## Partial Program For Big Celebra- tion May Tenth

State Commander Lockhart Will be Principal Speaker—Schools of County Will Have Number of Contests—Ball Game Between U. N. C. and State College.

The university of North Carolina and North Carolina State college baseball teams will play a game of ball in Lumberton May 10th as a part of the big program which is being planned by the Robeson county schools and the Lumberton post of the American Legion, in honor of Confederate and World War veterans.

Mr. James A. Lockhart, State commander of the American Legion, will be the principal speaker of the day, having accepted the invitation a few days ago. General Julian S. Carr of Durham probably will be here also, a letter from him advising that he would inform the local post definitely upon his return from New Orleans, where he is attending the Confederate veterans' reunion.

A declamation and reading contest will be held in the high school auditorium at 8 o'clock p. m. May 9th, open to each high school in the county, and will have one boy and one girl for the declamation and one girl for the reading contest.

The names of those who are to represent the schools should be sent to Supt. J. R. Poole not later than May 1st. Miss Aileen Gramling, principal of the Lumberton high school, will have charge of this contest and states that the declamations and readings will be limited to twelve minutes.

The following morning there will be a 7th grade contest in charge of Mr. E. L. Veasy of the Rowland school, one seventh grade pupil to be entered from each school in this "general intelligence" contest.

Following this, contests by grades will be held as follows: Grade 1, writing in charge of Miss Helen Oliver; grade 2, short story (2 minutes), in charge of Miss Dinabelle Floyd; grade 3, recitation (2 minutes), in charge of Mr. D. B. Oliver; grade 4, arithmetic addition, in charge of Miss Ora Pittman; grade 5, spelling (written), in charge of Mr. H. W. Morton; grade 6, spelling (written), in charge of Mr. T. S. Teague. In this contest each school will be allowed one representative from each grade for each of these events. All of the contests will be held in the Lumberton school building.

High school departments contests under the supervision of Misses Nell Sutton and Gertrude Madison, Messrs. W. L. Haltiwanger and J. F. Sinclair, will be as follows: girls—juniors under 14 years of age, baseball throw, 50 yard dash and a 3-legged race; seniors over 14 years of age, baseball throw, 100-yard dash and a relay race; boys—juniors under 14 years of age, 50 yard dash, 100-yd dash, relay race, running broad jump, standing broad jump, running high jump, standing high jump, 200-yd dash, and pole vault.

Prizes offered for the winning school will be announced in a few days. Winners will be determined by the number of points made by each school.

Additions to the program will be made by a committee appointed by the American Legion within a few days, which will give the time of the parade, ball game, speaking and other contests which will be added.

Local merchants and business men will be asked to keep their places of business open throughout the day. They will be asked, however, to let all ex-service men in their employ off duty on that day for the parade and any other time they desire to help make the occasion a success.

The committee of the American Legion of Lumberton has just received word from the Wilmington post of the legion that the legion band of Wilmington will be here for the big day and furnish music. This band is a very large one and has won great favor throughout the eastern part of the state, and will no doubt be among the leading features of the day.

**ATTENTION: REGULAR MEETING AMERICAN LEGION**

Correspondence of The Robesonian. All members of Lumberton post, American Legion, are especially requested to be present at the regular meeting of the post, Thursday night, April 12th, at 8 o'clock. We will take up the matter of appointing committees and making plans for the big celebration to be held here on May 10th in honor of the Confederate veterans and the ex-service men of Robeson county. This is a very important meeting and I shall expect to see all of the officers and men of this post present. There is a work for all to do and I shall expect you to be there and do your part.

This celebration is going to be of equal interest to all ex-service men of the county, whether you are a member of the American Legion or not, and we shall be glad to have any ex-service man that can meet with us tonight.

W. B. IVEY,  
Commander of Lumberton Post.

**FARMERS & MERCHANTS BANK OF FAIRMONT CLOSED THIS A. M.**

Ordered Closed by State Bank Examiners—Had \$15,000 Bad Paper of Defunct Commercial National of Wilmington—In Business Since Last July.

The Farmers & Merchants Bank of Fairmont was ordered closed this morning by State bank examiners after examination of the liabilities and assets of the young institution, of which Mr. E. G. Jones of Fairmont was president and Mr. R. H. Cuddington cashier.

The direct cause of the bad condition of the bank is attributed to \$15,000 worth of bad paper bought from the Commercial National Bank of Wilmington, which closed a few months ago, according to an interview with Mr. Cuddington.

The bank was organized last July and had been doing a fair business, handling a good bit of the co-operative cotton and tobacco money during the past season. Its financial statement at the close of business in December 1922 showed that it had on deposit subject to check \$47,407.94 and time certificates of deposit \$2,649.26, while loans and discounts amounted to \$44,184.75, with a capital stock of \$20,000.

Mr. Thos. Cooper of Wilmington is vice-president of the bank and was arrested Tuesday on a warrant issued by a bank in Apex charging fraud. This had nothing to do with the closing of the Fairmont institution, according to Mr. Cuddington's statement.

**STOOD NOT UPON THE ORDER OF HIS GOING**

Negro Charged With Rum-Running Heeded Not Officer Boehn's Command to Halt but Kept Going.

By W. H. M. Brown  
Buie, April 10.—Rural Policeman Boehn of Red Springs was here Saturday and was making inquiry concerning a certain colored man wanted on the charge of retailing and transporting whiskey with an automobile from a nearby county into Robeson. While making inquiry, not knowing personally the colored man, the one wanted passed through the garage, where Mr. Boehn was, he was then pointed out to Mr. Boehn, but before he could get very close to him it is said the colored man took to his heels. He ordered him to halt, but instead of stopping he got faster. The officer shot towards him but no shot took effect. The negro left his car at the garage, where he had just jacked it up for repairs.

**CURB MARKET WILL REMAIN ON FIFTH STREET.**

By Martha Flax Andrews, Home Demonstration Agt.

In Monday's issue of The Robesonian I stated that the curb market would move back on the Court house square. I wish to change that plan today and have the market remain in the old church building on Fifth street due to the fact that by order of the county commissioners the Court house square cannot be used for any public gatherings.

The hour will be changed to 9 o'clock and we expect to have a special sale Saturday of spring chickens, vegetables and cakes.

**Sa y This Ain't Early for Cotton Blossom.**

Mr. Frank Wishart of Lumberton R. 3 was a Lumberton visitor this morning and was showing a 1923 cotton blossom. When asked just where he found the blossom he explained that it had voluntarily come up under the house in which he lives.

## Old Landmark Will Be Replaced By Modern Building

Second Oldest Building in Lumberton Reduced to Rubbish Heap at Corner of Chestnut and Fifth—Erected 30 or 90 Years Ago and First Used as Bank.

**OLDEST BUILDING STANDS AT CORNER OF ELM AND SIXTH**

A rubbish heap which is being cleared away to make room for a modern store and office building which Mr. Stephen McIntyre will erect on the corner of Chestnut and Fifth streets is all that remains now of what a few days ago was the second-oldest building in Lumberton. It is hard to arrive at definite facts, but tradition has it that that nearly square brick building was erected 80 or 90 years ago as a branch of the old Bank of Cape Fear of Wilmington. Mr. O. C. Norment, who is 85 years, 2 months and 4 days old today and is the oldest native-born citizen of Lumberton, thinks it was first used as a bank, but he does not think the building was as old as some others think.

In a lottery of lots in October, 1800, Neill McNeill drew ticket No. 79, which entitled him to a half acre on a corner of which this building later was erected. The lottery was conducted by Elias Barnes, Samson Bridgers and Jacob Rhodes. Records in the court house show that this lot has been owned successively by the following: Wm. L. Miller (1829), Duncan McRae, J. A. Rowland, Malcolm C. McNeill, (1849), Jno. A. Barnes (1851), Jno. W. Rogers, Robt. E. Troy, S. E. Ward, Mrs. Susan Freeman (mother of Messrs. H. C. and Ed. Freeman), Belle Freeman, H. C. Freeman and S. McIntyre, the last-named purchasing a part of the original lot from Mr. H. C. Freeman.

The records of transfers is not altogether complete. In the deeds the lot is described as bounded on the north by the Columbus road, on the south by the jail lot, and on the west by the "public square" in the earliest deeds and in later deeds by the "court house" square. Mr. O. C. Norment, remembers when the jail stood on the lot to the south of this building, which was once used as a law office by Alexander McLean, a great uncle of Messrs. A. W. and A. T. McLean of Lumberton, and Robt. E. Troy, the firm name being McLean & Troy, the building being owned by the latter. McLean and Troy were among the founders of the Presbyterian church of Lumberton and both were elders in that church. McLean was a prominent lawyer and was solicitor for a time.

McLean's death was caused, it might be said, by "gold on the chest". It is an interesting story. He went to Texas to settle an estate to which some of his clients fell heir. He performed his mission successfully and collected the proceeds in gold. Traveling by stage coach and horseback, he concealed the gold by strapping it around his chest. This metal on his chest is thought to have been the cause of his contracting pneumonia, with which he was confined at Mobile, Ala., for some time. He finally got well enough to come home, but he never recovered from the effects and died shortly thereafter, in 1856, at the age of 36 years, of pleurisy. His remains were interred at what was known as Allendale, then in Robeson but now in Hoke county.

But to return to the old brick landmark: This house was lathed and plastered on the inside and as at first constructed the roof was of tin and nearly flat. Several additions were made to the roof, and the chimney plainly showed successive additions. Between 35 and 40 years ago a frame addition was built on the side. Mr. H. C. Freeman is under the impression that the original building was erected by the late G. P. Higley, but others are inclined to think that he is mistaken about that.

Some time after the death of Mr. Troy the building was used as a school room by Mr. Troy's widow, Mrs. O. C. Norment and Mr. Geo. M. Whitfield, and perhaps others now living in Lumberton, remember that as the first building in which they went to school. It was later used as a residence and in recent years has been used for various kinds of shops.

It is interesting to note in this connection that the oldest building in Lumberton is the brick building on the corner of Elm and Sixth streets occupied by the law offices of Messrs. McIntyre, Lawrence & Proctor. Mr. Jas. D. Proctor, who has delved deeper into the ancient history of Lumberton than anybody else, says that according to the best information he has been able to get this building was erected in 1820 or 1824 by Dr. Rhodes, father of the Jacob Rhodes mentioned above as one of the men who conducted the lottery of town lots. The building is still in a good state of preservation.

Mr. McIntyre will erect on the site of the building that has just been torn down a 2-story store and office building with walls sufficient for addition of a third story. It will cost \$18,000 or \$20,000. Messrs. McIntyre, Lawrence & Proctor will have their offices on the second floor, so they will move out of the oldest building

By W. H. M. Brown  
Red Springs, April 10.—Mr. Fulton Watson's mother died here Saturday. Measles has been reported in the Shannon community. Mr. Dan Klarp is one of the victims of the disease.

A petition was being signed by a good many citizens of the town of Red Springs Friday, asking Road Commissioner McGirt to extend hard surfacing of the road leading out from town from the paving the town is making preparation to do, from the corporate limits for 1 3/4 miles, to where the Maxton, Pembroke and Lumberton roads intersect.

Mr. L. M. Cook, manager of the Motor & Machine Co. here, is having removed a brick partition in his garage in order to give more room.

Some are already re-planting cotton over in the Shannon community.

In a game of ball played here Friday between Rowland and Red Springs and Philadelphia, the score was 4 to 2 in favor of Red Springs and Philadelphia.

Mr. W. A. Smith, who was rural policeman up to a short while ago for some time, and is now night policeman for the town of Red Springs, says that The Robesonian has been a visitor in his home for the last 45 years, and it was from its front page he learned his first letters.

Mr. Sim Jackson was a visitor in town Saturday evening. Speaking of being a subscriber to The Robesonian, he said that soon after coming to Robeson he subscribed for the paper and has since been a constant reader of it, it being his rule to read its pages at his noon hour when resting from his work.

Messrs. A. D. McLeod, George Hall, J. D. McCormac and Paterson all were to leave Red Springs for New Orleans Sunday evening to attend the old soldiers reunion.

Dr. B. F. McMillan, now the oldest practicing physician in town, says he remembers seeing the first issue of The Robesonian, especially he recalls taking notice of the first advertisement in the paper.

Among the pleasant experiences in the attractive little town of Red Springs is contact with its many old inhabitants who are now drawing near to the close of life's little scene. Among those who are well on in years are Dr. B. F. McMillan, J. W. Hodgin, A. D. McLeod, Daniel McLeod, J. D. McCormac, B.
