Price-Kinlaw Marriage a Surprise—Rev. C. R. Hester is New Postmaster—Methodists Will Hold Revival in March—Lee-Jackson Day Exercises and Prize Papers—Personal.

By Bessie G. Johnson
St. Paul, Jan. 28.—News of the marriage of Miss Annie Kinlaw of our town and Mr. E. J. Price of Wingate, which took place Monday afternoon at 5:30 at the home of the bride's mother, Mrs. Melissa J. Kinlaw, Blue street, came as a surprise to friends here. The ceremony was performed by Rev. Lonnie Sasser of the local Baptist church, pastor of the bride, with no outside witnesses or attendants save her immediate family. Following the ceremony the happy couple left by automobile for a few days' visit among relatives in Laurinburg. The marriage was the culmination of a romance that had its beginnings some time previously, when as drug salesman, the groom boarded in the Kinlaw home. They have the good wishes of their numerous friends for a life of success and happiness.

Rev. C. R. Hester received Tuesday morning an appointment as local postmaster to succeed Mr. S. L. Parker, who held this position several years. Mr. Hester will not be a stranger in the office as he has been there before.

The local Methodists are planning to have a revival about the latter part of March. The pastor, Rev. J. A. Dalley, has been invited to conduct the services while at Ranger from elsewhere is hoped to be secured.

Delightful exercises were held in the high school auditorium on Thursday afternoon last week in annual

A WOMAN'S ADVICE!

Columbia, S. C.—"I was suffering with feminine weakness which developed after motherhood. I got so nervous that I could not sleep or rest at night, was very thin and so weak I could scarcely get around. I had a terrible time with my back, it ached so, and bearing pains in my side. But Dr. Pierce's Favorite Prescription relieved me of my ailment and built me up in health and strength; my nerves were stronger and I could sleep. I gained in weight and felt fine. 'Favorite Prescription' is the very best medicine a weak woman can take."—Mrs. Nellie Walker, 2517 Park St. All dealers, Tablets or liquid.

How Doctors Treat Colds and the Flu
To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.
One or two Calotabs at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasures. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please—no danger.

How Doctors Treat Colds and the Flu
To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.
One or two Calotabs at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasures. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please—no danger.
