SLIGHT CHANGES IN OFFICIAL VOTE

Recorder Kornegay's Majority Decreased Nearly 400 as Result of Mistake in Addition-Perry Has One Taken from His Total of 18-Other Changes.

Slight changes were made in the total votes received by the various candidates in the county when the county board of elections met here Monday to canvass the returns of the primary Saturday. The biggest change was that of the vote of Recorder P. S. Kornegay of Lumberton, which was reduced from 2,432 to 2,046 as a result of a m.stake in addition. The total votes received by Jno. S. Butler, W. M. Oliver, W. J. Council and G. A. McKay, all candidates for the lower house of the state legislature, were a few less than those given in Monday's Robesonian. Another outstanding feature of the official count was that the vote of Levi Perry, candidate for sheriff of Robeson county, was reduced from 18 to 17, a zero in the tormer county having been taken for a 1. Lumber Bridge neglected to vote for U. S. Senator and a zero was recorded for Lee S. Overman and Robert R. Reynolds.

The official votes for U. S. Senator, recorder of the Lumberton district, and all the county officers are as follows: U. S. Senator-Overman 4,864,
