Auto Smash Near Oil Mill This A. M.

Ford Car and Truck Crash at Oil Mill and All Occupants of Ford Injured—Mrs. Lester Prevatt and Small Daughter Taken to Hospital.

A Ford touring car driven by Lester Prevatt of route 6 from Lumberton and occupied by him and his wife and small daughter, Ruth, aged 5, collided with a Ford truck operated by John Stevens of Lumberton, route 4, about 10 o'clock this morning near the mill of the Robeson Manufacturing Co., and all the occupants of the Ford were injured, Mrs. Prevatt and her daughter being taken to the Baker sanatorium for treatment.

Mr. Prevatt was coming toward Lumberton and the truck was in the act of turning in at the oil mill when the accident occurred. The driver of the truck said that he was looking back at another car, according to Mr. Prevatt, and did not see his car. The left side of the touring car was badly crushed in front and the windshield broken out, and the left side of the truck was likewise greatly damaged, the wheel on that side being broken to pieces. From a view of these vehicles it appeared that the Prevatt car was on the right of the road and that the truck crashed into it when it turned across the road in front of it. Mr. Stevens claims, however, that Mr. Prevatt was speeding and that he did not see him because of another car that was passing.

None of the injuries were of a serious nature. Mrs. Prevatt received a severe bruise above the right eye and several cuts and bruises about the face and body, and the child was also cut and bruised in several places. Mr. Prevatt suffered a bursted lip and bruises about the face. Mr. Stevens was not injured.

Solicitor F. Kretz Carlyle went to the scene of the wreck and stated that a warrant would be issued for Stevens' arrest.

The resignation was accepted with regret, and Miss Mary McEachern of Red Springs, her sister, was unanimously elected to fill her unexpired term. Baptists Will Erect Sunday School Building

\$40,000 Educational Building Will be Erected on Lot South of Present Sunday School Department of First Baptist Church.

WORK WILL BEGIN EARLY IN COMING YEAR.

A 3-story Sunday school, or educational, building, to cost \$40,000, will be erected next spring by the congregation of the First Baptist church of Lumberton on the vacant lot south of the present Sunday school department of that church and east of the parsonage.

A recent canvass of the membership of the church resulted in pledges of \$40,000 for the new building, payments to be made in five annual installments, the first payment of one-fifth being due January 1st next. As early as possible after that date work will be begun, and it is hoped to have the building completed by the middle of next summer.

The new building will take care of at least 600 students in regular departmentized Sunday school work. The present Sunday school annex of the church, which was erected about 15 years ago, will be used for adult classes.

It has not yet been decided whether the new building will face Sixth street or will front the west, as the church building does. The new building and the old will be connected by an arcade.

The advisability of securing a lot elsewhere upon which to erect a parsonage, moving the parsonage and leaving its present site for a church lawn, has been discussed, but no definite decision has been reached.

Including actual and potential members, by potential meaning infants and others in Baptist families, there are more than 1,400 people connected with the First Baptist Sunday school, and some members are in favor of erecting the new building with a capacity of 1,000, but present plans are to have a capacity of at least 600.

Woman Goes to Jail to See Husband and Stays To Sober Up

Virginia Bethea Comes Down from Fayetteville to See Husband. Who Is There in Connection with Maxton Store Robberies and Warmth of Jail Proves Too Much for Her Liquor—Gets Dead Drunk and Remains That Way Until 10 O'clock That Night.

Virginia Bethea, colored, came down from Fayetteville to see her husband, Clarence Bethea, who was placed there in default of a \$1,000 bond under which he was placed by Recorder Williams of Maxton last week after probable cause was found against him for being implicated in one of the many store robberies occurring in Maxton recently, the warmth of the jail proved too much for her liquor, and she was given a berth there until Recorder P. S. Kornegay could try her this week. The recorder obligingly gave her the preference of paying a \$25 fine and costs, and, being unable to pay the amount, she is now in jail keeping her husband company.

Virginia came to Lumberton with several other colored people, and local citizens who saw her condition warned them against letting her get out of the car. She insisted on going in to see her husband, however, and, when the warm air of the jail had had its effect on her, she was done for. She admitted to Recorder Kornegay that she had taken two drinks she had got from "a man", one whom she did not know and did not know where to locate.

First Baptist Church Has Made Great Record During Past 8 Years

Dr. C. H. Durham States Some Interesting Facts at Service on 8th Anniversary of Second Pastorate Here.

WONDERFUL PROGRESS MADE.

Figures a Revelation Even to Members of Congregation—Dr. Durham's First Pastorate Here Covered a Period of 14 Years.

With a prayer that the next eight years might be even greater in results for the advancement of the kingdom of God, Dr. C. H. Durham closed Sunday morning at the First Baptist church a service in which he reviewed the work of this church during the eight years of his second pastorate here and unfolded a record of advancement and growth that was a gratifying revelation, and astonishing withal, even to members.

Some Interesting Figures.

During the past eight years the congregation of the First Baptist church of Lumberton has contributed to all church purposes the grand total of \$166,916, which is just slightly less than twice the total for the preceding 8-year period. This is a yearly average of \$20,864.50. For benevolences during this last 8-year period the church has raised \$107,449, a yearly average of \$13,430. During the preceding 8-year period the total for benevolences was less than one-fourth as much, or \$25,920. For local expenses during the last 8 years the church has raised \$54,467, included in that amount being \$6,000 for a Baptist church in North Lumberton. During the preceding 8-year period this congregation built a Baptist church in West Lumberton.

Citing these figures, not boasting, but merely as concrete evidences of growth and outward manifestation of an inward spirit, Dr. Durham said that there is a greater spirit of unanimity in the congregation than ever before and that he does not think that any pastor anywhere has ever had more hearty cooperation, and urged that greater stress than ever before be placed upon spiritual growth.

Membership of this church has increased about 200 during the past 8 years, notwithstanding the fact that during that period the congregation erected a church in North Lumberton to which many former members were transferred.

Dr. Durham has served as pastor of the First Baptist church of Lumberton for 22 years, coming first to this church 26 years ago, in 1900, four years after he entered the ministry. He was pastor here then for 14 years, and during his first pastorate the present splendid house of worship was erected. In 1914 Dr. Durham accepted a call to Winston-Salem, where he remained a little more than 4 years. Dr. Charles Greaves being pastor during that period.

THE HUT HAS BEEN GRADUATED UP TO A Sunday School Department. The 2-room building erected on the high school grounds several years ago to take care of some classes temporarily until the new high school building by the First Baptist church to serve another temporary purpose and relieve crowded conditions in the First Baptist Sunday school until the new Sunday school building, mentioned elsewhere in this issue, is completed. This building, artistically known as "The Hut", was moved yesterday on to Mr. K. M. Biggs' lot in rear of his residence and in rear of the First Baptist Sunday school. After being abandoned for school purposes the rooms were used by the Woman's club until it was provided for in the high school library. The building was purchased by Mr. W. O.
