Store-House at Mocksville, TO REAT.
THE subscriber wishes to rent the following property, during one year, or for a term of years, to wit: a lot at Mocksville, Rowan county, on which a spacious store-house, with a good cellar, and a large two-story house, divided into convenient and useful apartments, are erected. Mocksville is near about in the centre of that section of Rowan, known as the Forks. As that part of country, both as to fertility of soil and population, is not inferior to any, a profitable result might be anticipated from a mercantile establishment at that place. Gentlemen in that business, and wishing a situation, are invited to call and view the premises, and judge for themselves.
ELIZABETH M. PEARSON.
Mocksville, May 22, 1824. '09

House and Land for Sale, ON LOW TERMS.
THE subscriber is fully authorized by the last will of Henry Bruner, dec'd. and also by the legal representatives, to sell the well known Plantation whereon the deceased did live, about 12 miles east from the town of Salisbury, on the south side of main Yadkin, containing 189 acres; about 60 of which is of the best river bottom in North-Carolina. There is on the premises, a good and large dwelling-house, and barn, apple and peach orchard, with many other conveniences, to justify me in saying that it is one of the best Plantations, agreeably to the number of acres, on the river. It is now offered at private sale: the payments will be made easy; a credit of one and two years, or if a payment is made of one half, a credit of two years. But if not sold at private contract, it will be offered at public Auction, on the premises, on the wishing to purchase at private sale, may, at any time, apply to.

Coach Making.
THE subscriber begs leave to return his grateful acknowledgments to his friends and the public, for the very liberal patronage he has received in the business; and informs them, that he has procured a number of workmen from Philadelphia and Newark, which enables him to finish work in a style rarely seen in the western part of the state. He also has a continual supply of materials, of the best quality and most fashionable patterns. He intends keeping constantly on hand, at reduced prices for cash only, Sulkies, Stick and Panel Gigs, Chariotees, Coaches, Landaus, Phatons, Barouches, Landaus, Caravans, and Mail Stages, of a superior construction. Repairs done at the shortest notice, and in the best manner. Orders from a distance thankfully received, and punctually attended to.

Coach Making.
THE subscriber offers his services to the public in the above line, and flatters himself, from long experience and steady application for a number of years, in Europe and America, to give general satisfaction to those who may favor him with their work.
Carriages of all descriptions, Panel'd and Stick Gigs, Sulkeys, &c. made and repaired on reasonable terms. SAM'L LANDER.
Salisbury, April 26, 1824. 304

Martin F. Revell, Tailor,
ADOPTS this plan of informing the citizens of Salisbury, and its vicinity, in general, that he has commenced the Tailoring Business, in part of John Utzman's house, situated in Market Street; a few doors from the East corner of the Court-House; where he is prepared and will be happy to accommodate any gentlemen who are disposed to patronize him in his line of business, in the neatest and most fashionable style, or to please fancy. He flatters himself, from his long experience, that there are but few, if any, in the country, that can surpass him in the execution of his work. A fair trial is all he asks, to prove the above assertion. The changes of fashion shall be strictly attended to, as he has left a correspondent in the District of Columbia, (where he is last from) who will send him the fashions on, in their regular seasons. He hopes by strict attention to business, to receive a liberal share of public patronage, as he is determined nothing shall be left undone to render general satisfaction.
