**THE OLD YEAR HELD MUCH TO BE GRATEFUL FOR**

Some of the Blessings for Which to be Thankful—Country and Town Fellows Need Each Other's Help—Mr. Townsend's Order Approved. By W. H. M. Brown.

Buie, Dec. 22.—The old year is passing out and the new year is fast approaching, and as we look back on the past year, we have much to be grateful for: A fairly good crop year, very good prices, not a great sight of sickness, good seasons to gather in the crops. With these blessings in our county and many more, we should feel thankful in our hearts, to the great and good giver, who bestows all good gifts; and as we look forward to the approaching year, not knowing what may be in store for us, whether famine, sickness, pestilence or death we should put our trust more completely in Him who has promised to never forsake us, or leave us comfortless.

It is always a pleasure for the average countrymen to meet up with the town folks, and find them courteous, and friendly. The country fellows need the help of the town folks; and so it is with the town folks; they need help from the countrymen; and one can hardly get along without the other, and I believe that here in Robeson we have some towns unequalled in the good old North State for their kind hospitality to the visitors that enter within their gates.

It is good to see men stand for the right thing, and when they do this they should always be encouraged, and deserve to be held up in their good understandings. When the Robesonian brought the news that Mr. Townsend intended to put a stop to guards cursing prisoners in the chain gang it received the sanction, I dare say, from the best people throughout the county and elsewhere.

It is not necessary to curse people to make them work, and it should be stopped. I for one rejoice in the fact that Mr. Townsend intends to put a stop to it. Good.

Many good wishes to the editor, his force of helpers in The Robesonian office, and to the readers of The Robesonian. May each one have a Merry Christmas and a Happy New Year.

**King Was Killed by German Shell, It is Believed.**

Verney F. Wells of Wilmington, sergeant in Co. C, 119th Inf., in which outfit Bennie F. King, reported hung without trial, served, declared the other day that there is but little doubt in his mind that King was killed September 29 when he and 2 comrades were struck by a shell from the Germans. Mrs. Oscar Edwards, mother of King, lives in Wilmington and it is said that she believed that her son still lived until R. A. Harrison of Wilmington testified before the Watson Senate committee in Washington the other day that her son had been hanged without trial because he refused to obey the order of a sergeant to clean up a stockade with a toothpick. She had heard various tales about what had become of him.

A Washington dispatch states that the nearly one-third million persons in the postal service handled during the Christmas just passed the largest volume of Christmas mail in history but that the people practiced "mail early for Christmas" and there was not the usual peak load at the last.

Governor Cooper of South Carolina on December 23 extended executive clemency to 31 convicts in the State penitentiary and on various county chain gangs. He issued 6 pardons, 4 for restoration of citizenship, and 25 paroles to 10 white men, 19 negro men, 1 negro woman and 2 whose race is undetermined.

Wortham, 709 Looney Ave., Memphis, Tenn. "For months I had been almost down and out and was about ready to give up when by good luck I started on Tanlac.
