

FOR PRESIDENT ANDREW JACKSON OF TENNESSEE Election in 1832.

The inconsistency of men has been the subject of frequent remark...

The inconsistency of men has been the subject of frequent remark, but not the less to be considered on that account. We have with us a party who have been led by their passions, or their interests, but never did we become so completely nauseated, with the hollow hypocrisy of men...

PROGRESS OF FREE TRADE IN N. CAROLINA.

Two years ago there was not more than two papers in this State that would publish any thing concerning the principles of Free Trade, or if they did it was "darning them with faint praise."

SEVEN DATES LATER FROM EUROPE.

New York, April 23. By the packet ship Hibernia, Captain Allen, we have received London papers to the 27th March, and Liverpool to the 28th, both inclusive.

Gov. Moore stated in his letter to his constituents, that Bibb of Kentucky would have voted against Van Buren's nomination if he had been present. The Globe denied the statement, and speaks as if it had authority for saying that he would have voted for the nomination.

We mentioned a week or two since that an attempt was made to get up a Van Buren meeting in Martin County which proved a failure.

It has been recommended to the young men of Massachusetts to form "Societies for the purpose of helping the Cretaker excitement."

The Hon. S. P. Carson has our thanks for the transmission of various public documents.

We have received the first number of a new paper published at Windsor, N. C. by Mr. Jno. Campbell. It promises to advocate strict construction of the constitution and to support the present administration.

INDIAN EMIGRATION.

The N. Y. American, in publishing the Treaty lately concluded with the Creeks, for their final removal beyond the Mississippi, expresses the following sentiments:

THE NATIONAL INTELLIGENCER STATES AS FOLLOWS ON THIS SUBJECT.

"We hear from Georgia that a considerable number of the Cherokee have agreed to go beyond the Mississippi, and that indications rather favor the belief that the body of the nation will, upon certain conditions, voluntarily emigrate."

A VOICE FROM ILLINOIS.

"At a meeting of the citizens of Gallatin county, Illinois, friendly to the re-election of Gen. Jackson to the Presidency, the following is among the resolutions which were unanimously adopted:

AN IMPRESSION.

"A man of rather a shabby appearance, who has understood, by a preaching about in various places, passed through this place on Tuesday last, on his way to the South."

A Berlin paper states that our fellow citizen, Doctor Howe, when arrested in that capital, had a letter of credit for 100,000 francs, upon Dantzig and Elbing, for the benefit of the Polish fugitives in that neighborhood.

A Liverpool paper says, "Lord Cochrane will be promoted to his rank in the Navy." London, Monday, March 26. The ballot for the election of the committee of the Stock Exchange commenced this morning, and occupied the chief attention of the members during the greater part of the day.

At length the satisfaction of congratulating the country on the passing of the reform bill once more through the House of Commons. The majority on the third reading was 316, there being 335 for, and 239 against the third reading.

Mr. Van Buren's friends have so great a desire to preserve the Republican party entire as they pretend to have, why will they press his claims as Vice President? They know that the South will not support him; they know that the West will not support him; they know that the North, with the exception of N. York and N. Hampshire, will not support him.
