Shanghai Base For World Revolution Says Cantonese Commander

General Pai Declares Chinese People Have Awakened-Warns Against Attacking Foreigners.

Shanghai, March 23-(AP)-The Chinese people have awakened and the great commercial center of Shanghai will be not only a strong base for Chinese nationalism but for a world revolution, said a manifesto issued to the Chinese people today by General Pai Tsung-Hsi, Cantonese commander.

"The people must distinguish, however," the manifesto continues, "between attacking imperialism and foreigners. They must not insult the foreigners and destroy their property."

Declaring that for 80 years the im_ perialists under the protection of unequal treaties, have been reducing China to a state of vassalage, the manifesto warns that the Chinese must understand that the nationalists do not intend to create a general antiforeign movement, but seek to abolish "all institutions and systems of imperialistic character.

The nationalists intend to use propaganda and not military force to gain their purpose, the manifesto asserts, giving as the program: Abolition of unequal treaties, alteration of the status of the Shanghai international settlement, withdrawal of exers, disposal of the missionary schools and recovery of control of the post and customs.

While the Cantonese continued to settlements on either side, foreign au_ thorities managed to get into contact with General Pai Tsung-Hsi, who, in addition to being commander of the

(By C. D. Williamson) Parkton, Mar. 22 .- The entertainment given by the 4-H club last Friday night was much enjoyed by a large attendance. Miss Carl claims the success was due to the effort of Mrs. N. A. McMillan, who assisted in arranging the program, which was an informal one of many features, of which we only mention a few. First was a reading given by Vera Byrd. The second to appear on the stage was Justin McNeill Jr. of Lumberton, and his recital would have given credit to a boy in his teens. He showed no sign of stage fright and received loud applause. Ramond Canady, president of the club, and Josie Williamson, secretary, Miss Carl has shown much interest in the 4-H club at Parkton and the young people appreciate her effort. Mr. John Blount McLeod, an attorney of Lumberton, made a splendid speech most appropriate for the occasion, which was much enjoyed.
