## McLean For Governor Club Organized At Rousing Enthusiastic Meeting Here

His Home Folks Propose to Let POSTAL EMPLOYEES OF COUN-The State Know They Are 100 Per Cent for A. W. McLean-S. McIntyre President of Local Club and Geo. B. McLeod, Former Political. Opponent, Vice President.

### HAS HAD FOR GOVERNOR at the Goat club here.

in the Fight Until the Last Vote is Counted and Their Man is Nominated.

A large McLean for Governor club was organized in Lumberton cord, unanimity and confidence. past have been arrayed in hostile less support until the last vote is counted in the primary and the Lumberton man is dec'ared the nominee.

A Spontaneous Outburst. Organization of the club was affected spontaneously following a the banks of Lumber river on the western edge of town. A large numof town were present and when the suggestion was made that an A. W. McLean club be organized it was greeted with tulmultuous applause and recalled the stirring days of '98, an old gray horse for a week's trip over the county, McLeod standing guard with a pistol while McIntyre made speeches that helped to re- put up. Former Differences Don't Count.

McLean was a fighter because he had been fought by him and had fought him in many battles, but that McLean had always fought fair, that he holds no enmity in his heart todent and Mr. McLeod was elected vice president. The 200 or more men present joined the club and by the time another meeting is held, some time this week in the court house members. Reports from other sec- electrify the State for McLean. tions of the county were to the effect that they were 100 per cent. for said that had found no opposition to
