Wool has increased in price at the north, since the passage of the new tariff.

of the office of Treasurer of Pennsylvania, by the legislature of that state; this, we should suppose, was but a sorry recommendation of the man to the President for Treasurer of the Union.

We are glad to learn that Mr. Henry Tarr, of Lincoln county, who, it was stated in our paper a few weeks past, was dangerously stabbed by a man named Rumpner, whom he had in custody under a warrant for assault and battery, is in a fair way to recover.

In addition to what we have heretofore published in relation to the state of crime in Lincoln county, we have heard of a horse having been stolen, and a man robbed; but as no lives were lost, it may not be worth our while to go into particulars.

While on this subject, it occurs to us that we have recently seen it mentioned by a paper in this state, apparently with much surprize, that "300 convicts have been pardoned out of the prisons in New-York, during the last year."

FOR THE WESTERN CAROLINIANS. Mr. Editor: I believe it is customary to make known to the world, through the medium of newspapers, things out of the common course of nature: I will therefore mention a fact, which you can make such use of as you may think fit.

Indiana....We give the following balloting for President, in the state of Indiana, in addition to what has already appeared in our paper. Indiana, it will be recollected, is claimed by the Adams folks; we shall soon see how little reason they have for preferring such a claim:

In Grange county, 860 votes for Jackson; 314 for Adams; and 30 neutral. In Green county, an old Revolutionary officer writes that Gen. Jackson will get three-fourths of the votes there.

In Washington county, 454 for Jackson, 195 for Adams. In Lawrence county, 357 for Jackson, 52 for Adams. Bartholomew county, 217 for Jackson, 90 for Adams.

De Witt Clinton.—The Grand Lodge of New York has appropriated a sum sufficient to repurchase the splendid Vases presented to this great man by the merchants of New-York, as a memento of their high respect and veneration for his gigantic talents, and his unparalleled services in the cause of internal improvements.

The editor of the Yorkville Pioneer offers a premium to all those of his customers who shall pay off their accounts before the first week in August. A broad hint.

Mr. Rochester, our Charge d'Affaires near Guatemala, whose arrival at Savannah was mentioned yesterday, is stated in the Georgian of the 12th inst. to have returned, from a conviction that under existing circumstances, the residence there of a diplomatic agent from the United States would not only be useless but impolitic, and that our Consul there, Mr. SAVAGE, will be adequate to all our public objects.

Charlotte Courier, 14th inst. [Mr. Rochester is going back to New-York with the view, no doubt, of receiving the Administration nomination for Gov. of that state. But we hope he may be disappointed.]

Extract of a letter from Kentucky. "Although you must be aware that the election in this state for governor has some local points mingled with the presidential election, still it will be gratifying for you to know, that the Jackson candidate, Major Barry, will succeed by upwards of 5000 majority. He has traveled in almost every county, addressing the people in animated and republican style, and with complete success.

Latest news of Solomon Southwick, Esq. In the last Albany Observer we find the following gratifying intelligence: "I am through Divine Providence, still alive, in good health and spirits, and am now engaged in preparing an Address, to be delivered at Le Roy, on the 4th of July, in which I hope to show that not only Free Masonry, but all Secret Combinations, are at war with our free institutions."

Col. King.—This gentleman, who went to Arkansas on his own business, eluded the pursuit of Garlinghouse & Bates, who were sent to apprehend him for the supposed abduction of Morgan, as he did not wish to be carried in *durance vite* so long a distance. He has however, returned to Niagara county, New-York, and addressed the following card to the gentlemen who pursued him:

WILLIAM KING. In the U. S. Senate, on the 26th ultimo, Mr. Foot, of Connecticut, offered the following resolutions, which were, at his request, laid on the table:

Resolved, That the assault made by Russel Jarvis, within the walls of the Capitol, upon the Private Secretary of the President, charged with the delivery of an Executive message to the Senate, when in session, is a contempt of the sovereign power of the Nation, and breach of privilege of the Senate.

Specie Payments.—We learn from an unquestionable source (one of the Directors) that the State Bank of North Carolina has paid, during the last four weeks, Specie, Drafts on the North, Notes of the Bank of the United States, and Notes of other Banks equally as good, to the amount upwards of 100,000 dollars.

The Tariff.—The Milledgeville Southern recommends that a Congress assemble from all the States opposed to a protecting Tariff, in order to devise and recommend such measures, consistent with the Constitution, as may be best calculated to protect them against the operation of the Act.

From Peru.—Extract of a letter from Lima, dated March 20. "The Congress has been in session for the last eight months, during the greater part of the time engaged in revising the Constitution, which is now finished. It was yesterday signed by the President, Lamar, and on the 25th, is to be ratified by the people. The party in favor of Bolivar in this city, is very small."

By the Apollo, of Boston, thirty days from Tampico, intelligence is received that a Spanish fleet under Com. Laborde was daily expected. A fort had been commenced at the bar, by orders from the Government, which was collecting all the force that could be mustered to oppose him. Three days only were allowed the old Spaniards to remove. The place was healthy.

Central America, according to accounts received at New York, is in a very unsettled state. Grenada had revolted, and was opposed by the inhabitants of Leon.

Duelists.—The King of Prussia has ordered the Count de Lobensat, convicted of assassination in a late duel, to be imprisoned for life, and deprived of all his honors—others concerned have been sentenced to confinement for various periods, among them the Count's second, Poppe, who is popped into *durance* for twenty-five years.

DIED. In Warrenton, on the 23d inst. after a lingering illness, in the 71st year of his age, the Rev. Elijah Brainerd; this is one more of our revolutionary soldiers, who, after having lost his fortune and even spit his blood in the defence of our liberty, has, though severely wounded, been obliged to work unremittingly to support a large family.

Relentless death has again afflicted the Christian association, by removing from us one of our most useful and dearest fellow-inhabitants of Lincoln county, North Carolina.—Mr. Henry Ramsauer, who died on the 30th of May last, at his own residence, in the north western neighbourhood of Lincolnton. On the day following, his remains were committed to the earth, under an immense crowd, who thronged around the silent grave, to pay a last tribute of respect to his departed worth.

Mr. P. Barry's School. We the undersigned, who attended the examination of the pupils of Mr. P. Barry, last week, in this place, consider it due to his care and industry to express our particular gratification at the manner in which the scholars acquitted themselves. They were generally small, and most of them new beginners; yet the accuracy with which they answered the questions proposed to them in their various studies, Geography, History, &c., evidenced considerable progress, and reflected credit on themselves and on their indefatigable teacher.

Dr. Chambers's Medicine FOR INTemperance. FROM the Philadelphia Monthly Journal of Medicine and Surgery, edited by N. R. Smith, M. D. Professor of Surgery in the University of Maryland.

Chambers's medicine for the relief of drunkards, has been used with success near Louisville, in the cases of several negroes. It completely reformed them of their vice. The following is from a circular signed by JOHN RODGERS, JOHN KIMBALL, & FRANK DEANSON, Esqrs. Selectmen of Exeter.—"We would suggest the propriety of making an appropriation from the license tax for the purchase of Chambers's medicine. We have placed a quantity of this article in the hands of our Physicians, who administer it free of expense to all who will take it, and we are happy to have it in our power to state, that more than twenty of our most confirmed drunkards have taken it, and those who have completed their course, have been cured by it, and restored to their friends and to usefulness in Society."

It is prepared only by Dr. James H. Haff, and A. M. Fanning, successors to Dr. Chambers, at their office, in Rutgers' Medical College, and at the Medical Store of Dr. Hart, corner of Broadway and Chamber street, New-York. The medicine is put up in letter packages, sufficient for an individual case, accompanied with directions, and can be sent by mail—price \$5. All orders enclosing the usual price, postage paid, will receive immediate attention. Those who are unable to pay, on personal application of the individual at our office, the medicine will be administered gratis.
