A lady was fately near being killed by a sportsman in England. She was paseine on borschack while he was in a field. and seeing only the feathers of her bounet over the wall, mistook her for a bird. and fired.

the shop of Mr. Iurner, a grocer at 154. Thame, in England, on business, and while he was talking, a wast flow into his mouth and stung his throat so dreadfully that an inflamountion ensued, which prevented respiration, and caused the unfortunate man's death.

Fifty millions of dollars, (says a writer,) it is calculated, will be spent this year. in the United States, for ardent spirits; on the average, while our national tax is but \$2! "But," says another writer, " Fifty millions of dollars lost is a trifle. a point of vanity compared with the moral influence of intemperance. This immense sum was poured down the throats of about 4.000.000 men, 75.000,000 gallons of liquid fire. A quantity sufficient to supply a constant stream of 8000 gal-Jons an hour; a quantity, which, if collected and put into a reservoir, would \$750. form a small ocean, on whose bosom might be anchored a line of war ships half a mile in length, or if gathered into a canal, would fill one four feet deep, 14 feet wide, and 30 miles long."

The Races .- The shortest time ocoupied in running the heats at New-York, Baltimore, and Petersburg, at the late races, is reported to have been,

At New-York, 3 mile heats, 6 m. 1 sec. Baltimore, 6 m. 5 sec. Petersburg. 5 m. 53, sec. N. V. 2 mile heats,

At New-York the purse was taken by Knickschooker, at Baltimore by Washington against Plying Childers (the successful horse in Charlesson last spring) and at Petersburg by Janet was mid not to be in good order.

PHILADELPHIA, NOV. 17.

We have this week to report no less than ten deaths by Natural Small Pox. When it is considered that we have reexpress our surprize that so large a pertion of our citizens should be so thoughtless as to neglect a safeguard against so deadly and loathsome a disease.

Democratic Press.

The Fredericksburg, (Vir.) Herald, of the 29th ult. mentions that 4000 Hogs had recently passed through Harrisonburg, for the lower country.

Gen. Jackson, on his passage from Tennessee, to take his seat in the U. S. senate, was received with military and civic honors at various places. A great dinner was given to him at knoxville, at which the following toast was drank, among many others:

"Our distinguished guest, General Andrew Jackson-The youthful patriot of the Revolution; the Republican Statesman of '98; the consummate General of 1815; he neither seeks, nor declines, official responsibility."

A letter received at Baltimore from Laguira dated the 18th of November, states that general D'Evereux having expressed a disinclination to go to Russia, had been appointed by the Colombian goverment, Ambassador to the United States. The government had determined on placing Porto Gavello, and the entire coast of the republic, in a state capable of giving its enemies a warm reception, should they again dare to make an attack .- Eve. Post.

Ireland-Report says that Lords Carberry and Gort, are to supply the vacancies in the representative peerage of Ire-

The following is an extract from the special ; of the governor of Tennessee, delivered before the general assembly of that state.

44 However strongly our feelings may be calisted in favour of the debtor class of society, there is no means of Legislating them out of their embarrassments. The remedy is with us all 4.788,024 individually ; and the sooner we apply 471,718 it in earnest the better. We must be economical and industrious; we must encourage the use of domestic or The large item of excise, was collected household manufactures, And above 401; beer, 2,955,344; bricks and tiles, of the business in which we may be engaged, shall be a little over or at determination to pursue a course of this kind, will soon make us an independent, a prosperous, and a happy

### MARKETS.

PATEFFRYICIR, Duc. 11. The Cape-Fear, we are happy to state, is not navigable. The Steam-Boat Henrietta, started on Saturday evening for Wilmington, and will be back it is probable, this morning. Several Flats, baded with Cotton and Flour, have likewise sailed. Business will now revive, and we trust will not again be interrupted during the Ohserver.

Charleston, Dec. 8 .- Cottons .- Uplands have generally maintained the prices quoted in our last-some of the very best are will held as high On the 3d of Sept. a person went into as 16 cents, but we have heard of no sales over | to, 25 - 18,

> Cheraw, Dec. 5 .- Cotton, This article still continues to decline and the prospects of an advance no way favourable. Inferior to fair 12 a 124 cta. Good to prime 124 a 134 cts .- Intelligencer,

Extract of a letter from Liverpool, duted Nov. 1. The import of cotton during the past month amounts to 18,943 bales, of which 8,715 were from the United States; whilst the sales of all sorts consist of only 24,709 bales. The consethat will be about \$5 for each individual quence of such limited operations has been a decline of fully 1d per pound; and though this reduction induced the buyers last week to come forward more freely, and better prices were obtained than had been submitted to the week preceding, no permanent advantage has been derived, the market being at this moment in a very dull and depressed state. N. Y. pa.

> Salaries in Vermont .- The Secretary t State receives \$450 a year; the Tressurer, \$400; and the Governor

A singular petition has been presented to the Legislature of Tennessee. during its present session-one Lamas Champit acquaints the representatives of the state, that, wishing to fulfil his duties to society, he is desirous of taking to himself a helpmate. He also expresses his conviction of being blessed with a numerous offspring, and therefore prays " he may have a law passed allowing him to have a Belliard close of the Revolutionary War, and afterwards Table, for the support of his intended a Brigadier under Wayne, in the Western Arwife and children.

The Missionaries at the Sandwich against Henry, both colts of Sir Archy. Henry Islands have been endeavoring to instruct King Rhihoriho in the first principles of Geography and Astronomy. They found some difficulty in reconciling him to the globular form of the earth. He had conceived, with spectable Physicians regularly appointed the ancients, that the earth was an exin this city, whose duty it was to vaccinate tended plain, and that the sun, moon all who may apply to them, we cannot but and stars, moved round it every day. He, at first, supposed that such a revolution of the earth as is represented in the Copernican system, must dera: ge and scatter every moveable substance on the surface; but when he began to see the evidence of the earth's globular figure, and of its diurnal motion, he appeared to be gratified; but said pleasantly to his people, " take care of your calabashes, as the earth turns over."

> Ichthyology .-- General Calvin Jones, of this vicinity, has forwarded to New-York a piece of skin, with its horny and impenetrable scales, from an enormous Pike, esox lossens, of the western waters. This fish was killed with a rifle, in the Forked Deer River, near the town of Jackson, in the Chickasaw country. Its length was six feet, girth three feet, and weight 150 pounds .-Three or 4 other bony scaled pikes have been seen near the same place, and fired at repeatedly but without effect. All of them have a practice of rising every few minutes to the surface, and of spouting water, frequently to the height of ten feet; and the blowing could be heard from 100 to 200 yards .- Raleigh Register.

C. W. Gouldsborough, Esq. has been appointed Secretary to the Board of Navy Commissioners, vice J. K. Paulding, Esq. resigned, and W. G. Ridgeley is appointed First Clerk in the office.

Season of Legislation.-No less than sixteen Legislatures will probably be in session at the same time, in different States, the present winter,

A South Hirst .-- A party comportsmen from Milford, Ct. lately killer 750 black snakes before their return.
