

LATEST FROM EUROPE.

By the arrival of the ship Canada at New York from Liverpool, English papers to the 17th April have been received.

Affairs of the East.—The advices from Russia and the East are equally as dubious, overcharged and contradictory as before.

It is true, that "a letter," said to be "from Odessa, March 20," announces the receipt of a Russian manifesto.

The Greeks and Turks.—The papers before us contain advices from Constantinople to the 19th of March.

This intelligence, says the Morning Herald, which had transpired before, but has been generally discredited, is now placed beyond any doubt.

It is stated in the Augsburg Gazette, that Ibrahim Pacha has been summoned by the Lord High Commissioner to evacuate the Morea.

According to the Courier, the Prussian Minister at the Porte, has been recalled, to afford explanations relative to his embassy.

Russia and Persia.—At length, we have official advices of the Peace between Russia and Persia.

An engraving, called the Dream of Maria Louisa, was sold publicly at Paris on the 2d ult.

THE NEW TARIFF.

Washington, May 16.—The National Journal says, "the tariff bill has finally passed the two Houses, the House of Representatives having yesterday concurred in the various amendments made by the Senate in that bill.

The Tariff.—It will be seen (says the U. S. Telegraph of the 14th inst.) that the Tariff act is to take effect in September next.

We consider this extension of the time at which the bill is to take effect, as peculiarly unfortunate, —unfortunate for the South and West, because the location of the branches of the Bank of the United States in those sections, will enable that mammoth institution to produce a pressure upon these communities, in her efforts to collect the specie necessary to meet the demand for it for exportation.

The Noae pulling.—In the House of Representatives, on the 16th inst. Mr. McDuffie, from the Select Committee on the President's message, relative to the assault on his private Secretary, made a report thereon, and Mr. P. P. Barbour presented a report by the minority of the same Committee; both of which were laid on the table, and ordered to be printed.

Retrenchment.—In the House of Representatives, 15th inst. Mr. Hamilton presented a report from the Select Committee on Retrenchment; and Mr. Sergeant presented a report from the minority of the same Committee; both of which were referred to a Committee of the Whole on the State of the Union, and 6000 copies of each were ordered to be printed.

In the Senate, on Thursday, the 15th inst. the Vice President of the U. S. having retired from the Chair as the presiding officer of the Senate, the Hon. Samuel Smith, one of the Senators from the State of Maryland, was yesterday elected President pro tempore of the Senate.

It will gratify the friends of equity and humanity, to learn that the bill for the relief of the Survivors of the Revolutionary Army, has at length become a law, having finally passed the House yesterday, by a vote of about 2 to 1.

Liverpool, April 17.—From the 12th inst. to last evening, there was an animated demand for American cottons; and an advance on former prices of full 1-8d.
