ple cittaens, under whatever change takes

Here the Emperor paused for a few

moments, then waving his hand, he exclaimed in an animating tone, his eye beaming with the exchange of uspiration- France once more public, other countries will follow her example, -- Germans, Prussians, Poles, Italians, Danes, Swedes and Russians, will join in the crusade of liberty! They will arm against their sovereigns, who will be glad to make concession of some of their rights, in order to preserve a misor authority ver them as subjects; they will grant them representative chimbers, and style themselves Constitutional Kings possessing a limited power. Thus the federal system will receive its death blow ; like the thick mist of the ocean, it will dissipate at the first appearance of the sun of liberty : but things will not end here I the wheel of rev lution will not stand still at this point, the impetus will be increased in a tenfold ratio, and the motion will be accelerated in pr portion. When the people recover a part of their rights, as men, they will become elevated with the victory they have ahieved, and having tasted the aweets of freedom, they will become clamorous for a larger portion. Thus will the states and principalities of Europe be in a continual ferment, perhaps for some years wike the earth, heaving in all directions previous to an earthquake ; at length the c mbustible matter will have vent, a tremendous explosion will take place, -the ing the democratic interest as it flows, Trust me, Las Cases, that as from the vines planted in the soil , which en-

prove to be the only soil in which t tree of liberty will take firm and per res! You perhaps consider these seatiments strange and nousual; they are mine, however. I was a republican, but fare and the opposition of Eclipse, rising four years old, sixteen now a spectator of the future.
