**FAIRMONT SCHOOL WILL OPEN SEPT. 7.**  
(continued from page 1)  
ing service Sunday morning, September 13 (2nd Sunday), beginning at 11 o'clock, the regular preaching hour. The farmers in the town and surrounding community have been abundantly blessed with good crops this year, so the second Sunday morning is being set aside as a praise service. Attend this service in the Baptist church.

On Sunday night September 13 (2nd Sunday night), Rev. S. F. Conrad, of Charlotte, who spent a while in Palestine and Europe about 2 years ago, will give a stereopticon lecture. Mr. Conrad made these pictures while in Palestine and it will be remembered that after Dr. C. H. Durham's tour of Palestine and other of the old countries he came from Lumberton to Fairmont and gave a most interesting lecture, which didn't last half long enough. You will probably hear new things from Mr. Conrad and also have the benefit of seeing for yourselves the pictures of the Holy City. Attend this lecture at the Baptist church.

Sunday night the Baptist church was almost filled to overflowing to hear Rev. J. E. Lanier, the pastor, deliver a most powerful sermon. His subject, "A Warning to the People of Fairmont." Text "The Soul that sinneth shall die." Ezekiel 18:20.

**Protracted Meeting**  
A protracted meeting is in progress at Bloomingdale, of which Rev. J. E. Lanier of Fairmont is pastor. The meeting, which began Monday, will continue through next Sunday. Rev. C. C. Wheeler of Holly Springs, Wake county is assisting in the meeting.

Miss Kathleen Griffin, who has attended summer school during the two sessions, making up the work lost during the illness and death of her mother, Mrs. Mollie Lewis Griffin, last spring, arrived from Greenville Friday to stay until October, when she will return to school.

**Entertainment.**  
Under the auspices of the Parent-Teachers association, Miss Maude Ashley directed an entertainment which consisted of pantomime, songs and readings, last Friday night at the school auditorium to only a small audience. The program: Mother Goose Pantomime—A group of children; solo, "Love, Here is my heart"—Miss Maude Ashley; reading, "Behind the Curtain"—Miss Minnie Johnson; solo, "Doll Song"—Miss Louise Galloway; dance, "The Minuet"—A group of girls; solos, "If Flowers could speak," "The Star," "Until"—Miss Temple; reading, "The Exigencies of Etiquette"—Miss Maude Ashley; solos, "Copper Moon," "My Laddie"—Miss Grace Fisher; song and dance, "The Old Fashioned Girl"—A group of girls.

Mr. and Mrs. Neill Smith and son-in-law and daughter, Mr. and Mrs. R. H. Nye, and children, returned Friday night from Wrightsville Beach, where they spent a week. Mr. and Mrs. Nye have not decided where they will locate since coming home, their house being burned while at the beach.

Mr. and Mrs. C. A. Ashley of Jessup, Ga., and little niece, Ida Rhodes Eden, of Eutaw Springs, S. C., but who has been with her uncle and aunt since moving to Georgia last year, spent the week-end with relatives in the city. Mr. Ed Floyd, Claude's brother-in-law, says they visited him—he fed them—mostly—and he wants the honor, so here goes, Mr. Floyd. The Ashleys certainly won't object, since they were fed on the fat of the land.

Miss Era Thompson, daughter of Mr. and Mrs. Milton Thompson of the Baltimore section spent the week-end with Miss Mary Ethel Lewis.

Mr. and Mrs. Forbes Thompson and two children of Beaufort are visiting their parents and grandparents, Mr. and Mrs. Alonzo Thompson.

Mr. Fred Williams of Mullins joined Mrs. Williams and children, who had been visiting their parents and grandparents, Mr. and Mrs. N. W. Jenkins, Mr. and Mrs. Alfred Cole of Raeford were also guests for the week-end in the Jenkins home. Mrs. Jenkins, who turned a pan of hot grease on her foot three weeks ago, is still in bed, but the foot is improving some.

Mrs. H. G. Stubbs left Monday for Pittman hospital, Fayetteville, where she will take treatment and probably undergo an operation.

Mr. Robert Floyd returned last week from Tennessee, where he purchased a carload of beef cattle.

Miss Ruby Ward left Tuesday for Jonesboro, where she will teach in the city school. This is Miss Ward's second year there.

Mrs. O. A. Reeves and children, who have been visiting Mrs. Reeves' parents, Mr. and Mrs. Sam Martin, in Fair Bluff, have returned to Fairmont.

Miss Kathrine Cole has returned from Fayetteville, where she spent several days with friends.

Mrs. Frank Floyd returned Monday from Sanatorium, where she spent several months.

Mrs. W. R. Tyner and daughter, Miss DeLesline, of Lowe, spent a day last week with Mrs. N. W. Jenkins.

Miss Elizabeth Baker left Tuesday for Richmond, where she will be a member of the school faculty.

Mr. and Mrs. J. Quince Bullard spent Sunday with Mrs. Bullard's parents in Fair Bluff.

Dr. R. L. Pittman of Fayetteville was in the city for a short while Sunday. He and his family are spending a few days at Lake Waccamaw.

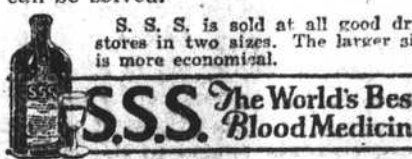

Miss Kathrine Galloway left Tuesday for Greensboro, where she will be a member of the city school faculty for the second year.

## -to build up weight!

**ANY WOMAN**, any man, can now have a well-developed face and form. The whole, simple secret of a well-developed form is in the number of blood-cells in your body. You can now forget all the theoretical talk about diet, exercise, fat treatments, food-fats and fat-foods. Nothing is of any use, after all, except blood-cells!

Thin, run-down men and women, with bony necks, sunken cheeks, bony shoulders—all these are suffering from one thing—too few blood-cells. Science has proved that S.S.S. helps to make the rich red-blood-cells, which you need. Your blood is starving for these new blood-cells! Give your blood the blood-cells it needs—take S.S.S., the great scientific blood-maker. S.S.S. has done marvels, too, in making beautiful complexions, clearing the skin, making lips rosy red, the cheeks full and plump—because it rids the blood of impurities which cause pimples, blackheads, acne, blotches, eczema, itching, and rheumatism, too. As the medicinal ingredients of S.S.S. are purely vegetable, it may be taken with perfect safety. This is why S.S.S., since 1826, has meant to thousands of underweight men and women a plus in their strength. Start taking S.S.S. today and your great problem, that of your personal appearance, can be solved.

To Establish Movie Studio in Carolina Mountains.

(Ben Dixon McNeill in Raleigh News and Observer.)

Marion, Aug. 31.—Transfer of one of the largest moving picture studios in America from California to the mountains of western North Carolina and the establishment of an important colony of artists in connection with it is contemplated in the purchase of more than 1,000 acres of mountain land in McDowell county by Thomas Dixon, noted novelist, playwright and moving picture producer.

Brief announcement of the purchase of the lands by Mr. Dixon was made a week ago. Since then, his purchases have been extended. Before leaving Marion several days ago he declared that he was acting on behalf of a combination of more than 40 authors, musicians, and artists who contemplate the establishment of a community in North Carolina.

Details of the plans, under consideration will be made public after

**SALE UNDER MORTGAGE.**  
Under a decree of the superior court of Robeson County entered in a foreclosure proceeding therein pending wherein American Agriculture Chemical Company is plaintiff and John W. Oxendine and others are defendants, I will on Monday the 14th day of September, 1925, at 12 o'clock, noon at the court house door at Lumberton, N. Cummings and E. J. Johnson, on the south by the lands of Richard Jones and A. A. Cummings and on the West by the lands of John Locklear, being the same land described in a certain bond for title registered in book 7 "F" page 24 register's office Robeson County. ROBERT C. L. WRENCE,  
Commissioner.  
McIntyre, Lawrence & Proctor,  
Attorneys for Plaintiff, 8-13-4 Thurs.

Mr. Dixon has reported to them in New York during the present week, it is understood here. Work on the development of the property is expected to begin during the fall, and a part of it will be ready for use by next spring. The entire plan will be completed within the next year and a half. Mr. Dixon will return to Marion, he stated, during September.

**Griffith Probably Interested**  
Which of the moving picture producers is interested in the purchase of the property here Mr. Dixon did not disclose. It is well known that he is intimately associated with David Wark Griffith, with whose collaboration "The Birth of a Nation" was produced twelve years ago, and many assume that Mr. Griffith may be the man who will transfer his interests to the South.

## SEABOARD AIR LINE'S FAST TRAIN TO FLORIDA RESORTS RESTORED TO SERVICE

All-Pullman Dining Car Train—Initial Trip on September 7th, Two Months Earlier Than Last Year, Account Tremendous Florida Traffic. Norfolk, Va., Sept. 3.—Ever alert and progressive in provision of what the day and age calls feature transportation, the Seaboard Air Line railway restores its famous "All Florida Special" to service some sixty-five days earlier than last year.

The unprecedented movement to Florida from the New England states and from the central and middle western states has utterly smashed all records; hence the first trip south-bound from Washington will be made September 7th and the first north-bound from West Palm Beach, St. Petersburg and Jacksonville on September 9th.

The schedule will be fast and the stops few. Only Pullman, dining and baggage cars will be carried, and through connection will be made at Jacksonville for all points in Florida including the beautiful scenic highlands, the Lake and Ridge regions—Auburnade, Winter Haven, Florence Villa, Lake Wales, Avon Park, Sebring, Okeechobee and West Palm Beach, where prompt connection is made with first class bus service to and from Miami.

The Seaboard Air Line is now the only railroad to both the east and west coasts of Florida, to Central Florida and across the state over its own rails, without interchange, with any other line.

It is also the only railroad directly reaching both Tampa and St. Petersburg with the same service on the same line.

Madison, N. J.—William O. Stoddard, 90 years old, once private secretary to Abraham Lincoln, died at his home here Aug. 29. He was a veteran of the newspaper profession.

Raleigh—Ashley Roberts, of Wake Forest bus line, were injured Sunday in an automobile accident on the Raleigh-Wake Forest highway, about two and a half miles south of Wake Forest.

"You're low on gas—that's all!"

"DIDN'T you know that if you have less than three gallons of gas in your Ford, you are liable to stall on steep hills? Next time this happens get out your gauge stick and see how much gas you've got. Then, if the gas is low, turn the car around and run her up the hill backwards. That little trick will save you from getting a wrecking car out for nothing."

These stunts that experience has taught the Fleet Boss come in mighty handy, but if you want to play really safe keep your tank well filled with "Standard" and you won't stall on any hill. Take a look at the oil level, too, before you start on your trip. Have you tried the new "Standard" Motor Oil for Ford cars? It is the best we have found so far and we use a lot of Ford cars ourselves.
