### STORE BREEZES

The "mark down" pencils used in pricing August Sale cost the store several hundred dollars each. Some price for pencils, eh!

We have just completed a change that makes this the best lighted, best ventilated and coolest place to shop in this section of the state.

Did you ever expect again to see solid leather Oxfords selling as low as \$1.98 per pair. We're doing it in this August Sale.

An individual cannot hope to gain a good reputation and hold it unless he lives up to it. It's the same with a store. A store can't hope to keep its reputation by resting upon its laurels. That is why this store is planning every hour of every business day to increase its service to a higher efficiency.

Our hardware and Grocery Departments are peeved because their bargains wasn't listed in our Aug. Sale Opening advertisement. They are in this one, and truly they have a right to be.

A \$10 bill will dress you from head to feet at this store. Cheap enough isn't it?

Raw tobacco is selling so high this season, chewing and smoking will be quite an item of expense another year.

"Save your pennies and your dollars will take care of themselves." You can certainly save them here during this August Sale.

Interest works both day and night. Human beings can't do this, but they can stop the interest by paying their bills promptly.

Remember this sale closes Saturday, August 19th, at 9 o'clock, p. m. Eleven more days to supply your needs at big savings.

Those silk poplin sport skirts we are showing at \$1.98 are certainly popular with the trade.

Watch paper for our Aluminum sale, TUESDAY, AUGUST 8th.
