IN SOCIAL CIRCLES

STEPHENS-JOHNSON

Miss Rosa L. Johnson and Mr. J. Pope Stephens surprised their hosts of friends by going to Dillon, S. C., yesterday afternoon and being quietly married.

Mrs. Stephens is the only daughter of Mrs. Lorena Johnson. She is a graduate nurse of Highsmith hospital, Fayetteville, and has for the past two years been living in Lumberton. She has the enviable reputation of being one of the most efficient nurses of this section of the State and has a host of friends who will be interested in knowing of her marriage.

Mr. Stephens is one of Lumberton's own boys, and is a man who enjoys the confidence and esteem of all who know him. Nothing too good could be said of his steady-going habits. For the past 15 years he has been an employee of the Freeman Printing Co. and is at present linotype operator for that firm.

Mr. and Mrs. Stephens are making their home in a cottage on Water street.

On Friday, January 21st, the Junior Music Club held its first meeting at the home of Miss Christine Johnson, North Elm street. Eight new members were added to the roll. Although they were given only short notice, the following rendered a most delightful miscellaneous program: Misses Corie Ellen Crumpton, Janice Paul, Edna Coleman, Mary Cobb, Elizabeth Proctor, Cecile Carter, Elizabeth Thomson, and Sara Hamilton.

At the next meeting we shall study American composers and their works, and at every meeting one member of the club will give Current Events pertaining to music of importance. It is the purpose of the club to take up, in the near future, the study of an opera, in some form.

On account of the rapid growth of the club we have found it inconvenient to meet in private homes and greatly appreciate the courtesy of the Lorraine hotel management in offering us the banquet hall of the hotel for our meetings. On Friday, February 17th, the next meeting of the club will be held at the hotel.

FAMOUS VIOLINIST COMING TO FLORA MACDONALD COLLEGE

Red Springs, Jan. 24.—Max Rosan, famous violinist, will be presented in a splendid recital at Floral Macdonald college on the evening of January 31st.

Though a young man, still in his twenties, Rosan is well known on the continent of Europe and this is his fifth tour of the United States. He has played for royalty, at one time winning such success in Norway and Sweden that he was presented with a pair of cuff links belonging to King Haakon.

Needless to say his technique and skill are wonderful, touch and delicacy of fingering to be especially noted. But more than this, or rather, added to this, are his personal characteristics and innate talent, developed to a rare degree.

His violin is a Stradivarius, valued at \$20,000. It was a favorite instrument of Leopold Auer, with whom Rosan studied, and is a wonderful one.

The human personality of Max Rosan adds to the charm of his recitals. He is young and attractive, and a devotee of such things as chess and other amusements, a genius and a human being at the same time.

Entertain at Mansion.

(From Raleigh News and Observer.) Miss Margaret and Angus Wilton McLean, Jr., delightfully entertained at a dinner party Friday evening at 7 o'clock at the executive mansion.

There were about 40 guests from Raleigh's youngest social set and the following out-of-town guests: Miss Isabel and Pemberton Grey; Miss Mary Catherine Proctor, of Lumberton; Miss Margaret Townsend and Nat Townsend, Jr., of Dunn.

STATE SENATE DOES NOT MEET UNTIL NOON DAILY

Raleigh, Jan. 24.—(INS)—The Senate, which has been meeting heretofore either 10 or 11 o'clock in the morning, will not meet until noon for some days to come.

Things to Know Before Baby Comes THE expectant mother's comfort and well being is very important. And one of the most important things for her to do is to use Mother's Friend to keep the skin and muscles soft and pliable—thus aiding the tissues and muscles to relax and adjust themselves to the changes during motherhood. Mother's Friend is the formula of an eminent physician and has been used by expectant mothers for over three generations. No woman awaiting the joy of motherhood should allow the days to pass without using Mother's Friend. Mrs. Laura Hendrix, Grammont, Okla., writes: "I used Mother's Friend with all my babies and I think it is the greatest help that has ever been discovered for expectant mothers. I can't say too much for it." Mother's Friend is safe for you to use because it contains no harmful drugs and is applied externally. Mother! Insist on Mother's Friend—the same as used by our mothers and grandmothers—don't start using tonight
