## Here's The Story in Black and White:

Just one year ago we staged an unloading sale that was successful beyond our expectations. We led the way to lower prices, we came to the rescue of our friends and customers when they needed the greatest value for their dollar. This is no ordinary sale of odds and ends such as is generally advertised. We value our enviable reputation for square dealing and quality merchandise at fair prices. We made many new friends last year, and we come again **SLAUGHTERING PRICES** to the limit, giving to the people of Robeson and adjoining counties Merchandise of superior quality at prices unheard of in many years. **OUR LOSS IS YOUR GAIN, DON'T MISS THIS CHANCE TO BUY EVERYTHING YOU NEED FOR THE WINTER.
