TEACHERAGE ENLARGED AND VERY MUCH IMPROVED

Four Bedrooms, Two Baths, Kitchen, Pantry and Screened In Porch Added and Dining Room Enlarged— Other Improvements Made.

When teachers who put up cramped quarters and inconveniences at the teacherage on Eight street arrived last Thursday night and saw what improvements and additions had been made in their living quarters they shouted for joy and rose up as one woman and called down blessings upon the heads of the school board and State Crumpton. And they had reason the joy that was in them. During the summer an addition HANDSOME BUNCH OF CHICKwas built on that almost doubled the

Many fishermen in the county are ignorant of the fish laws and for that reason it is believed that the inspector will be very lenient with the violators, except those who insist on continuing to break the laws. A net with one-and-a-quarter inch/mesh can be used legally in the streams of Robeson county during certain winter months. A full statement of the law will be published in The Roesonian at an early date, following Mr. Stone's trip to Robeson this week.
