Horse Napoleon,

NOW in full health and vigor, will stand the ensuing season at my stable in Salisbury, at the moderate price of twelve dollars the season; seven dollars the single leap, and twenty dollars for insurance; which will be demanded as soon as the mare is discovered to be with foal, or the property transferred. The season will commence the first day of March, and end the first of August.

Fifty cents to the groom, in every instance.

MICHAEL BROWN.

February 9, 1821.—13w38 DESCRIPTION.—Napoleon is a beautiful sorrel, ten years old this spring, sixteen hands and one inch high, of most excellent symmetry, and possesses as much power and activity as any horse on the continent; and as a race-horse stands unrivaled.

M. B.

PEDIGREE.—Sky Scraper, the sire of Napoleon, was got by Col. Holmes's famous imported horse Darc Devil, who was bred by the Duke of Grafton, and got by Magnet, out of Hebe; Hebe was got by Chrysolite, out of an own sister to Eclipse. Sky-Scraper's dam was the celebrated running mare Oracle, who was got by Obscurity; his grandam by Celar; his grandam by the imported horse Partner.

Obscurity, Celar and Partner, were all fine-bred horses, descended from the best blood in England. Slow and Easy, the dam of Napoleon, was got by the imported horse Baronet; her dam, called Camilla, was got by Cephalus; her dam, who was sister to Brilliant and Burrell's Traveller, was got by Old Traveller; her grandam by Fearnought, out of Col. Bird's famous imported mare Killister. The above pedigree of Camilla, was given by Gen. Wade Hampton, of S. Carolina, who bred her for Gen. Gunn, of Philadelphia.

Signed, JNO. ALLSTON.

PERFORMANCE.—I do hereby certify, that Napoleon has run four races, all of which he has beat with great ease; the last over the Salisbury turf, beating Branch's Sir Druid, Singleton's bay horse, and Jones's colt; Branch's and Singleton's horse he distanced. He has never been brought to the turf since; and I do recommend him as a sure foal getter.

Land for Sale.

THE subscriber intends to remove himself and family to the State of Tennessee, sometime in the fall of 1822, and wishes to make sale of his possessions previous to that time; he takes this method, therefore, to acquaint the public that he will sell, for a fair price, the following tracts and plantations in North-Carolina.

One tract on the Ubarree, Randolph county, containing about one thousand acres, with three improvements on the same. This is believed to be as valuable a tract as any in the county, having about 300 acres of first rate river bottom.

One other tract, one mile and a half from the town of Salisbury, containing 600 acres, with a Saw and Grist-Mill on the same, in good repair, and as handsome a situation as any in the neighborhood; containing, likewise, a neat, convenient farm, with good buildings, &c. Also, two small tracts of wood land, near to the mill tract, containing about 400 acres, and two other small farms about five miles from the town of Salisbury, containing 200 acres each.

Along the plantation on which the subscriber now lives, with considerable improvements on the same, containing about 600 acres, some of which is very valuable land.

He will also sell his possessions in the town of Salisbury, viz: the house and lot which Mr. Allison now occupies, with seven other unimproved lots in said town. Any person wishing to purchase any of the above-mentioned possessions, is earnestly invited to call on the subscriber, living 5 miles east of Salisbury, Rowan County.

The season to commence the 18th March, and end the 1st of August.

GEN. JACKSON is a beautiful dark bay, six years old this spring, sixteen hands two inches high, and was got by the imported horse Dion, out of a Diomedes mare; his grandam was a Bedford, as I was informed by the gentleman of whom I got his dam.

Gen. Jackson has only been tried once on the turf, which was last fall, and then not in good order. He ran the two mile heats against the celebrated horse known by the name of Rakestraw, and was beaten; but he ran the two mile heats in good time, and could have done better, but stopped in three of the miles, the rider not
