Cleause the Vitisted Blood whenever you find its im purities bursting through the skin in Pineples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanes it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Pin, Tape, and other Worms, lurking in the Pin, Tape, and other Worms, larking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermitages, no antheliminties will free the system from worms like these Bitters.
