

Wings, Woodcock, John C. Wright. The resolution was then passed, yeas 111, nays 37. Those who voted against the resolution, were Messrs. Armstrong, Bartley, Beecher, Burges, James Clark, Creighton, Culpeper, John Davenport, Dorsey, Johns, Lawrence, Martindale, Pearce, Martindale, Pearce, Pierson, Reed, Sergeant, Sloane, H. Thompson, E. Tucker, Vance, Varum, Vinton, Wales, Whittlesey, Williams, Woodcock, John C. Wright—28.

It will be seen that many of the administration members, fearful of offending Mr. Clay, and unwilling to vote against the resolution, left the House. Of this class who voted to lay the resolution on the table, and left the House rather than vote against it, are Messrs. Samuel Anderson, Bailey, Baldwin, Barnard, Bates, Buckner, Gorham, Hodges, Long, Marvin, Newton O'Brien, Storrs, Swann, Tracy, Wingate, and John Woods.

Well might Mr. Stevenson say that he felt both gratified and flattered at the manner and circumstances under which the vote of thanks was given. It will be seen that of the friends of the administration, who voted in favor of the resolution, are, Messrs. Noyes Barber, Barney, Bartlett, Blake, Brown, Buck, Condit, Gurley, Healy, Ingersoll, Little, McIntire, McLean, Merwin, Plant, O. H. Smith, Swift, Washington, Whipple.

Whilst those who voted against it, are, Messrs. Armstrong, Bartley, Beecher, Burges, James Clark, Creighton, Culpeper, John Davenport, Dorsey, Johns, Lawrence, Martindale, Pearce, Sergeant, Sloane, Vance, Vinton, Wales, Whittlesey, Williams, Woodcock, and John C. Wright.

All who are conversant with the history of these men, (says the U. S. Telegraph) are at no loss for the motive influencing their vote—a private grief—or party malice—characteristic of the man who would desolate the republic with "war, famine, pestilence, or any other scourge" to retain himself in office.

Destructive Fire!—A very destructive fire broke out in Hayard street, city of New-York, on the 26th ult.; and before it was got under, the costly and splendid Bowery Theatre, with 12 or 15 other buildings, were burnt down;—\$60,000 was insured on the Theatre, but that did not cover the whole of the loss; there was little or nothing insured on the other buildings. A negro has confessed that he was hired to set fire to the house in which the conflagration first appeared.

Columbus.—The sale of lots in the new town of Columbus, at the Falls of Chatahoochie, Georgia, is advertised to take place on the tenth day of July next. One fifth of the purchase money to be in cash, the balance in four equal annual instalments.

Major General.—In the Senate of U. S., the bill which had passed the other house, to abolish the office of Maj. Gen. in the U. S. Army, has been rejected; and the nomination of Gen. Alexander Macomb, confirmed, 11 senators voting in the negative.

The nominations of James Barbour, as Minister to England; Gen. Harrison, as Minister to Colombia, Gen. Peter B. Porter, as Secretary of War, Beaufort T. Watts, as Secretary of Legation to Russia; and of E. T. Tayloe, as Secretary of Legation to Colombia, are confirmed.

Snelson, the bank robber, was arraigned for trial at Petersburg on the 21st ult.; was convicted by the jury, and sentenced to hard labor three years in the penitentiary.

Orange County.—The following persons are announced as candidates to represent Orange county in the next General Assembly: Dr. Montgomery, in the senate; John Boon, John Stockard, Thomas Taylor, and Hugh D. Waddell, commons; Frederick Nash, and Richard S. Clinton, for the Town of Hillsborough.

James Cooley, Esq. U. S. Charge de Affaires to Peru, died at Lima, on the 24th February last.

The weather has been unusually warm for a number of days past, the thermometer ranging from 70 to 90 degrees; and as there have been reasonable rains, it has been fine "growing weather." The farmers have commenced making their hay: the grass is remarkably luxuriant. The standing wheat is beginning to present a golden aspect, and will be ready for the sickle in two or three weeks: the crop is, in general, very good. Rye is remarkably good; and we have observed that there was more sown the last season than usual. Oats are very good; and corn, perhaps, never looked better. The agriculturist has, consequently, abundant cause to be grateful to "the giver of every good and perfect gift," for the fruitfulness of the earth this season. Every thing is

plenty but fruit: there are a few, very few, apples; but no peaches, and but very little other fruit of any description. But we shall have the substantial of life, without stint.

Cyrus B. Robison, who was convicted of larceny, at the late term of the superior court in this place, and whipped, has again been apprehended, and confined in Concord jail, under a charge of breaking open a store in Montgomery county, and stealing sundry articles of goods therefrom. The case of this young man is a peculiar one: He is apparently non-compos; but when at liberty, will steal every thing that comes in his way: there is much difficulty in disposing of his case: feelings of commiseration would prompt a jury to be lenient towards him; while justice and the public safety would dictate a rigorous execution of the laws.

We have been advised of yet another bloody affair in Lincoln county: On Saturday, the 31st ult. a warrant was issued against Moses Bumgarner for assault and battery, on which he was apprehended by a constable named Henry Tarr: On their way to jail, Bumgarner contrived to cut his hands loose, and get a knife, with which he stabbed Tarr in five or six places, so severely, that the physicians pronounced his wounds mortal. Bumgarner was secured; and will receive his trial at the next superior court, if he does not escape in the mean time.

Huntsville, N. C. June 2, 1828.
Maj. White: As an instance of the pro-cocity of vegetation this season, I will take the liberty of mentioning, that I saw, on the 28th day of May, in the garden of *El Hoyl*, in Lincoln county, large and luxuriant Coax in full TASSEL. Should you not have seen or heard of any thing of the kind to excel this, you are at liberty to name it in the Western Carolinian.

A Friend.
[We have neither seen nor heard of any corn being in tassel, as early as the 28th ult.] Ed.

A friend communicates to us the result of a vote taken in Capt. Walker's company, on Waxaw creek, Mecklenburg county, on the 5th of April: For Jackson 90 For Adams 99

A correspondent informs us, that at a late muster of Capt. Belt's company, near Dillonville, in the lower edge of Mecklenburg county, the sense of the company present was taken on the subject of the Presidency; the result of which was: For Jackson 191 For Adams 1

240,000 Acres of LAND, FOR SALE.

THE subscriber will offer for sale, at the Court-house in Waynesville, in the county of Haywood, on the fourth Monday in June, it being the week of Haywood county court, one hundred and thirty-eight thousand acres of unimproved LAND, lying in said county, on the waters of French Broad, Tuckasege, Scott's creek and Oconalufey.

Also, on the third Monday in said month, at the court-house in Asheville, in the county of Buncombe, twenty five or thirty thousand acres of unimproved Land, lying in the county of Buncombe, on the waters of French Broad and Swannanoah.

Also, on the fourth Monday in July, at the court-house in Morganton, in the county of Burke, sixty or sixty-five thousand acres of unimproved land, lying in said county, on the waters of Toe, Elk, and Watauga Rivers. The sale will continue one week at each place, unless the lands should be sooner disposed of. The lands will be sold in tracts, containing from two hundred to one thousand acres.

Bonds will be required of purchasers payable on the first day of April, 1829, with interest from the day of sale; and the subscriber will enter into obligations to make a good and lawful title when the purchase money is paid, and not before.

The salubrity of the climate, the fertility of the soil, the abundance and excellence of the range, are equalled in few parts of the United States. Persons residing in the low and sickly countries, planters and graziers, would do well to attend the above sales, as good bargains may be had.

This part of North Carolina is the favourite summer retreat of the southern people. Any person or persons preferring to purchase at private sale, can be accommodated, by calling on the subscriber, who may be found at one of the above places. Should all the lands be disposed of during the weeks of sale, another sale may be expected shortly afterwards, as individuals may purchase privately. JOHN BROWN. May 17, 1828. 3:18
