VETERAN RECEIVED EVERY ATTENTION AT COUNTY HOME

The Late James Alexander Hodges Left the Soldiers' Home at Raleigh and Entered Robeson County Home Because He Preferred the Latter—There His Comfort and Well-Being Were Carefully Looked After.

To the Editor of The Robesonian. I would like to say a few words in regard to the veteran Mr. James Alexander Hodges, who died recently at the county home. He was admitted to the county home on June 6th. Having spent a short time in the soldiers' home at Raleigh, he preferred to live in this home.

It is a sad fact that a few of our brave men of the sixties have spent their last days in county homes. I visited him from time to time after I learned he was there, saw him the first day that he was ill, and met Dr. Haldin at his bedside on the third day of his illness and saw him from time to time until the end came. I was also at his funeral.

He had medical attention from the first. I went to see Dr. Haldin about his nourishment, etc. He was in a two-room cottage with porch (in my opinion the most satisfactory plan for a home of this kind). His room was a large one with three windows and door, all screened. The room was clean and in order. His bed was a sanitary iron bed, with very good springs and mattress, also a feather pillow. The sheets were colored, but clean.

I felt that I wanted to do something for him, so took a pillow and cases, sheets and night shirts for him, showing the women who were caring for him how to change the shirts without much worry to patient.

Every time that I visited him the dressings on his face were fresh. I did go down one night and found his screen door opened and a few flies in the room, but they were kept out as near as possible.

I also talked to Mr. E. J. Britt, county attorney, about the case. He told me that Mr. Flowers, the keeper, had instructions to get anything that was needed for the veteran.

I am stating these facts as I know them and to show that everything was done for him that could be at that time, other than in a hospital or under the care of a trained nurse.

MEETING AT ROZIER NO. 2 A GREAT SUCCESS

By Alexander Baxley St. Pauls, R. 1, Aug. 2.—The meeting at Rozier No. 2 was the greatest success of any meeting that I have heard from. Rev. E. G. Willis of Lumberton did the preaching and there were eight precious souls converted and received into the church and sent to Rozier No. 1, prepared for baptism. These eight converts will be baptized next fourth Sunday by Rev. J. M. Fleming.

My dear Sunday school workers, don't be discouraged but push forward the banner of Christ by more prayermeetings and Sunday schools. Please don't listen to any critics, but hold fast to sound works, for if it hadn't been for prayermeetings and Sunday schools, our world would have been today as Sodom and Gomorrah. Preaching the Gospel is a great calling if some preachers only had enough religion to help them to be willing to help somebody else instead of saying hard things about them and about the work they try to do. Sunday school is the highest standard to heavenly vision.

BROAD RIDGE BREEZES.

Series of Meetings—Personal and Other Items.

By Gertrude Britt Broad Ridge (Orrum, R. 1), Aug. 2.—Curing tobacco seems to be the order of the day in this section now. A large crowd from here attended the quarterly at Mt. Elim, Sunday, and report a right enjoyable occasion.

The series of meetings began there Sunday evening with Rev. A. E. Paul of East Lumberton assisting Rev. W. A. Coleman in the meeting. The church was filled to overflowing Sunday night and last night. Prayer services begin at 10:30 in the morning; preaching at 11 o'clock and 7:30 and 8 in the evening. The services will continue throughout the week. Everybody is invited to attend.

Miss Nettie Prigen, of the Smiths section, is spending some time visiting at the home of her brother-in-law and sister, Mr. and Mrs. Frank Britt.

Little Miss Nora Britt of Dunn is visiting at the home of her cousin Miss Pearl Lawson.

Sorry to report Mrs. I. F. Britt seriously ill. Best wishes to all.

LAFAYETTE MUTUAL WILL LAUNCH AGGRESSIVE CAMPAIGN

Excellent Showing Pleases Stockholders—Predict Business Will Grow By Leaps and Bounds—Officers and Directors Elected.

Reported for The Robesonian. On July 11th there assembled in the offices of the LaFayette Mutual Life Insurance company of Lumberton a quorum of the policyholders, who were called together for the purpose of having the annual meeting of the company.

The assets of the company were found to be in first-class condition and in spite of the business condition of the country not being up to par the officials were thoroughly satisfied with the excellent showing of the reserve fund and membership of the company. Officers and directors were elected and a general discussion was entered by those present to promote the interests of the company.

New field men and agents will be sent throughout the State of North Carolina, and in a short time other States will be entered. Every one present admitted there was a vast field for the rebuilding of the company and with new blood and experienced insurance men at the helm, they predict the business will grow by leaps and bounds.

It took almost the entire afternoon to go over and discuss the business of the company, and it was unanimously agreed that an extensive advertising campaign will be waged for the rebuilding of the company. Those present from out of town were well pleased, not only with the excellent condition of the company, but with the cordial hospitality shown by the officials of the company of Lumberton.

The following officers were elected: Emanuel Barrick, president; Hon. Tracey W. Pratt, 1st vice president; Chas. R. Adams, 2nd vice president; E. E. Page, 3rd vice president; I. Morton Adams, secretary; A. P. Page, assistant secretary; Alfred Adams, Jr., treasurer; Joseph W. Held, supervisor of insurance; Jared D. Wolfe, superintendent of agents; Emanuel Barrick, chairman, E. E. Page and K. M. Barnes, executive committee; I. Morton Adams, general counsel; Q. K. Nimocks and Robt. E. Lee, associates.

The following were elected directors: I. Morton Adams, Chas. R. Adams, Emanuel Barrick, Theodore P. Stoll, Jared D. Wolfe, Joseph W. Held and D. M. Yerkes of Philadelphia, Pa.; Dr. Samuel R. Crothers, Chester, Pa.; Tracy W. Pratt, Huntsville, Ala.; Alfred Adams, Jr., Atlantic City, N. J.; K. M. Barnes, E. E. Page, Dr. Thos. F. Costner, R. E. Lee Lumberton, N. C., and Q. K. Nimocks, Fayetteville, N. C.

Where Applications for Victory Medals Should be Sent.

Fort McPherson, Ga., Aug. 5.—Applications for Victory Medals from the following states should in the future, be sent to the Victory Medal Officer, Headquarters Fourth Corps Area, Fort McPherson, Georgia: North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Arkansas, Tennessee.

The reduction in personnel has made it impossible to maintain Victory Medal offices at all points where recruiting offices were formerly located.

The consolidation of all these offices and the necessary work in this connection has resulted in considerable delay in handling some applications. There are also a number of discharges in the possession of the above-named officer which have not been returned to their owners because of improper or incomplete addresses having been furnished.

This office is now prepared to handle all applications promptly and would also like to hear from former service men who have sent their discharges to various Victory Medal offices in the above states and who have failed to receive them.

Remember, all communications should be addressed to the Victory Medal Officer, Headquarters Fourth Corps Area, Fort McPherson, Georgia.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is a sign you have been eating too much meat, which forms uric acid.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

ENCAMPMENT AT CAMP GLENN.

Company L of Parkton Was Highly Complimented for Good Work—The Boys Had a Fine Time in Camp and Were Royally Welcomed Home.

To the Editor of The Robesonian. Will you give me space in the good Robesonian to say just a few words about our encampment at Camp Glenn Morehead City?

We boys had a nice time down there. It was a little warm drilling, but we went down there to drill and came back with a clear conscience that we had stood at the top of the record and that is what we did. Dress parade, seemed to be the order of the day and when there was a dress parade to be pulled off, they always figured on Co. L, from Parkton, to be present and company L was always on the job at all times for anything. And what we are proud of is to know that we stood up the highest in everything we went to do, and the entire regiment was highly complimented for good work while in camp.

Considering the fact that so many of our company had never soldiered before, such a compliment was highly appreciated by company L. Another thing that was highly appreciated by company L was a free trip given by our captain, Mr. B. A. McDonald from Parkton. He gave the company a free trip last Sunday over to Beaufort, which is about four or five miles by water. After staying there a while, we all got back aboard for the beach and pleased around the last Sunday night. So we are due our captain much respect for his kindness towards us while in camp.

We left Camp Glenn Monday morning, July 25. Entrained at 5 o'clock and got to Parkton at 5 o'clock in the afternoon and the good people of Parkton were at the station to welcome the boys home again. When we assembled in the armory we saw the nicest table well filled with supper that we have ever seen at a picnic. It was highly appreciated by the boys.

We boys want to extend our many thanks to the good people of Parkton for good deeds of kindness that they have shown us. It would be impossible for me to tell the mhow well I do appreciate their kindness. When people are good enough to volunteer to take the boys home who live 16 miles away, I say that they are pure in heart. Will close with best wishes to the readers of The Robesonian.

NO TRUTH IN RUMORS.

Rumors Circulated Recently About Whiskey Stills in Maxton Are Branded as Without Foundation.

Recently some wild rumors have been circulated connecting some law-abiding people of Maxton with whiskey stills, Maxton officers also being connected with these rumors. Sheriff R. E. Lewis, hearing some of these rumors and knowing that they could not be true, wrote Mr. W. W. Smith of Maxton suggesting that they ought to be refuted by some responsible party. In reply, Sheriff Lewis received the following:

"Mr. R. E. Lewis, Sheriff, Robeson County, Lumberton, N. C.

"Dear Sir: Your esteemed favor of the 2nd inst., to Mr. W. W. Smith, has been handed me for reply.

"The report to which you refer in this letter that a large copper whiskey still was captured in one of the prominent buildings in Maxton and that a number of prominent citizens, including the local officers, were present, aiding in the operation and owning the still, is a fabrication from the beginning. There has been no whiskey still operated in Maxton, none of our people to whom you refer are interested in any still here or anywhere in any still here or anywhere else. We are law-abiding citizens, sober, industrious, look after not only the affairs of themselves but after the affairs of the community in general, and have the public welfare of our country at heart.

"I am at a loss to know how the report ever started unless by the idle remarks of someone never dreaming that it would spread as it has, or emanating from some evil mind who is desirous of injuring not only our town but individuals personally.

"Should you need the assistance of any of our people to suppress not only the liquor traffic but any other evil or violation of the law that comes up in the county, I am sure you will not find braver, more sober or industrious people than abide here.

"I trust that you may give this letter all the publicity necessary, including handing it to The Robesonian for publication. I am taking the liberty of giving it to the press, including the other county papers.

"With every assurance of my personal regard, I am,

Yours truly, G. B. PATTERSON, Maxton, N. C., Aug. 5, 1921.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.

CHECKERS TOURNAY IN ASHEVILLE AUGUST 16 AND 17

To the Editor of The Robesonian: Please run this as a sport item. Maxton, N. C. H. C. McNAIR.

To All Checker Players The annual meeting and tourney of the Southern Checker Association will be held in Asheville August 16th and 17th. This tourney is open to all and there will be many entries, the only requirements, being that all players be members of the association, for which a small fee is charged.

This is to be a great meet; many church folks gather in and around Asheville at this season of the year, and, as all know, checkers is one game which most preachers enjoy, and a game in which many preachers have acquired considerable skill. Of course all ministers are considered honorary members of the association.

From Georgia quite a number of players are expected including Raymond, of Augusta, former Southern champion; Crenshaw, Evans, LaFoy, Allen, Whitworth, Borders, Woodall, Thurman, Newnan, all expert players. From South Carolina many are expected: Capt. Fishburne, Jackson, Hallman, Styles, Wells, and a host of others. North Carolina will be there by the score, including Robinson, the present champion of the South, Anderson, who recently won the North Carolina championship, MacNair, Elliott, Hill, Sampson, Wilson, Talley, and probably many others.

This is to be a big event in checkers. Make your plans now to attend this meeting and enjoy two days in the land of the sky, in the beautiful city of Asheville.

C. M. ROBINSON, President Southern Checker Association, Lowell, N. C., July 26, 1921.
