MEDICAL.

FOR THE WESTERN CAROLINIAN.

Lincolnton, N. C. May 23d, 1826.

Mr. WARR: From information, I am induced
to believe that in the Western part of the
state, a number of persons who are labouring

Case the 1st. Mrs. Edwards, one of the poor
of Lincoln county, age about 55 years, of an
inflammatory constitution, 13 years before

Case 2d. Jacob Youder, of Lincoln county,
about 25 years of age, made application to me
for cataract in the right eye.

Case 3d. I bled him and gave him a cathartic,
which operated as an emetic. 6th. Gave him
oil resin; operated well, and gave him ease.

January 12th, 1824. He returns; his sight
much about the same as when he left here, but
that part of the aqueous humor all dissolved,

examination, Rachel would pause to
answer a question, and then correctly

The 2d and last case that I shall mention
for the present, is the case of a young man of
Glen F. Finney's. He had received an injury

The above three cases, Mr. White, I have
abridged as much as possible, to give any thing
like a particular history and treatment of them.

There is at present to be witnessed
in the town of Otisco, in Onondaga
county, N. Y. an instance of what Dr.
