MOBILE, SEPT. 5.

We learn from Pensacola that fifteen persons were buried in one morning, who had died of the yellow fever. Dr. Bronaugh, President of the Legislative council, was severely infected. The governor and all the principal inhabitants are said to have left the city. The above unwelcome news came by the United States' revenue cutter Alabama, captain Foster, who arrived on the first instant; since which it has been reported that a boat which touched at Mobile Point brought a report that Dr. B. had died.

No Floridian was received by last Saturday's mail—a circumstance which has created fears in our minds for the fate of the worthy editor and others at Pensacola.

None so deaf as those that WON'T hear.

At York assizes, on Monday, as soon as the Lord Chief Justice had taken his seat, the names of the jurymen were called over, and several certificates of ill health, &c. were produced to account for the absence of some. One was produced by a juryman himself, stating his extreme deafness as a cause for being excused serving; when the following scene took place between the Lord Chief Justice and the Juryman:

Chief Justice—(In a loud voice)—How old are you, my good man? No answer.

Chief Justice—(In a louder voice)—How old are you? No answer.

Chief Justice—(Still louder)—How old are you? No answer.

Chief Justice—(In a very low tone)—Well, you are excused serving; can you hear that?

Answer—Yes; and he immediately left the court, amidst a roar of laughter.

MARRIAGE.

At the late extra session of the legislature of Tennessee, an act was passed to amend the laws concerning marriages. No white man to intermarry with a negro, mulatto, or mustee, or any person of mixed blood, bond or free, till the third generation, under the penalty of $500; no minister of the gospel or justice to marry such persons, under the penalty of $500; and the said pretended marriages so celebrated shall be null and void. If any white man shall live with a negro, &c. as a man and wife, he shall forfeit 500 dollars, and shall be indicted in a circuit or county court, and punished at the discretion of the court; no clerk shall issue such license under the penalty of 500 dollars, and be subject to be indicted and punished at the discretion of the court.

Valuable Houses & Lands

FOR SALE.

I WILL sell, during the week of the Mecklenburg Superior Court, if not previously disposed of, the corner Lot, and Houses thereon, now occupied by Jonas Cohen, including the Store house now occupied by Cowan & Vail. This lot is one of the most eligible stands for business in the town of Charlotte. I will also sell, at the same time and place, one small tract of land adjoining the town lands, containing 41½ acres; all of which is good arable land. The greater part of this tract has been cleared, and is now under cultivation.

Also, I will sell, at the same time and place, one tract of land in Rowan county, on the waters of Withero's creek, adjoining the lands of John Cowan, sen. and others, containing three hundred acres. This tract is principally wood land, of a good quality, and well timbered, except about twelve acres of excellent meadow.

Terms will be made accommodating.

Pocket Book Lost.

I LOST a red morocco Pocket Book, between my house, in the Forks of the Yadkin, and Salisbury, or in Salisbury, on the 11th inst. Taggart, for upwards of $6; and a mortgage from Edward Boswell to myself, dated in March last, and $14 40 cents cash, and some papers not recollected. I will satisfy any person who finds, and will either leave it with Sheriff Jones in Salisbury, or deliver it to me.

AGRICULTURAL NOTICE.

THE annual meeting of the Mecklenburg Agricultural Society will take place at the Court-House in Charlotte, on the 3d Saturday in October next; where the members, and others friendly to the cause of agricultural pursuits, are earnestly solicited to attend. We sincerely hope that every intelligent farmer in this county will turn out to a man, and produce specimens of their agricultural knowledge, together with their implements of husbandry, and live stock of every description; it being the science taught our first parents before they fell from their first estate, before they knew those multiplied evils which have since been brought upon their descendants; and may, therefore, be said to have the blessing of the Deity himself. Let us arouse from our present lethargic state, and tear asunder the veil of prejudices that has shrouded our minds and paralized our intellectual exertions. We anticipate a numerous and respectable meeting; and hope, ere long, we will be able to say with one voice, *God speed the Plough!*

Notice to Jailors.

RAN AWAY from my plantation, in Lancaster District, South-Carolina, on the 5th of Sept. a negro fellow by the name of *Peter*. He is about 22 or 23 years of age, six feet 2 or 3 inches high, of a slender make, thin visage, throws his head back and speaks with considerable consequence when conversing, has a sore on the bottom of his right foot, which is at present small, but the surrounding scar is larger than a dollar—the toes are useless—but he wears a shoe on that foot. I purchased Peter from Mr. John K. Vincent, who brought him from Orange county, N. C. near the Caswell line. In returning to that place, he will probably be lodged in some jail; and in that condition, I expect, will deny his name and owner. Any jailor who may have him in custody, will please direct a line to the subscriber, at Liberty Hill, Lancaster District, S. C.—for which satisfactory acknowledgements shall be rendered. JOHN GOOCH.

Blind Horses.....cured.

THE subscriber wishes to inform the citizens of the United States, that he has obtained a patent from the President of the United States for a new and useful discovery in the method of curing BLINDNESS in HORSES. The manner of treatment is simple, and very easily performed. Numbers of people have given certificates of the great usefulness of this discovery, and others are ready to testify in the same way, should they be called on. The subscriber wishes it not to be understood, that horses whose eyes have become dead, can be brought to their sight again: but, in many cases, where they have been blind from one to seven years, by his method they have been restored to perfect sight, and ever after remained so.

Rights for States, or single counties, may be obtained by applying, either personally or by letter, to the subscriber, or his agent, in the town of Huntsville, Surry county, N. Carolina. A right for a single county will be sold at from 50 to 100 dollars, proportioned to the population thereof. JOSEPH SATER.
