DIABOLICAL MURDERS. Through Lebanon, New Hampshire, that a thom any higher. But they were not listened secone of the most inhuman and ferocious to the tax to were raised. What did the nul. and hope we shall never see its face again. A edepravity was exhibited in that town on affers now do? Did mey want to pass a "blue. giance at its principles are sufficient : The sev-Saturday morning last. A respectable dy bill," and cut their neighbors throats? No. soth reads thus - " slavery all over the world Sman by the name of Annia, had been pay they said to a taxes were high enough, but, as must be evertheren, or the mileanial period ing attention to a young lady by the name the debts of the government, were not paid, promised in the Christian scriptures, will never of Fox, and about ten days ago they were they would pay their part. Well, the year take place. No. 8, Stavery all over the world a turried .- The brother of the lady was 18.4 soon rollied round, and the same scenes vi vient in his opposition to the union, from a b clief that Mr. Annis was actuated by no other deceased father's farm, and declared openi v, that if the marriage took place, he would murder them both. On Saturday thornin y, Mr. Augus and his wife, and Pox, were su ting at the breakfast table, when Fox man e a pass at Annis, with the knife be way us ing, and attempted to stab him. A misparr ted the thrust, upon which Fox sprang upo a the table, and ran into the yard, where he seized an axe and returned to the house. Mrs. Annis, at the moment, screamed mar der, and made her way out of doors, with a view to alarm the neighborhood, and obrain assistance.

As Fox re entered the house he met Anhis, and levelling the axe at his head with of the orch, and exercised to a the part popular of the second of the se of his strength, he skyles him on the side

was not satisfied with this; he turned and snow was deep, and he soon had her in his grasp. Pulling from his pocket a pistol londed with shot and ball, he applied the muzzle to her head, but could not discharge it.

He then struck her with the butt of i until it was unstocked-beat her with his fists until she dropped-and then jumped upon her body, and stamped on it until an was put to har grouns and suffirings He dragged the mangled body into a ditch covered it with snow, and fled to an ad pining barn where he hid himself in a pil of straw. He was soon found, and was in the custody of the civil authorities when our informant left the town. The age of Mr. Aunie was about \$5 - his wife what younger. Fox is about 30.

From the Boston Centinel. We learn in relation to this horrid affair that Fox has been for several years an 1diot under guardianship, and that at times he exhibited the frenzy of a maniac .- He enjoyed a property of a few hundred dollars, which on this occasion, he conceived and he drove a yoke of osen into the woods ing them taken from him by Annis, as he stated; he also broke up a sled in conse but they cant say so in print. The Republican party will have to come to it at last, or join Webster, consolidation, and and her husband. After the homicide he Last, or join Webster, consolidation, and concealed himself in a place which, he had placed them on ours. The number of the real improvements, and Agriculture to eath federalism, of the old stamp. They can't constructed in the barn. On the examination device, and were not to be unused by the same the above weeks a Prospectus of nation, he appeared to be excessively atu that all the parties were miserable people and of no character. These facts, we be lieve, are correctly stated, and they are all that we have heard that are material to set forth this bloody scene,
