

P. J. SPARROW Proposes to Publish, in Salisbury, N. C. A Monthly Magazine, UNDER THE TITLE OF

# The Family Assistant.

PROSPECTUS.

THE FAMILY ASSISTANT shall be dedicated to RELIGION, EDUCATION, and GENERAL LITERATURE. Especially it is intended to assist Parents in the difficult and highly important task of educating their families. The Editor has two very interesting associations under his charge—a Bible Class, and a General-Knowledge Class for each of which he prepares written questions, and, for his own satisfaction, written answers. Should the proposed magazine go into operation, those questions and answers will be published in it. It will be the endeavor of the Editor to make the proposed publication as interesting as he possibly can—to fill its pages with such articles as shall be worth reading; and, as it will sppear only once a month, each one who takes it, may find time to read it.— The articles shall, in general, be short. Such items of Foreign and Domestic Intelligence-secular as well as religious-as shall be deemed interesting, will be inserted. In fine, it is intended to make The Family Assistant minister profit and amusement for the long winter nights and sultry summer noons.

I. It will be issued on the 20th of every month-and will contain sixteen Imperial Octavo Pages, in double columns, printed on a new and legible type, and on ve

ry superior paper.

2. The subscription price will be One Dollar and Fifty Cents if paid in advance, and Two Dollars if not paid until the expiration of three months.

3. No subscription can be received for a shorter pe riod than one year; and no paper discontinued until all arrearges are paid, except at the Editor's discretion. 4. 67 The publication will commence on the 20th of April, provided a competent number of subscribers ean be obtained; and our friends who may hold sub-

scription lists, are requested to forward them on by the 1st of that menth. February 15, 1834. P. J. SPARROW.

Opening of the Episcopal School

IN consequence of the unusual inclementy of the past winter, the progress of the Building de-signed to serve as a Dormitory for the pupils in this Institution, has been retarded much beyond the expectations of the Executive Committee, under whose directions it was commenced in December lust. And us the material of this structure is stone. the process of working in which is necessarily slow and greatly dependent on the weather, there is now no hope of its completion by the time heretofore specified for commencing the School,

This circumstance, together with the difficulty likely to be experienced in procuring in time from the North certain articles of furniture indispensa ble to the establishment, and the recently express ed opinion of the Rector, that, without the accommodations to be afforded by the new building, he would be unable to carry into successful operation the system adopted, has constrained the committee, ration of a year's subscription, will be considered as a lowever reluctantly, to postpone for a few weeks, new engagement the time for opening the School.

The Public, therefore, are respectfully informed that the EPISCOPAL SCHOOL WILL BE OPENED, (not on the first of April as before advertised, but) on Monday, the 2nd day of June next; at which time it may be confidently relied on that every thing will be in readiness.

By order of the Executive Committee, GEORGE W. FREEMAN, Sec'y. Raleigh, March 8, 1834.

This work is ornamented with a number of fine en-gravings, among which is a striking likeness of the President, the Author, and several other distinguished characters; also, a variety of cuts, illustrating a num-ber of extraordinary and graphic scenes described by the facetious, eloquent, and learned Biogropher.

> The thorough-bred Horse Eclat.

WAS raised in North-Hampton County—he is a beautiful sorrel, 5 feet I inch high, very heavy, has a splendid carriage-and is allowed, by all good judges, to be very superior in formation and action. He was gotten by the celebrated old race-horse Sir Archie; his dam was a Hal mare, gotten by Sir Hal; his grandam was Harriet Ea ton, who was gotten by old Bellair, out of a Wildair, which was called a very fine mare of her day ECLAT's dam was raised in North-Hampton Co. by Mr. Eaton Fruar, who sold her, while young Mr. Seth Peebles, for \$375. His grandam (Harriet Eaton) was a mare well known by many people, and her performances under the saddle were equal to any other beast of her kind, both for ease her rider and herself a she has been well tried; particularly in a long journey to the far west; she

was once sold for \$300. The subscribers hold in their hands documents that certify the Horse's Pedigree, but they feel a delicacy in attaching to this advertisement the names of the gentlemen who gave them, not having from them any special authority to do so. In point of formation of body, ECLAT is not to be excelled by any, if equalled.

#### He will Stand the ensuing Season, · IN LEXINGTON & SALISBURY,

commencing in Lexington on the 15th of March. at the reduced price of \$4 the single leap, \$6 the season, and \$10 to insure a mare to be with foal. The insurance money will be recoverable as soon as the mare is discovered to be with fool : or soon or, if the property should be disposed of.

The Horse will attend regularly every ninth day at his stands, except when shown at public places or delayed by accident. The season will end on the last day of June. Care will be taken to avoid accidents to mares, but no responsibility can be assumed for any that may occur.
