

St. Paul News

By Bessie G. Johnson

St. Paul, Dec. 5.—News of the sudden death of Mr. George Humphrey of near St. Pauls, which occurred about noon Tuesday, has cast a pall of gloom over the town and community, where he was well and favorably known. Mr. Humphrey, who was apparently in his usual health, had been engaged in repairing an out-house near the home that morning and as the dinner hour approached one of the younger children was sent to call him. Upon returning she informed her mother that "daddy is asleep." Believing something wrong, she went for investigation, finding him in a dead stupor. A physician was immediately summoned but it was found that death had already claimed him. Heart failure possibly was the cause.

Deceased was a middle-aged man and a planter, his home being near Ten Mile Baptist church, where funeral services, in charge of the pastor, Rev. I. P. Hedgpeth of Lumberton, took place Thursday about 3 p. m. Interment was made in the family plot in the cemetery. He being a very respected citizen in the community, an unusually large crowd of sorrowing relatives and friends gathered at his grave to pay a last tribute of respect to their departed friend.

Deceased is survived by his widow, who was Miss Nettie Way of Georgia, and six children, several brothers and sisters, among them Mesdames Nathan Allen and Luther M. White of near St. Paul, Messrs. Will Humphrey of Savannah, Ga., James of N. C., Hector of Rosemary and John and

Allen of Savannah, Ga., all of whom were present at the funeral with the exception of the two former. An aunt of Mrs. Humphrey, a Mrs. Hamilton of Savannah, was also among the out-of-town attendants. Local friends present included Messrs. J. C. Lentz and Leslie King, Mrs. Mary C. King, Mr. and Mrs. L. H. Townsend, Mesdames A. E. Howard and L. F. Nance, Miss Nell Rice, Mrs. J. M. Butler, Mr. William S. Johnson and daughter, Miss Ella, and Mr. E. J. Martin. The bereaved family have the deep sympathy of their numerous friends in the sorrow that has so suddenly enveloped them.

Miss Sallie King, of the school faculty at Swansboro, was among the Thanksgiving visitors in town, spending the week-end in the home of her mother, Mrs. Mary C. King, McLean street.

On the afternoon and evening of the 11th a Christmas bazaar and supper, under the auspices of the Parent-Teachers association, will be held in the store building next to Nance and McCormick, occupied by D. S. McEachern.

Little Miss Laura McRainey spent last Sunday in Fayetteville.

W. Austin Carter, 53, of Danville, Va., sentenced to die for killing his wife at Reidsville last December, was commuted to life imprisonment Monday by Gov. Morrison. The trial judge and 11 of the jury recommended that course on account of the mental condition of the man.

Weak Nervous

"I was weak and nervous and run-down," writes Mrs. Edith Sellers, of 466 N. 21st St., East St. Louis, Ill. "I couldn't sleep nights. I was so restless. I felt tired and not in condition to do my work. I would have such pains in my stomach that I was afraid I would get down in bed. My mother came to see me and suggested that I use

CARDUI The Woman's Tonic

I felt better after my first bottle. I had a better appetite. It seemed to strengthen and build me up. I am so glad to recommend Cardui for what it did for me. I haven't needed any medicine since I took Cardui, and I am feeling fine." Nervousness, restlessness, sleeplessness—these symptoms so often are the result of a weak, run-down condition, and may develop more seriously if not treated in time. If you are nervous and run-down, or suffering from a common womanly weakness, take Cardui. Sold everywhere. E-105

That Graham Property Near Rowland

Is Going To Be Sold But There's Much Speculation As To Who Is Going To Get It.

As stated in last Thursday's issue of The Robesonian, we are now at work trying to sell the Graham property as a whole. The whole of the tract we are selling totals about 320 acres of which about an eight-horse farm is under cultivation with buildings sufficient to take care of same.

As has been stated, this property contains some of the most attractive home sites to be found any where in Robeson county. For a home the place is "beautiful for situation," and on this place is some of the finest farming land to be found in the county anywhere.

The Lumberton-Rowland highway, as recently surveyed, runs perfectly straight across the Graham farm and we are selling all that part North of the highway and 50 acres across the road directly in front of the old residence. Taking this property as a whole there is no land anywhere in the county for sale that will anything like compare with it in points of value and location. It is hardly to be excelled in many places in the entire State. This is land of a type that does not go begging for a purchaser at anytime, and there is now much speculation as to just who is going to get the place.

Mr. A. W. Pate owns several hundred acres of fine land that adjoins this property and he could use the place to a great advantage and he is prepared to buy it, and much more if he wants it. But Mr. Pate is a man that talks only to himself about the things he wants, therefore, there can be no record made of his wants until they have found expression in action. But be it said, to his honor, he is a man of action.

Dr. Geo. M. Pate, a man of land scattered all over that part of the great "State of Robeson", has land in almost every direction from this property and he is a man with a deep sense of appreciation as to the real value of farm lands. Some two or three years ago Dr. Pate wanted this Graham property to build him a home on and says at that time he would have been glad to pay \$100.00 per acre for the property. He, too, thinks the property one of the finest located places in the county. Dr. Pate is a man that buys what he wants, but he, too, gives but feeble expression to his wants in words.

Mr. Will McLellan of Rowland, another man that has land scattered in those parts to the extent of about fifteen hundred acres, also knows what he is about when it comes to land values. He says the Graham property is one of the most attractive home sites to be found anywhere in Robeson county. Mr. McLellan is another man rather slow of speech, but loud in action.

Yes, somebody is going to buy that land, and who will it be?

Yes, and with all this, there is one other man in the county who does things, stepping out for action when few folks are looking and none thinking. That man is Mr. A. E. White of Lumberton. He left last evening for New York, where he expects to spend about three days on business. Just as soon as he returns from this trip he is going to Rowland to look over this property with a view to buying.

Yes, who is going to get the place?
