Hines, 1st bass; Gainey, 2nd bass. The pastor publicly thanked the Ladies' Aid society for inclosing a nice new elevated choir, stating that he hoped it would cause much more interest to be taken in the choir. Really it is a wonder we have done without it thus far.

Rev. J. K. Hall attended Presbytery at Carthage last week reporting a splendid presbytery and a good time. He also filled his regular appointment here at the Presbyterian church Sunday morning and at night.

Mr. B. A. McDonald spent a part of last week in New York on professional business, returning Sunday.

Miss Nettie Britt of Buie spent the week-end with her sister and brother-in-law, Mr. and Mrs. J. Q. Parnell.

Mr. and Mrs. T. E. Hall of Fayetteville spent the week-end with their mother-in-law and sister, Mr. and Mrs. G. W. McLean on R. 1.

Mrs. Ham and daughter of Mullins, S. C., spent last week at the home of Mr. and Mrs. A. J. Garris, Mrs. Garris is a sister of Mrs. Ham.

Mr. J. A. Johnson of St. Pauls was a caller in town tonight.

A number of our young folks went down to Flora McDonald last night.

We regret to report Mr. Vance McMillan entertaining mumps this week.

The high school nine went over to Maxton Friday p. m. for a game of ball, but as the school failed to have a team the town team played the boys and it is said it was a fine game. Maxton won 3 to 2. This week Maxton is expected up here; also Red Springs. Our school has a splendid line-up and can make it interesting for most any high school team, having won from Fayetteville and Lumberton last week.

Mr. John Ferguson, who holds a position as mechanic at the Hughes-Powell garage, attended the "Womanless wedding" at St. Pauls last night and reports one of the liveliest times of the season; says the house was crowded and fun a plenty.

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys if Bladder Bothers You.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

For baby's group, Willie's daily cuts and brushes mother's sore throat. Grandma's "bunions"—Dr. Thomas' Eclectic Oil the household remedy. 30c and 60c.

St. Pauls News

Baseball Team is Doing Some Real Playing—Social and Personal Items Correspondence of The Robesonian.

St. Pauls, Apr. 27.—Miss Mable McDonald spent the week-end with her parents, Mr. and Mrs. A. I. McDonald.

Mr. and Mrs. Forest Lackey from Aberdeen spent the week-end with Mr. Lackey's parents, Mr. and Mrs. J. F. Lackey, on Main street.

Mr. Norman Drum arrived Sunday from Newton to be with Mrs. Drum at the home of the latter's parents, Mr. and Mrs. R. B. Humphrey, for a few days.

Miss Clara McDonald returned last week to her home on Armstrong street, her school having closed.

Mrs. Holland spent Monday in Lumberton shopping.

Miss Cleve Martin is visiting her sister Mrs. Hollingsworth, in Fayetteville.

Misses Beth Terry, Elizabeth McDonald, Ethel Harris and Mr. Mitchell Epstein spent Tuesday afternoon in Lumberton shopping.

Mr. and Mrs. Smith Niven returned to Morven Tuesday after spending the week-end with Mrs. Niven's aunt, Mrs. Ada Dunn.

Mrs. W. D. Johnson charmingly and delightfully entertained her Sunday school class at her home on Main street Tuesday from 4 to 6 in honor of Misses Annie Jones, Florabel McGoogan and Elizabeth Hartman, who are also members of her class, Misses Jones and McGoogan being seniors from the high school and Miss Hartman senior in high school music.

After playing several interesting games they were led into the dining room, where refreshments were served.

Miss Bessie McLeod, 7th grade teacher, entertained her class Tuesday evening at the home of little Miss Marguerite Holland, on Main street. They played games, had guessing contests, which they enjoyed thoroughly, and then ice cream and cake were served.

The high school seniors and teachers went on a "hay ride" Tuesday night to Arduless. After they had strolled around and explored every nook and corner, as has been done year after year, they enjoyed the lunch which was spread in picnic fashion, and motored on to Fayetteville to take in the movies.

Mrs. G. R. Thaggard, Mrs. Alfred McCormac and Mrs. J. M. Butler entertained the teachers Tuesday evening at the home of Mrs. Butler on Blue street. The refreshments consisted of sandwiches and tea.

Our baseball team is beginning to do real playing. On last Wednesday it played Red Springs, the score being 2 to 3 in favor of Red Springs. Friday it crossed bats with Lumber Bride winning by 3 points. Tuesday it played Lumberton high school team, the score being 9 to 4 in favor of St. Pauls.

The St. Pauls mill team played East Lumberton Saturday, score 6 to 7 favor of St. Pauls.

Miss Mary Humphrey and friends spent Monday night with Miss Carrie Edmund at Saddle Tree.

Mr. Gregory Allen from Washington, D. C., is spending a few days with his parents, Mr. and Mrs. Joe Allen.

Messrs. Frank Caudle and L. A. Lentz went to Wilmington Monday on business.

Mr. and Mrs. Norman Drum and Miss Pearl Humphrey left Wednesday for Dunn, where they will visit their sister Mrs. Balance.

"WAR ON HUNGER" IS LECTURE TOPIC

George L. McNutt to Give Notable Address.

Well-Known "Dinner Pail" Man Coming on Redpath Chautauqua Program.

"The War on Hunger" will be the subject of the vital lecture to be delivered at the coming Redpath Chautauqua by George L. McNutt. This will be an address which cannot fail to interest everyone.

George L. McNutt, widely known as "The Dinner Pail Man," has investi-

gated industrial, social and economic conditions at first hand, and in consequence he presents a stirring, informative lecture which is thoroughly entertaining as well. He presents his facts with originality, with a freshness of viewpoint and with an eloquence that make his ideas "stick."

Mr. McNutt's lecture will be one of the highlights of the Chautauqua.

In Lumberton, May 5 to 10.

OBJECTIVE OF CHRISTIAN EDUCATION MOVEMENT

Grand Financial Objective is \$33,000,000—Another Important Objective is Securing Recruits for Christian Service.

Nashville, Tenn. (Special)—The Christian Education movement of the Methodist Episcopal Church, South, will, between May 29 and June 5, offer an opportunity to every Methodist in this section to give freely to the cause of education. The grand financial objective of the Southern Methodist Church, is \$33,000,000.

Another important objective is securing recruits for Christian service. It is said that of the 17,000 churches in the Southern Methodist Church, at least 2,000 local churches are without regular preachers.

According to Dr. R. H. Bennett, secretary of life service "one of the tasks of the Christian Education movement is to secure Christian service. It proposes to raise a large fund for their education and training. It will equip Church schools, to receive them, a thing which cannot be done now on account of crowded conditions. Then these little churches which are now closed will become dynamis of spiritual life and centers of community service."

Director General J. H. Reynolds, of the Christian Education movement, is responsible for the statement that there are 27,000,000 Protestant children and young people in America who receive no religious training of any kind. "Three out of five Protestant children receive no instruction whatever," says Dr. Reynolds. "In our attitude of indifference to the religious instruction of the young, we are sowing the seeds of national decay." "The Christian education movement," continues Dr. Reynolds, "will remedy this by putting a strong department of Bible and religious education in all of our colleges, so that these institutions may send back to the local churches, a constantly growing stream of young men and women trained in the principles and methods of religious education and of applied Christianity."

The Methodist Episcopal Church maintains 91 schools and colleges which will benefit by the big educational fund to be raised by that denomination.

CROP ACREAGE REQUIRED

All Farmers Are to Report Acres of Each Crop to Tax-Lister This Year.

The State Department of Agriculture announces that all farmers are to report the acres of each crop to the tax lister this year. This is not for taxation, but for the annual crop census survey that was provided for by the last legislature. This information will be compiled by the counties, and not released until next January, when it will be in time for the farmers to use in aiding their plans for the 1922 crops.

It is important that each farmer prepare a list of his crops and have ready for listing, as it will save time and confusion later. This census puts North Carolina in the efficiency class of the most progressive farming states.

Each farmer should prepare a list like the following and fill in with the number of acres planted or intended, under each item. Fractions of acres should be given on small field crops. The total size of the farm including woods, etc., is essential. Total land—; cultivated—; corn—; cotton—; tobacco—; Irish potatoes—; sweet potatoes—; wheat—; rye or grain—; and hay—; soy beans for grain—; and hay—; clover alfalfa—; all crops cut for hay last year—; all field truck—; home gardens—; number hives of bees—; fruit trees in bearing—; number horses and mules worked—; and total tons commercial fertilizers to be used 1921—.

The wise farmer will prepare both his crop acreage and taxables lists now and alter later if necessary.—Cooperative Crop Reporting Service, (U. S.—N. C.) Departments of Agriculture. Frank Parker, Agricultural Statistician.

SOUR STOMACH INDIGESTION

Theford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.—The efficacy of Theford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver."

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr. Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Theford's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Theford's. E.S.

SURVEY OF FARM CONDITIONS

War Profiteers Should be Made to Pay Burdens of Taxation—Farmers Have Lost Seven Billion Dollars.

Washington—That the farmers of the country have lost seven billion dollars since the depression in the agricultural industry began more than a year ago is one of the statements contained in a review of agricultural conditions by the National Farmers' union. This survey and report, made by the committee on comparative credit extensions of the union, is signed by six officials of the farmer's union representing as many states. The signers are E. L. Harrison, Kentucky, chairman; J. M. Templeton, North Carolina; J. H. Mills, Georgia; O. A. Thomas, Virginia; G. D. Baker, Iowa, and S. W. Brookhart, secretary, Iowa.

Copies of the farm survey, which includes a demand that war profiteers be made to pay the burdens of taxation and that they be not passed on to the public and men who served in the army for \$30 a month, are to be forwarded to President Harding, his cabinet and every member of Congress.

The principal cause of the farm losses, the report says, are: Unnecessary profiteering of middlemen, which includes speculative gambling in farm products.

The arbitrary restriction of credit by the federal reserve system and the holding up of the federal land banks by litigation.

The unreasonable rise in railroad rates.

"All of these causes," says the farmers' organization, "have been created by autocratic power exercised under unjust laws."

"Profiteering and speculation of middlemen is shown by the following facts: the farm is both a producer and consumer. The laborer is both a producer and consumer; each is the principal customer of the products of the other. Yet, out of the dollar which labor pays for the products of the farm the farmer gets only 38 cents. Out of the dollar which the farmer pays for the products of labor, the laborer gets only 35 cents."

Reduce Distribution Cost

"The cost of distribution each way is over 60 cents on the dollar and against this might be cited a cost of less than 10 cents in co-operative Denmark. We cannot reduce distribution to 10 cents in America, but it might be reduced to 20 cents."

"If the farmer seeks to take all of this he will receive no help from the public. If he is willing to co-operate and divide with his consumers, the principal of which is the laboring man, he can add over 50 cents to the price of his products and give a reduction in equal amount to his consumer. In this all labor will gladly join."

On the other hand, the report adds, there should be a saving of 45 cents on the dollar in the distribution of the products of labor, which saving should be divided between labor and the consumer.—Theodore Tiller in Greensboro Daily News.

PAIN GONE! RUB

SORE, RHEUMATIC ACHING JOINTS

Rub Pain Away With a Small Trial Bottle of Old "St. Jacobs Oil."

Stop "dosing" Rheumatism.

It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain and distress. "St. Jacobs Oil" is a harmless rheumatism liniment which never disappears and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia.

Limber up! Get a small trial bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment, you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

For any itching skin trouble, piles, eczema, salt rheum, hives, itch, scald head, herpes, scabies, Doan's Ointment is highly recommended. 60c a box at all stores.

Doctor Prest-O-Lite diagnoses Battery Cases Free

Get that examination NOW!

DRIVE in where you see the Prest-O-Lite Service Station sign and toot your horn. When our man comes out, tell him you think your battery's all right, but you want to be sure.

That's his job—to find out. Don't trust yourself to pass judgment on your battery's fitness. That's a job for men who have made it a study and who have the facilities of the great Prest-O-Lite organization behind them.

When you do need a new battery, you'll be glad to know that Prest-O-Lite is back to pre-war prices and that an allowance will be made on your old battery.

Drive around to the Prest-O-Lite Service Station today. Insure a season of pleasurable driving, free from battery bother and expense. Get that examination NOW.

BATTERY SERVICE COMPANY, LUMBERTON, N. C. ROWLAND BATTERY SERVICE STATION, ROWLAND, N. C.

Uses less than one four-hundredth of its power-reserve for a single start—and the generator quickly replaces that.

Pull up where you see this sign

DID YOU KNOW?

There's no secret about good biscuits!

At least not to the woman who uses Occo-nee-chee Self-Rising Flour. She simply mixes it with milk or water and shortening, pours the batter into the tins and bakes it to a turn. And what light feathery biscuits she sets before her family.

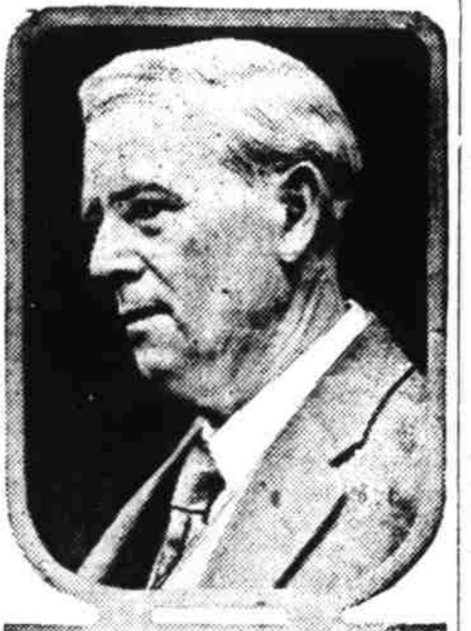

She also makes waffles and hot cakes, the same way. And they are wonderfully tender and good. Her baking never disappoints because she uses flour, baking powder, soda and salt always in exactly the right proportions. They come already mixed in Occo-nee-chee Flour and cost less than when bought separately.

Both seasoned and unexperienced cooks can get the same perfect results from Occo-nee-chee Flour. Order it from your grocer. The Indian Head is on every bag.

AUSTIN-HEATON COMPANY Durham, N. C.

OCCO-NEE-CHEE Self-Rising Flour Takes the Guess out of Baking and Saves you Money

You should ask for Peerless when you want the best plain flour.
