a secount of the reception of the Antina Overing, of Downingville to his supports, Jack Downing, of Washington 1 oclamation is a capital thing. You oys have been saved. hard I have made politics my study for forty years, and I must my it's the most met him the next day after the proclaon come, and he was chuck full of the

" My dander began to rise and I could not hold in any longer. Says 1, squire Dudley, shut up your clack, or Pit knock your clam shells together pretty quicks f after we've worked so hard to get presi dent Jackson in, you federalists are going much as though he was your own presideat, You've a right to grumble and find and marched on, looking shamed enough.

The pest day we concluded to have a public meeting to pass resolutions in favor the proclamation. I was appointed shurman. The federal party all came Lyking round, and wanted to come in and pers have already been removed to them; help praise the president. We told 'em no. was our president and our proclamation. and they must keep their distance. S. we shut the doors and went on with our esolutions. By and by the federal party eran to hurra for Jackson outside the Luse. At that I told sargeant Joel and your cousin Ephraim and two or three and enlarged. The dimensions will be as more of the young democrats to go out and clear the coast of them are fellers -And they went out, and savgeant J. of drew his piece of a scythe and went at lem, and the federalists run like a flock of sheed with a dog after 'em. So we finished varhes dutions without getting a drop of feder . The work is to be executed under the about mixed with 'em, and sent 'em on to asperintendence of Mr. Wm. F. Drumthe president by surgeant Joel. He got mond, of Washington City. to onpany together last week, and they filed their konpeacks with bread and saus ages, and doe nuts, and started for Wash: logt in according to your orders."
