LUMBERTON, N. C., THURSDAY, JUNE 29, 1922.

19 Miles Lumberton-Twenty Members Maxton Road Let to Contract Yesterday

Largest Single Contract Yet Let by State Highway Commission—Com-pletion of Project Will Require a Year and Will Cost \$588,625—16 Projects Offered to Contractors

This is the stretch of Toad from the Red Springs-Maxton fork, just beyond McNeill's bridge, 3 miles west of Lumberton, to Maxton. As is now well known, the road from this fork to Lumberton already has been hardsurfaced.

submitted, is \$588,625. The project includes the total Federal aid fund allotted to the Third disrict. Quoting further from the News and Observer:

Bidding on this largest of projects was sharp, with the Hardaway Construction company unsuccessful by a small margin in several large pro-jects let, in recent months the prospective low man. A big Chicago paving company, J. O. Hayworth & Co., appeared unexpectedly on the scene pletion of the project will require a three gates"-Revelation 21:13.

miles of hard surfaced roads.

Sixteen projects offered to contractors yesterday for 55 miles of hard surfaced and 81 miles of gravel road brought an aggregate bid of \$2,203,031.80, and the total obligation for the 740 miles let to contract since January 1 to \$12,304,810.37.
The schievement is declared to be without parallel in the history of read construction in America.

Curb Market to be

Market Will be Under Direction of Home and Farm Demonstration Agents—Farmers and Clubs Invited to Bring Their Produce-Housewives in Strong Co-operation With Movement. Reported for The Robesonian.

At a joint meeting of the Lumberton Home Demonstration club and Woman's clubs held at the town hall on Monday it was decided that a curb market would be opened in Lumberton on the court house square on Saturday, July 8th, at 9 a. m. Miss Andrews, home demonstration

agent, explained to the clubs, as she has to the other clubs of the county, the great opportunity for an incomeearning feature. The object is to encourage the production of a standard educt of any home or farm and to give a ready cash income for such standard products. The products will all be graded and the price set in proportion to the grade. All farmers and clubs of the county are urged to rector of the Department of School, Rev. Lonnie Powers visited his sisbring their products between the Extension, and the practical suspenter Mrs. Colin Ammons this week. allotted them for that purpose. There until it is re-organized under a difthey will meet the consumers with ferent basis next fall, was announctheir money and baskets. The market ed by Dr. E. C.
