

## Wholesale Catch of Alleged Retail- ers By Officers

3 Women, 11 Men and 15 Gallons  
Corn Whiskey Captured in Well-  
Manipulated Dragnet—Every Ob-  
jective Successfully Reached—19 of  
the 14 Out on Bond—Trial Thurs-  
day.

## ONE INDIAN WOMAN CAME TO JAIL WITH BABE IN ARMS.

Two white men, 9 Indian men, 3  
Indian women and approximately 15  
gallons of corn whiskey were captured  
by Sheriff R. E. Lewis and his  
corps of rural policemen Saturday as  
the result of a well-manipulated  
dragnet set out last Monday morn-  
ing by county detectives.

Plans had been well laid for the  
final barrage which took place during  
the day and not a single objective  
reached by the raiders failed to hold  
a violator who was taken into custody  
by the officers and brought to the  
county jail here. The raid was directed  
on the jobber or retailer, and not  
on the manufacturer, and each of the  
captives is charged with having  
whiskey in her or his possession and  
retailing whiskey.

One of the officers' cars upon re-  
turning to Lumberton with a load  
contained a half-gallon fruit jar  
nearly filled with the white fire-  
liquid, a 3-gallon jug partially filled  
and two Indian women, one holding an  
infant.

Eight of the 14 made bond Satur-  
day afternoon and two of the remain-  
ing six made bond this morning. The  
bonds required were in some cases  
\$1,000, while some who had only one  
charge against them were allowed to  
make a \$500 bond for their appear-  
ance before Recorder W. B. Ivey  
Thursday morning at 10 o'clock.

Those arrested as the result of the  
raid were: James Wariax and grand-  
father, J. R. Thomas, in Saddle Tree  
township; Leslie Wilcox and Rhodes  
Pittman, white, in Britts township;  
N. A. Revels, Liza Jane Oxendine,  
L. M. Lowrey, Troy Thomas, John  
Brooks and Montgomery Dees, in  
Pembroke township; Oscar Chavis, in  
Raft Swamp township; Daniel Low-  
rey, Beatrice and Bernice Oxendine,  
in Burnt Swamp township.

## WEEVIL EVIDENCE GALORE.

Mr. Ed Taylor of Howellsville Says  
the Weevils are Thriving in Spite  
of All He Can Do—Brings in Evi-  
dences A-plenty.

Mr. Ed Taylor of Howellsville  
township was in town Saturday with  
evidence galore of the very Dickens  
boll weevils are playing in his cotton  
fields. He says that 2,100 boll weevils  
have been destroyed in one 7-acre  
field of as pretty fine high cotton as  
he ever saw and that in the 90 acres  
he has in cotton he has been poison-  
ing, picking up squares and doing  
everything else he knows to fight the  
weevil, but there seems to be no di-  
minution of the supply.

Mr. Taylor says he has two stalks  
to where he had one formerly  
each stalk being as heavily squared  
as half that number of stalks in for-  
mer years, and that if the weevils  
would let him alone from now on he  
would make a crop, but that of  
course is past hoping for. He has been  
a successful cotton raiser for 20  
years, formerly making a bale to the  
acre, but last year the unfavorable  
seasons and the weevils together  
just about got his crop, and that this  
year it looks like the weevils will do  
the work alone.

## Trash-Pile Fire Threatened Nearby Buildings.

The local fire department was  
called to the vacant lot adjacent to  
the Battery Service station Friday  
morning to extinguish a blaze caus-  
ed by burning tar paper and a pile  
of trash which had been left near  
the building during the recent re-  
modeling.

Mr. J. V. Williamson, proprietor  
of the Battery Service station, dis-  
covered the blaze and says that he  
does not know how it started but he  
saw that it was going to catch a  
wooden building on the next lot and  
not having water where he  
could reach it he turned  
in the alarm. Chemicals were  
used and the fire was soon out.  
No damage was done, but had it been  
left alone for a few minutes both of  
the buildings near by would have  
caught.

night at 8 o'clock. Refreshments will

violin and piano music. The cast of  
characters will be given in Thurs-  
day's Robesonian.

at Wake Forest college preached his  
first sermon at the First Baptist  
church yesterday morning, which  
was thoroughly enjoyed by a large  
crowd. Dr. Lynch also preached at  
the evening service and will fill the  
pulpit throughout the month on ac-  
count of Dr. Chas. H. Durham, the  
pastor, being in Europe.

## Three White Men Escape From Jail

Got Away During Downpour of Rain  
Early Sunday A. M.—Unscrewed  
Nuts; Broke a Lock and Descended  
by Means of Blankets—First  
Escape from Robeson County Jail  
in 11 Years.

The first successful escape from  
the Robeson county jail in 11 years  
was made Saturday night when three  
white men—Bob Green, alias Bob  
Johnson, Elliot Potts and Frank  
Dobson—took French leave during  
the downpour of rain between the  
hours of 2 and 4 a. m.

The escape was effected by the un-  
screwing of nuts on bolts which held  
the hinges of the big heavy cell door,  
the breaking of a Yale lock on the  
skylight, and three blankets which  
were tied together fastened to the top  
of the jail. The nuts had been well  
greased, fat meat having been used  
on them for perhaps several days. A  
short piece of hoop iron which is a  
part of the bunk was torn from the  
bunk and used with a shorter piece of  
stouter iron in such a way that it  
could be used similar to a wrench. The  
bolts were taken out and a blanket  
laid on the floor to deaden the noise  
made by moving the door. Then the  
door was easily slipped out of position  
after the bolts had been removed.  
The prisoners then went up stairs,  
passing within 20 feet of where a  
negro woman prisoner was sleeping,  
climbed over another cell, broke a  
Yale lock on the skylight and climbed  
out on the roof of the jail, where they  
tied three blankets together and fastened  
them to the skylight. This gave them  
quick access to the ground  
30 feet below.

The escape was made during the  
big rain or just before, as Jailer A.  
H. Prevatt states that he was in the  
jail at 12:15 a. m., and when the  
escape was discovered Sunday morn-  
ing there were no signs of footprints  
on the ground near where the blankets  
were left hanging. Mr. Prevatt  
is positive that Bob Green planned  
and worked the escape and persuaded  
the boys, Elliot Potts and Frank  
Dobson, to assist him.

The boys were waiting the term of  
Superior court next week on a charge  
of store-breaking, being the same  
ones that broke into the drug store  
at Pembroke several months ago after  
escaping from a reformatory in  
Florence county. S. C. Green was be-  
ing held for this court on charges of  
retailing and manufacturing whiskey.

The jailer states that this is the  
only door in the jail the bolts in  
which are not riveted, and this fact  
he did not know until the escape was  
made. An inspection of the cell made  
late yesterday afternoon revealed the  
fact that Green had tried to throw  
the lock on the door by driving a  
wooden peg up through a slot be-  
tween two sections of the entrance  
into the place where his bunk was.

## Parkton Will Cel- ebrate Fourth

Speaking, Picnic Dinner and All  
Kinds of Amusements—Taber-  
nacle Day a Great Success—Meet-  
ing Will Begin Thursday Night.

By C. D. Williamson  
Parkton, June 29.—The fourth of  
July is almost here. Our town pro-  
poses to celebrate in the good old  
usual way, picnicking and speaking  
and all kinds of amusement. Base  
Ball in the afternoon. A good time  
for everybody. All are most cordially  
invited to come. Bring your basket  
and enjoy a feast with us.

The big tabernacle day Tuesday  
was quite a success. About fifty work-  
men gathered for work and they  
made it count, as the entire roof was  
completed. The good ladies came at  
the noon hour and spread one of the  
finest dinners you ever saw. All kinds  
of good eating and abundance of ice  
tea. The day was profitable in many  
ways. The noon hour was spent in a  
union prayer meeting conducted by  
Rev. C. R. Sorrell, with talks by  
several other brethren and a good  
live song service.

The meeting will begin proper on  
next Thursday night at 8 o'clock. The  
evangelistic party will arrive Monday  
evening from Sumpter, S. C. Messrs.  
Ramsay and Rogers and Evangelist  
Leyman of Nashville, Tenn. will do  
the preaching.

The organization prayer meeting  
of our town and community are  
doing most effective work and a  
great revival of religion is look forward  
too. Everybody is invited to at-  
tend these meetings. Plenty of room,  
and comfortable. You cannot afford  
to miss it.

Union services at the Baptist  
church here Sunday morning and at  
night. Rev. R. F. Mums, pastor of the  
M. E. church, will preach Sunday  
night and Monday night. The union  
choir will be organized at the Pres-  
byterian church. All singers from  
Lumber Bridge, Rex, St. Pauls, New  
Home, Buckhorn, Hope Mills, Lum-  
berton and all others that will join  
us. Wm. J. Ramsay, choir leader, will  
be in charge, and this is enough said,  
with Earl S. Rogers at the piano.

Monday is the day set to complete  
the work on the tabernacle. The seats  
are to be put up that day, and the  
stage, or platform, and the work will  
have been completed for this season.

## A Pleasant Time Was Had By All

Fourteen New Members Initiated in-  
to Mysteries of Goat Club Follow-  
ing Delightful Barbecue—Secrecy  
Shrouds Proceedings Behind Closed  
Doors but Rumor Says They  
Were Plenty.

No one denies, and every one that  
was present at the initiation cere-  
monies held at the Goat club Friday  
night confirms, the fact that un-  
doubtedly it was the most enjoyable  
occasion ever held at the club, espe-  
cially for those members who had  
the privilege of watching the effi-  
cient degree team put over the initia-  
tion of the 14 new goats.

Before the candidates for mem-  
bership into this order were put through  
the goat riding initiation, they were  
allowed to enjoy with the members  
present an especially well-prepared  
barbecue and Brunswick stew, pre-  
pared by Mr. H. H. Stanley of St.  
Paul, route 1. Several barbecues  
have been held at this beautiful spot  
on the "Lumbee" but this one eclipsed  
all others in every detail. The degree  
team were laughing up their sleeves  
at what was soon to take place, and  
the candidates couldn't thoroughly  
enjoy the delicious supper for think-  
ing of, and wondering about, what  
was coming to them within the next  
few minutes, or hours, they didn't  
know which.

Just what solemn oaths and foolish  
pranks were administered to and  
done to the candidates cannot be  
told, as the Goat club has a secrecy  
everything it does behind closed  
doors, and during the ceremonies the  
doors and windows were certainly  
closed, according to some of the can-  
didates. After two or three hours 14  
new goats had their names placed on  
the roster as members of the Goat  
club in good standing. These are:  
Messrs. R. E. Lewis, C. B. Skipper,  
J. P. Prevatt, Jr., I. L. McGill, J. R.  
McLeod, Robt. W. Proctor, A. H. Mc-  
Leod, A. H. Prevatt, Jas. A. Sea, J.  
I. Spivey, W. O. Thompson, W. I.  
Cuttler, Moore, E. L. Hamilton,  
J. M. Hutchison and Dr. S. L. White-  
head.

## July 24 Date For Beginning Sales.

Sales Committee of Tobacco Asso-  
ciation Recommends Opening Date  
for Auction Sales.

Asheville, June 29.—Recommendation  
that the auction sale in the  
bright tobacco markets begin July  
24 in South Carolina and those dis-  
tricts bordering on the line between  
that State and North Carolina, was  
made this afternoon by the sales  
committee of the Tobacco Association  
of the United States.

The other State opening as sug-  
gested by the committee are: Georgia  
market, July 25; Eastern North  
Carolina from Raleigh East, August  
21; old belt territory including Den-  
ver, Va., Winston-Salem, N. C. and  
Durham, N. C., September 25. The  
report of the committee was made  
tonight to the association and is ex-  
pected to be adopted as it was drawn  
up after lengthy discussion this af-  
ternoon before the committee by all  
parties at interest.

The committee made no recom-  
mendations as to the Kentucky,  
Tennessee, Indiana and West Vir-  
ginia markets as they are not in-  
cluded in the bright market territory.  
The tobacco situation in the pro-  
ducing states is satisfactory but could  
be much improved through increased  
exports if chaotic conditions in  
Europe could be settled, according to  
T. M. Carrington, president of the  
tobacco association, declared in his  
annual address to the 23rd conven-  
tion this morning.

To improve business conditions  
generally and tobacco exports in  
particular, Mr. Carrington pointed  
out that an international under-  
standing as embodied in the world  
court or League of Nations should  
be urged upon the government of the  
United States. He expressed the  
hope that President Harding might  
be successful in having the nation  
enter the world court.

Mr. Carrington reviewed tobacco  
conditions, both from the producers  
and manufacturers' standpoint in  
practically all of the producing  
states and predicted one of the best  
years for trade during 1923-24.

R. T. Corbell, secretary-treasurer,  
said that membership has increased  
from 136 to 185 with 26 of these in-  
cluded among banks of the tobacco  
producing states. Other officers and  
committees submitted reports.

At the regular meeting of the  
town board of commissioners to be  
held tomorrow night in the town hall,  
an ordinance relative to cow stalls,  
their erection and maintenance will  
be considered, and several persons  
interested will be present at the  
meeting. The ordinance as proposed  
was published in last Monday's Robe-  
sonian.

Mr. J. R. Walters and sister, Miss  
Nora, of Shannon, are Lumberton  
visitors today.

Mr. and Mrs. J. J. Shaw and  
Messrs. T. C. Lewis and L. M. Cren-  
shaw of the Rex section are Lumberton  
visitors today.

## Take Your Choice On Glorious Fourth

Various Diversions Offered in Coun-  
ty—Annual Field Day at East  
Lumberton—Big Celebration at  
Midway and Parkton—Orchestra  
and Sports at Tak-a-Dip Beach.

Indications point to pretty general  
observance of the Fourth in Robeson.  
People of all sections of the county  
will find various amusements offer-  
ed within easy reach, several places  
bidding for their presence on that  
day.

The annual field day exercises will  
be held at East Lumberton July 4th  
beginning at 9 o'clock, with contests  
in which the young people will take  
part. At 10 o'clock there will be a  
base ball game between the East  
Lumberton team and 2nd Field Ar-  
tillery team of Fort Bragg. At 12-  
30 there will be a big basket picnic  
dinner served. After dinner the con-  
tests will be resumed and at 4 o'clock  
the second game of baseball will take  
place between the same teams play-  
ing in the morning.

East Lumberton has secured some  
good pitchers for these games and  
those who have witnessed the recent  
contests between the two teams will  
learn of these games with interest.

As stated in Thursday's Robe-  
sonian, practically all Lumberton busi-  
ness houses will be closed for the day.

A big celebration will be held at  
Midway, near Parkton, on the Fourth.  
There will be baseball games, a brass  
band, horse-racing, tennis games and  
a barbecue. It is expected to be one  
of the biggest celebrations ever held  
in the county.

A jazz orchestra will play during  
the afternoon at Tak-a-Dip beach on  
Lumber river, just off the hard-sur-  
face road west of Lumberton and  
there will be swimming and diving  
exhibitions.

## WELFARE SUPERINTENDENTS TO BE ELECTED JULY 9.

Every County With Population of  
32,000 or Over is Required to Have  
Welfare Officer.

Biennial election of county super-  
intendent of public welfare will be  
held in the various counties of the  
State on the second Monday in July,  
which falls on July 9, the News and  
Observer reminds, and continues:

Every county having a population  
of 32,000 or more by the census of  
1920 is required by law to have a  
superintendent of public welfare. In  
those counties having less employ-  
ment of a superintendent is optional.  
When there is no welfare officer in a  
county, the superintendent of schools  
performs the duties that would de-  
volve upon one, to as great an extent  
as his time will permit.

At present there are forty-five  
counties in the State which have  
whole-time superintendents of public  
welfare and nine with part-time wel-  
fare officers. In the remaining forty-  
six counties the superintendent of  
schools acts in this capacity. In six  
of the forty-five counties having  
full time superintendents—that is,  
Buncombe, Mecklenburg, Forsyth,  
Durham, Guilford and Wake—the  
welfare officer is assisted either by  
an assistant superintendent, proba-  
tion officer or school attendance of-  
ficer.

In the North Carolina plan of pub-  
lic welfare, the county superinten-  
dent is supported and advised by the  
county board of charities and public  
welfare, whose members are appoint-  
ed by the State board of charities  
and public welfare, the whole system  
being under the supervision of the  
State board. This month there will  
also be changes in the membership of  
a number of the county boards, with  
a view to strengthening the whole  
organization.

## Examinations in High School Build- ing July 11.

Correspondence of The Robesonian.

been reviewing their work to remove  
conditions, there will be given ex-  
aminations in the high school build-  
ing on the morning of the 11th, be-  
ginning at 10 o'clock. It is hoped  
that these examinations may be com-  
pleted that day but should it be ne-  
cessary, on account of conflicts,  
other examinations will be given on  
the afternoon of the 11th and the  
12th.

## Many Disregard New Stop Law

At West Lumberton Railroad Cross-  
ing Yesterday One Lawyer and  
Many Negroes Crossed Without  
Observing New Law—Law Re-  
quires Full Stop Before Crossing  
Railroad.

There were many violations yester-  
day of the new law, which went into  
effect at midnight Saturday night,  
requiring that all vehicles come to a  
full stop before crossing railroad  
tracks at a grade crossing, at the  
most conspicuous crossing near Lum-  
berton, at the National cotton mills,  
one and a half miles west of town.  
Mr. Bill Barnes says he sat on his  
porch and watched to see how many  
would stop, and that while most  
white people came to a full stop he  
noticed that one Lumberton lawyer  
went across at a good speed and that  
most of the colored autoist crossed  
without observing the law.

At all crossings the railroads have  
placed a conspicuous sign reading "N.  
C. LAW STOP". The law, passed by  
the last Legislature, makes it a mis-  
deamur, punishable by fine or im-  
prisonment or both, to cross a rail-  
road without coming to a full stop  
not nearer than 50 feet from the  
nearest rail. It is estimated that 100  
people were killed at grade crossings  
in North Carolina last year, and this  
law was passed after a hard fight in  
the belief that it would save lives.

Those who violated the law yester-  
day no doubt had forgotten all about  
it. Mr. Barnes says he was interested  
in keeping tab yesterday because  
this crossing is so near to the mill  
that disregard of the law at this par-  
ticular place is a menace to the  
people who are constantly passing  
from their homes to the mill. No vi-  
olators have been reported to the  
sheriff's office.

## Record of Deaths

MRS. GEORGE COLLINS DIES  
SUDDENLY OF HEART FAILURE

Sudden Fatal Attack Came While  
Riding Saturday Night—Funeral  
and Interment Yesterday After-  
noon Near Smyrna Church.

Mrs. George Collins, age 35 years,  
died Saturday night about 9 o'clock  
as the result of heart failure, death  
resulting immediately after the sud-  
den attack, which she suffered while  
riding on the hard-surfaced road west  
of Lumberton in company with her  
two daughters, Misses Ruby and  
Madeline, and Mr. A. B. Fisher.

As soon as she was stricken, Mr.  
Fisher, who was driving the car,  
rushed to the home on Second street  
and summoned her husband and phy-  
sicians. Upon examination by the  
physician it was found that she had  
died suddenly.

Funeral services were held yester-  
day afternoon at the grave in the  
family burying grounds near Smyrna  
church by Rev. I. P. Hedgpeth, a  
large crowd attending.

## Luke Britt Taken from Jail to See Father—He and Mother Both Fainted.

Thursday afternoon before the  
funeral services of Mr. Evan Britt  
were conducted, Sheriff R. E. Lewis  
and rural policeman J. H. Carper ac-  
companied Mr. Britt's son, Luke,  
who has been in the county jail for  
the past few months charged with  
the killing of E. R. Shepherd, to the  
home, where he was allowed to see  
the remains of his father. After they  
had been in the room a few minutes  
Luke fainted. His mother, who had  
been in the room since his arrival,  
was overcome on account of her son's  
fainting and fell in a faint herself.  
As soon as they were revived the  
prisoner was brought back to the  
jail.

Mr. and Mrs. H. H. Harley and  
children returned yesterday to Dar-  
lington, S. C., after having spent
