IN SOCIAL CIRCLES

Shower for Bride-to-Be. Special to The Robesonian.

St. Pauls, May 13.—On Thursday afternoon, May 11, from four to five o'clock, Mrs. Talmage S. Teague gave a delightful reception at the tea-charge. The halls, parlor and library were attractively decorated in yellow daisies and ferns. In the parlor a shower of yellow daisies hung from the chandelier.

The guests were met at the front door by Mrs. J. A. McGeachy and Miss Sallie Hughes. Receiving with Mrs. Teague in the parlor were Miss Mary Tiddy, guest of honor, and Miss Margie Russell. After registering the guests were conducted to the punch bowl. Throughout the afternoon strains from the violin played by Mr. Max Schubert and the piano by Miss Wrennie Floyd came from the library. The punch bowl was presided over by Misses Lena Griffin, Chrissie Floyd and Cornelia Steele. Here each guest was provided with a tiny bag of rice.

A few minutes later to the strains of the wedding march came little Louise Teague, daughter of the hostess, pulling an express wagon piled high with packages which she unloaded before Miss Tiddy. Thereupon the guests showered her with rice as well. Then the mysterious packages were opened and the gifts displayed. Numerous and useful miscellaneous articles—linen, kitchen utensils, china and cut glass—were received. These tokens expressed only in a small way the esteem in which the bride-to-be is held. A toast to the bride, written by Mrs. E. C. Murray, was given by Miss Russell. As the many friends who had enjoyed Mrs. Teague's hospitality departed the guest of honor received another shower of rice.

Miss Tiddy has been a popular and efficient teacher in the graded school here for three years. Her engagement to Mr. Lacy John of Lumber Bridge has been recently announced. The wedding will take place June 2 in the Philadelphia Presbyterian church near Red Springs.

Negro Woman Prisoner Gives Herself Coal-Tar Massage and Shampoo. A very peculiar thing occurred in the county jail last night just after dark when a colored woman inmate decided to give herself a massage and shampoo with coal tar. Jailer Prevatt stated that he had left a bucket of coal tar in the jail, after using it for painting the cells. On account of the natural darkness of the woman's complexion the tar made a nice varnish, and it took a long time with kerosene

VOTE FOR SINCLAIR

A man of high character; intelligent and educated; a wise lawyer and safe counselor, of sound judgement and great ability; a strong advocate; an unexcelled Democratic campaigner; kind, sympathetic and just. The undersigned committee of his friends solicit the support of the Democrats of the district for the Honorable Neil Angus Sinclair, a candidate from Cumberland County in the June primaries for Judge of the Superior Court, in the firm belief he is best qualified to continue the fine record made by Judge C. O. Lyon.

Mr. Sinclair is a graduate of the University of North Carolina; was superintendent of the Fayetteville Graded School, before commencing the practice of law in 1890; and was also county superintendent education for six years, and afterwards, chairman of the County Board of Education. In 1905 he was one the leaders in the State Senate. Succeeding Judge Lyon as Solicitor, he retired at the end of his second term, having established an enviable record as a just and vigorous prosecutor during the eight years he held this office. He served during the war as Chairman of the Local Board.

For the past twenty years he has taken an active part in every political campaign, whether a candidate for office, or not—and in 1916 he championed the cause of Woodrow Wilson and his administration from the Tennessee line to the Atlantic, as one of the two Democratic candidates for elector-at-large, receiving the highest vote.

By reason of his eminent fitness and unselfish party work, we commend Mr. Sinclair to the voters as a worthy successor of Judge Lyon.
