Local Coop-Auction Tobacco Market

High Average Prices on Auction Floors—"Coop" Advance Money on Grades as Received—Some Pleased and Some Kick Both Ways.

The Lumberton auction tobacco market Tuesday sold 67,552 pounds of tobacco at an average of \$22.30 the hundred. Sales on the auction market yesterday totaled 39,568 pounds and the average price paid was \$22 the hundred. Owing to the dampness, some of the tobacco offered yesterday was "in high order".

A total of 34,758 pounds of tobacco were handled here yesterday by the co-operatives. Advances were made on all this tobacco, the advances ranging from \$1.05 the hundred for scrap to \$22.75 the hundred for the better grades. Advances are made on all tobacco according to grade. However, the advance paid the grower when the tobacco is turned over to the organization to be sold is no indication of what the tobacco will sell for.

Members of the association generally seem to be pleased with the plan, while some who expected to get the full value of the tobacco before it is sold are inclined to "kick". The tobacco is not sold to the association, but placed in the hands of the co-operatives to be sold when a suitable price is offered, and the advance is paid by the organization to assist the grower in financing the growing and harvesting the crop. The final returns will tell the tale and not until a member has received the returns from the sale of his crop through the co-operative plan can the success of the new system be determined.

Many members of the association, who are more thoroughly familiar with the plans of selling the tobacco co-operatively, express themselves as being highly pleased, especially from the fact that each grower will receive the same advance and the same price for like grades when the tobacco is sold.

The co-operative houses will be open for receiving tobacco three days each week—Mondays, Wednesdays and Fridays.

It might be added that many farmers who sell tobacco at auction are not pleased with the sales and it matters not how high the "weed" sells "tags are turned" on practically all auction sales on all markets.

About 40,000 pounds of tobacco were sold on the local auction market today at prices about the same as paid at the market yesterday.

Local School Will Open September 6th

Faculty Has Been Completed With Exception of One Member and List Will be Published in Next Issue.

Lumberton's schools will open for the fall term Wednesday, September 6.

Supt. W. B. Crumpton gives the Robesonian the following information of interest to patrons of the school:

"The faculty for the Lumberton graded school for the next session has been completed with the exception of one member. A complete list will be found in the issue of the paper on next Monday.

"Our school will open for the fall term on Wednesday, September 6th. The teachers will arrive in Lumberton on Monday the 4th and will be in conference with Superintendent Crumpton on Tuesday, the 5th.

"It is hoped that this is the final date and will not have to be changed on account of inability of the local book depository getting the books on time. The strike may hinder the receipt of the new books but it is hoped that that condition will be a thing of the past by then."

Charged With Tampering With Registration Books

Registrar C. R. Tolar of Rennett Township Bound to Court for Scratching Name Off Book—Placed on Book After Time Was Up, He Says—Other Cases in Recorder's Court.

C. R. Tolar, registrar in Rennett township, was bound over to the Superior court by Assistant Recorder L. J. Britt Tuesday on the charge of tampering with registration books. He made bond in the sum of \$100.

According to the evidence, the defendant scratched a name off the books, which he testified was placed on the books after the time-limit for registering had closed. He was also tried on a separate charge of failing to properly perform his duties as registrar, but was found not guilty by a jury impaneled to pass upon the case.

The defendant was represented by Messrs. Britt & Britt, while Solicitor W. B. Ivey was assisted in the prosecution by Mr. Wm. Cox, an attorney of Laurinburg. Mr. Tolar was indicted by Mr. Lacy McNair of Rennett.

Charley Bennett was taxed with the cost Monday on the charge of being drunk.

Robed Kluxers Interrupted Show

Ku Klux Klan Halted Program of "Wallace the Magician" at Parkton to Contribute \$50 to School Library—Magician Feared His Time Had Come.

Right in the midst of his magic during an entertainment at Parkton Monday night Mr. W. L. Wallace of Durham, widely known as "Wallace the Magician", and his audience were startled by the entrance of white-robed figures, who marched silently to the rostrum and presented to Wallace an envelope upon which were printed directions to open and read.

The robed figures silently departed and Mr. Wallace found in the envelope \$50 in cash and a note stating that the contribution was from the Ku Klux Klan for the Parkton school library fund, which fund received a part of the proceeds of the entertainment.

Mr. Wallace, who was a Lumberton visitor Tuesday, frankly stated that he was filled with uneasy forebodings when he saw the white-robed figures enter. He wondered if it was not a good time to do a disappearing act for fear. He wondered how high the rear window was from the ground and how he would look with a window-frame around his neck. He had had the audience mystified and wondering a moment before, and now he shared with it bewilderment and wonder and startled awe. But he stood his ground, albeit with fear and trembling, and was immensely relieved when he found that the visit of the Kluxers was altogether peaceful and benevolent.

Road and School Bond Elections

An election to vote on a \$20,000 road bond issue was ordered for Britt township by the county commissioners at their regular monthly meeting Monday. The date for the election has not been named.

The board also ordered an election for Red Springs graded school district to be held on September 9 to vote on an additional tax of 15 cents on the \$100 property valuation and 45 cents on the poll for school purposes.

How It Appears On Fairmont Market

Tobacco Selling Well at Auction—Some "Co-op" Members Pleased and Some Are Not and Ditto Some who Have Sold at Auction—Pack House Struck by Lightning and Burned During Severe Electrical Storm.

By H. V. Brown

Fairmont, Aug. 10. The Tobacco Growers Co-operative association began receiving the weed and advancing money Monday. The amount received that day was 16,384 pounds with small advances, the exact amount of money advanced being unreported, the officials stating that they had no record of this. Some dissatisfaction has been heard from several members of the association while several more have expressed themselves as being pleased and others have joined since it began receiving.

At auction here this week prices have been very satisfactory while there was some kicking on that Wednesday and Tuesday afternoon. The highest price paid this week was paid on Tuesday when a large pile of tobacco brought \$70 per hundred and there were over 165,000 pounds offered on the market that day. During the afternoon a dark cloud came up and the farmers stated that during this cloud the price dropped considerably. The average for the week will surpass that of last week by a large margin. Watch The ROBESONIAN for the week's report on Monday. On Wednesday the cooperative association received about 20,000 pounds for the pool. A good bit has been shipped, and a large number of pounds is expected to be received Friday.

Mr. W. C. Walters of Barnesville was a business visitor here Wednesday.

The westbound A. C. L. Train No. 98, due here at 6:32, was over one hour late Wednesday night on account of washouts in the road between here and Chadbourn. A slight washout occurred a mile and a quarter east of here. Reports from near Atkinson's mill pond stated that it was impossible to cross the dam there even with wagons.

Electrical Storm
Tuesday night an electrical storm of which people have spoken very freely passed over Fairmont about midnight. Electric flashes were so quick in succession that the entire sky was illuminated for nearly an hour. A pack house belonging to Mr. N. J. Page of White Pond section was struck by lightning and set afire, burning down with a total loss. Mr. Charlie Williams, who has made his home in Florida and Georgia for the past few years, stated that this storm was equal to anything they had ever seen in those states, where electrical storms are very violent at times.

Misses Nettie and Ruth Ashley of Norfolk, Va., are spending some time here with friends and relatives.

St. Pauls News

Camp Fire Girls and Boy Scouts Are Enjoying an Outing—Movements of The People.

By Bess G. Johnson

St. Pauls, Aug. 8.—Another warm morning greets us!

Miss Clara Hester, who holds a position as stenographer in Raleigh, has been spending her vacation with her parents, Mr. and Mrs. C. R. Hester.

Mr. Olvin Crenshaw and 2 little sons, Billy and Junior, recently visited at the home of his father, Mr. J. S. Crenshaw, who resides a few miles out from town.

Mrs. Edgna Fletcher and daughter, little Miss Laura, were the delightful guests of Mrs. T. L. Northrop from Friday till Sunday of last week, returning to their home town, McColl, S. C. that afternoon.

Miss Madge Duke, whose people reside in Hamlet, arrived in St. Pauls, Wednesday p. m., the 2nd, for a little visit at the home of her brother-in-law and sister, Mr. and Mrs. Walter D. Johnson, on Main street.

The many friends of Mrs. J. M. Butler are delighted to know she has returned to her home on Blue street after spending several weeks at Pittman hospital, Fayetteville, where she underwent an operation some time ago. We hope she will continue to improve.

We are all glad to have Miss Ethel Cobb home for a wee bit. Miss Josephine Evans is also home for a visit to her people. Miss Evans for the past few months has been doing city welfare work in Greensboro. We trust her vacation will prove very pleasant.

Mrs. Will Regan and little Miss Annie Louise Regan of Elizabethtown came over last Friday to visit Mrs. Regan's sister Mrs. L. I. Grantham. Annie Louise, remaining over for a few days. Mrs. Regan, you will recall was Miss Annie McBryde before her marriage.

Mr. Francis Northrop who has been furnishing music in the orchestra at Lake View the past few months, spent last Sunday night at the home of his mother, Mrs. T. L. Northrop. He left Monday for White Lake, where he will furnish music in an orchestra during the next few weeks.

Miss Pearl Evans and mother recently returned from Wrightsville beach, where they spent a few days, reporting a very nice trip.

Mr. and Mrs. Tom G. Balfour and infant daughter were in town a short while Monday afternoon. We got a glimpse of that historic little dress Alice Audrey was recently baptized in. Mrs. Balfour brought it along with her. We imagined to see it looking "yellow with age", as it is something like 100 years old, but it looked as white and dainty as if it had only seen a few "yesterdays." It seems that this little dress was brought over from India, as was mentioned in a recent Lumber Bridge letter, and is reserved for the christening of each of the immediate Balfour family.

Mr. and Mrs. Vance Skipper and mother came over from Lumberton Sunday the 30th, spending the day with Mr. Skipper's sister Mrs. Tom Willis, formerly Miss Grace Crenshaw.

Miss Evelyn McIntyre of Lumber Bridge came over to our little town last week with Mrs. Virginia McIntyre for a few days' visit among relatives and friends in St. Pauls. Mrs. McIntyre, who is the widow of the late Mr. Wm. McIntyre, has been on an extended visit to relatives in the old North State. She makes her home with her daughter, Mrs. Watson, who was formerly Miss Ella McIntyre of Rennett, but who since her marriage makes her home in Talldega, Ala. Mrs. McIntyre has many friends back home who are ever glad to see her.

Mrs. Joe Sugar had for her guests on Sunday last Mrs. Sam Traub of Baltimore and nephew, Master Morton Sugar from Bennettsville, who spent the day here.

Mrs. L. Shaw returned from Ocean View last Friday, where she spent a very pleasant week.

Mrs. Dan King and 2 kids, Jas. and Margaret, spent Saturday night and Sunday with Mrs. King's sister Mrs. N. A. McEachern, at her home on Main street.

Miss Marie Blue, who spent the past week with her sister, Mrs. D. S. McEachern, expects to return to her home town, Raeford, this afternoon. Little Miss Laura Northrop will accompany her home for a few days visit.

Mr. Simon Leviton of Baltimore, brother of Mrs. Joe Sugar, is expected to arrive in St. Pauls tonight, where he has accepted a position in the store belonging to his brother-in-law, Mr. Joe Sugar.

Parkton Letter

McNatt Reunion—Revival Meeting—Personal and Other Items.

By C. D. Williamson.

Parkton, Aug. 8.—The McNatt reunion held at Black's bridge last Thursday proved to be one of the biggest and best yet. A large number of these people were present, in the best of spirits, thoroughly enjoying the day. The table fairly groaned under the bountiful spread, and yet not all the baskets were opened. Mr. J. B. McCormick was generous with delicious watermelons and cantaloupes, sending his wagon with enough for each one to be "well fed." The water was never better for swimming.

Among the guests Sheriff N. H. McGeachy and mother, Mrs. Anna McGeachy, of Fayetteville, and Mrs. Mary Blue of Galatia.

Mr. Eugene Melvin and wife and two daughters of Lake City, S. C., have been on a visit to Mr. and Mrs. Edd Gaitley. Mr. Melvin is a former schoolmate of the writer and his visit is most enjoyable. He was formerly a Robesonian.—Mr. Collier Cobb and family left Monday morning for their annual vacation to Seven Springs.—Mr. Neill McKinnon, another Robesonian and special friend of the writer is in town today.

An interesting game of ball was upset this afternoon. Lumber Bridge failed to show up, as a big rain set in just as they were about to come, but we expect them Friday. The local lads have new uniforms and look like real ball players, and they are some sports. Several more games will be played before the opening of school with St. Pauls and Lumber Bridge second nine teams, ages 10 to 14.

Messrs. J. M. and Vance McMillan, Miss Ruby Council and the writer went over to Raeford yesterday p. m. to enjoy the game, Raeford vs Hamlet. The game was a little one-sided, in Hamlet's favor. The umpire was accused of leaning to Hamlet, and you know such games are enjoyed.

Rev. E. F. Munns is holding revival meetings this week at Marvin. The Baptist will begin here Monday night. Everybody invited.

The Parkton band went up to Antioch, Hoke county, Friday and furnished music for the old soldiers reunion, and report a great day. Hoke county ladies did their part in giving the old soldiers a real enjoyable day.

Mr. Justin McNeill and family came up late Sunday afternoon, Justin returned Sunday night, Mrs. McNeill and children remaining with relatives till Wednesday p. m.

STRIKE CONFERENCE WILL BE HELD IN WASHINGTON FRIDAY

Washington, Aug. 9.—(Associated Press)—Heads of the striking railroad unions marked time here today while awaiting the arrival of executives of other transportation-labor organizations, who have been invited to the general conference Friday, to consider the shopmen's reply to President Harding's latest proposed basis for settlement.

Congressional leaders meanwhile were considering the possibility that President Harding, in the event of the failure of his efforts, might seek a legislative remedy for the country's admittedly serious industrial ailment.
