

**Free-For-All Fight
Ends In Local Court**

Joel Britt and Three Children
Convicted of Assault on A. K. Stone
and J. F. Connor and Fined—No
Pros Taken for Stone and Connor
on Charges of Assault on Britt—
Fracas "Like Gang of Mules Kicking."

WATERMELONS COST A LOT

Joel Britt and his children, Rintz,
Polyanna and Bob Britt, were
convicted in recorder's court yesterday
of assault upon A. K. Stone and
J. F. Connor and each was fined \$10
and costs. The fine for Bob Britt
was later remitted. A nol pros was
taken by the State against J. F. Connor,
charged with assault on Joel
and Rintz Britt, and against A. K. Stone
for assault upon Joel and Polyanna
Britt. The case occupied the whole
day of recorder's court, it being wholly
contested. Evidence showed that the
fracas was a free-for-all fight, with
all, with the possible exception of
Bob Britt, taking part.

Warrants for all the Britt's were
sworn out on July 23, and on Tues-
day of this week four cross-indict-
ments were made by the Britt's on
Connor and Stone.

Description of the Fight.

A. K. Stone, the first witness put
on by the State, gave a pretty clear
description of how the fight occurred.
He stated that he was at Jet
Connor's tobacco barn on his father's
place on the night it was alleged the
trouble occurred. Jet Connor and his
family and H. Pittman were there.
He and Connor and Pittman went to
Connor's watermelon patch, getting
three watermelons, eating one and
starting back to the tobacco barn with
the others. While passing some corn
belonging to Joel Britt, he testified,
Polyanna and Bob Britt ran out of
the corn. Bob ran in front of him
and Polly behind. Both had sticks.
Polly ran up to him and hit him
across the shoulder with her stick;
Bob drew back as if to hit him, and
Jet grabbed the stick. He hit the girl,
he said, and about that time her
father, Joel Britt, and brother, Rintz
Britt, came up, the father hitting Jet
for interfering. Jet hit Joel on the
hand, and Joel called for gun. Rintz
also joined in the fracas. Jet wrung
the stick out of Bob's hands, but
there was no evidence that Bob had
used it at all. Joel hit Stone two
or three times, according to Stone's
statements.

Events Preceding the Fight.

After the description of the fight,
Stone testified to events leading up
to it, stating that Joel Britt had
taken his daughter, Polyanna, away
from him a few nights previous as
he and the girl and a daughter of
Carson Britt sat out in the dark in
an automobile, and that Britt cursed
him; some days later he had had a
fight with Bob Britt, in which he got
the upper hand, and that on the day
which the big fight occurred he had
seen Polyanna at the mail box, and
was told that she wanted him to do
her like he had done her brother Bob.

Like Gang of Mules Kicking.

Jet Connor corroborated Stone's
testimony as far as the fight and at-
tendant circumstances were concern-
ed, and pictured the scene when all
the Britt's arrived and got in the
fight as being like a gang of mules
when all were kicking at the same
time.

Polyanna Britt's Testimony.

Polyanna, on the stand for the
defense, denied her father's cursing
Stone on the night she was made to
leave Stone. On the night of the
fight she said that she was at the
tobacco barn when she heard some
one she thought was some girls com-
ing to the tobacco barn to sit up
with them. She and her brother Bob
went out to meet them, not knowing
that it was Stone, Connor and Pittman.
When she got out to the road, she
was at once attacked by Stone, who
was knocked down and kicked, and
called her father, who, with her brother,
came to her assistance. She denied
having any sticks and said that her
brother had none. She also testif-
ied that none of the men had any
watermelons, as they alleged. Like-
wise she denied cursing Stone at the
mail box and said that she had had
no conversation with any one to the
effect that she did. This latter testi-
mony was refuted by Mrs. Hessie
Britt, who swore Polyanna had in
course of conversation told her that
she cursed Stone.

The Whole Affair Was One of the

worst family controversies aired in
court here in some time. Stone is a
nephew of Joel Britt and is related to
the other Britt's who were defendants.
It was brought out that the deacons
of Long Branch church had tried to
get all of them to compromise the
suit before it reached court and had
been unsuccessful. Stone's father is
one of the deacons in the church.

Stolen Watermelons Costly.

From an economic standpoint it
does not pay to steal watermelons to
eat, or so it was proved in Recorder
Konegay's court. Rogie Council,
colored, charged with larceny of wa-
termelons, was required to pay \$10.70
in costs and 75 cents for the water-
melons; while Eddie Council, colored,
was remanded to the juvenile court
on the same charge. Henry Grooms,
Thomas Duncan and James McIntyre
were each taxed with \$10.70 costs on
charges the same as the above.

Levy Blount was Sentenced to the

juvenile court for 60 days after being found
guilty of the larceny of \$2.75. He
was also required to pay back the
money stolen. Notice of appeal was
made, and bond was fixed at \$250.
Bob Russell was sentenced to the
roads for six months this morning on
a charge of abandonment.

**Lumberton's Quota
Has Been Raised For
Chamber of Commerce**

100 Memberships at \$10 Each
Secured Here for Robeson County
Branch of Eastern Carolina Chamber
of Commerce—Pembroke Also
Has Raised Quota and Many Other
Towns Are Practically Over.

**CHAIRMAN LENTZ CONFIDENT
AMOUNT WILL BE SECURED.**

Lumberton's quota of 100 mem-
berships at \$10 each, or \$1,000, has
been secured for the Robeson county
branch of the Eastern Carolina Chamber
of Commerce, Chairman A. E. White and
Mr. M. F. Cobb, of the soliciting com-
mittee, completing a 2-day intensive
canvass yesterday afternoon.

Pembroke was the first town re-
porting to County Chairman J. C.
Lentz of St. Paul that its entire quota,
100 memberships, had been raised. In
a telephone conversation with The
Robesonian this morning Mr. Lentz
stated that several other towns of
the county had reported their quotas
practically raised and that all towns
are making drives this week. Chair-
man Lentz is confident that all towns
and the banks of the county will se-
cure the amounts allotted to them.

**Hurricane Takes Heavy
Toll on Florida Coast**

Two Lives Lost and Property Damage
Estimated in the Millions—Palm
Beach Loss \$1,000,000

Jacksonville, Fla., July 28.—(AP)—
The West Indian hurricane that has
raged along the coast of Florida
since Monday, passed off the coast
near Jacksonville late today and ad-
vanced toward Georgia. It was ex-
pected to strike the coast near the
Georgia line.

The storm took only two lives as
it passed up the Florida coast, but it
caused property damage estimated in
the millions. Palm beach's loss was
estimated at \$1,000,000, that of
Stuart, Fla., at \$200,000 and Miami's
at \$100,000, in addition to damage to
shipping, telegraph and telephone
wires and crops at scores of places.
The storm apparently was lessening
in intensity as it came up the coast,
but was still of hurricane force. In-
habitants and summer residents at
coast resorts hurried into the city for
safety. Vessels sought shelter in
inner harbors.

**Haynes Wilcox In
Toils of Law Again**

Will Be Tried This Afternoon on
Charge of Assault with Deadly
Weapon Upon Gordon Britt of
Britt's Township—Britt Enters \$2,-
000 Damage Suit—Also Alleged Wil-
cox Beat Brother.

HAS LONG CRIMINAL RECORD.

Haynes Wilcox was arrested yester-
day afternoon and placed under a
\$1,000 bond for appearance before
Justice of the Peace Rexford Step-
hens this afternoon on a charge of
assault with a deadly weapon upon
Gordon Britt of Britt's township with
intent to kill. It is alleged the assault
was preceded by an altercation about
Wilcox's wife. Suit has also been be-
gun by Britt for \$2,000 damages said
to have been done him by Wilcox.

Injuries to Britt consist mostly in
his being severely cut about the face
with a pocketknife and beat with a
stick, it is reported.

It is alleged that Leslie Wilcox had
his brother, Haynes, down beating him
when Haynes called out for help, and
Leslie turned him loose. Getting up
and turning his back to Haynes, Leslie
was attacked from the rear, knock-
ed down and badly beaten. Les-
lie denies this report, stating that he
fell down in a briar patch and got the
scratches about his body. Haynes,
however, admitted to officers that he
beat Leslie. No warrant has been
drawn for either of the men on this
charge.

Haynes Wilcox is the same man who
was charged with cutting Edgar
Green some three or four months ago,
and Green disappeared from the hospi-
tal three or four days before the
trial. It is supposed that Green left
after being paid off, as a note for his
hospital expenses was endorsed by men
of that community.

Wilcox is now under parole by Gov-
ernor McLean on charges of kidnapp-
ing, housebreaking and secret assault
on Ben Freeman. He was sentenced in
Robeson Superior court to 60 days in
jail on these charges and only served
a few days of the sentence. Leslie
Britt was given thirty days on the
same charge. Two Lovett boys, acces-
sories to the crime, were fined \$100
and costs, which amount was paid by
Haynes Wilcox.

Wilcox has also been in court a
number of times on whiskey charges.

**Kiwanis Club Has
Interesting Meeting**

Kiwanian Gough Wins Cake of Soap
and Messrs. Thompson and Bullard
Draw Talking Beans.

**TOBACCO INTERESTS WILL BE
FEATURED AT NEXT MEETING**

Reported for The Robesonian.

At the meeting of the Lumberton
Kiwanis club on Tuesday evening at
the Lorraine a large number of the
regular members was present. The
program featuring the tobacco inter-
ests was postponed until next Tues-
day night. This was done because of
the absence from town of four of the
warehousemen. Mr. W. W. Davis, how-
ever, was not lacking in the arrange-
ment of a program.

A "handsons" prize, consisting of
a cake of soap, was tied for by
Messrs. S. F. Caldwell and Frank
Gough. At the drawing for the prize
it was awarded to Mr. Gough. Pres.
L. R. Varsler in awarding the prize
insisted that it played a very neces-
sary part in a man's life and urged
that it be used by Kiwanian Gough
at least once each day.

A collection of beans was passed to
those present. Messrs. Geo. L. Thomp-
son and Ira Bullard drew black beans
and were called on to make speeches.
These were of few words but to the
point.

Lieutenant District Governor Bob
Herring and Past President Davis of
the Fayetteville club were visitors and
expressed their pleasure in attending
the regular weekly meeting.

Kiwanian A. E. White, chairman of
the soliciting committee in securing
memberships for Robeson county
branch of Eastern Carolina Chamber
of Commerce, reported his committee
having only worked a short while
Tuesday afternoon and had secured
over half of Lumberton's quota of 100
memberships. (The entire quota has
been secured since then.)

Mr. Reize, new manager of the
Lorraine hotel, was presented. Mr. O.
O. Dukas was appointed to have charge
of the program for the meeting next
Tuesday evening.

Mr. B. F. Hanchy of Lumberton R.
4 was a visitor in town Tuesday.

work has been of great benefit to us,
helping us to be more efficient home

makers;
"2nd. That while we regret the
financial condition which influenced
the commissioners we feel that as
this is the only way the county is
directly aiding the women in home
building, it should not be discontinued;
"3rd. That we respectfully request
our commissioners to reconsider the
matter and hope that they can see
their way clear to carry on this work.

In and Near Parkton**

Series of Meetings This Week at
Parkton Baptist and Marvin Meth-

Hold a Splendid Convention.

GOOD RAINS SAVE CORN CROP.

(By C. D. Williamson.)
Parkton, July 27.—Reporting news
as it comes, we must report the col-
ored Sunday school and V. C. E. con-
vention of the Laurinburg district,
which was held at the Hatcher's chap-
el, A. M. E. Zion church, Parkton
church, July 22, 23, 24 and 25, Rev.
G. W. Harrell, pastor. The conven-
tion was largely attended and the
colored people of Parkton and the
surrounding community royally en-
tertained, serving two meals each
day. The preaching, speaking and
singing were above the average, and
much enjoyed, not only by their race
but several of the white citizens at-
tended some of the sessions, and on
Sunday evening the singing contest
was a feature. St. Paul choir and
the local choir sang and it was a
rare treat to hear these able choirs
sing.

The judges in rendering their
decision, awarded the Parkton choir the
gold medal.
Much more could be said in re-
gard to the exercises. It was au-
gury and the colored race deserves
much praise for their splendid con-
vention, which was an inspiration;
and the order was good throughout
the entire convention.

Our town and community were
visited by a very large rain Saturday
evening, also Monday a large rain,
and some today. The crops are look-
ing some better. The rain came just
in time for the corn crop in our com-
